TFF is an end times prophecy ministry set apart for these very last days before the Messiah's return to be a sounding trumpet to Yah's people, first to true Israel, then to the end times church, to proclaim, 'It is time for harvest! This is the oracle of Yah to the entire Hollywood industry, from the A-list actor to the make-up artist, the office intern who makes everyone's coffee, and the truck driver.

Thus says YHWH:

'Hollywood, I will burn you to the ground. I will destroy you.

You disrespect My prophecy and you profane My word.

Tell them, My child, that I will burn them to the ground. I will destroy them until there is nothing left.

I will flood them. I will send earthquakes and tsunamis over them. When I am done with them, there will be nothing left.

Publish this today with no delay.

Hollywood, you read My words and then you tear them apart. You read My warnings and you chose to go into more defiance. You act like Jehoiakim, who took Jeremiah's scrolls and threw them in the fire, but worse than that.'

I am having open-eyed visions as I write this oracle.

I see a man's hand holding a baby, about 4 months old - not more. The man places the baby over an altar. He takes a knife and tears the baby's core. The baby dies.

Then it is as if the camera moves down and I can now see what he is doing this over. They are pieces of paper with

"The Fruit" written on the page header, as on this website, our logo.

These pieces of paper are placed on a rock-like plate and a fire is burning at the back. I see the baby's blood spill on the papers, and I hear the man laugh in the background, very proud of himself.

The Lord continues,

'You take My prophet's scrolls, you print them so that you can defecate on them. You take it to wipe your menstrual blood with them. You take My words to burn, tear, and eat them. It is on the printed papers of My prophecies that you sacrifice children and sing and dance to Satan.

I will destroy you through and through.

Whatever I said that would come to you, I have now multiplied it by 7, and the time that it would have taken for you to get it, I have now cut it into half.

Beyonce, you will die a horrible death.

I, YHWH, will send torment into every area of your life. The demons you sing to today, they will rape you, cut you, strangle you, and eat your flesh until there is nothing left.'

I see Beyoncé in a dark-lit room. First, she takes pieces of paper, like the ones the man had earlier. She throws them

on an altar, then begins dancing madly until she rolls on the floor and starts screaming. This is clearly a ritual.

The black of her eyes has disappeared and she is now trembling on the floor. It cuts to a scene of her taking those papers and wiping her intimate parts with them. I see a mix of blood and faeces on them. She throws the papers into the fire burning at the back of the room.

The Lord continues,

'Once I am done with you, you will be irrecognisable.

At your funeral, they will not be able to open the casket because of your disfigurement. The time you had is now cut in half. I will speed up your downfall and everything I had in store for you will befall you in half the time it would have before this word was proclaimed.'

Now I see a very lavish funeral event, Beyonce's funeral. It is in a stadium with tens of thousands of people in attendance - think the Superbowl. The camera is filming what is happening on the central stage and it is being played on larger screens around the stadium. Her casket is being filmed and it is closed.

I see some people crying and others holding candles. I see people giving speeches and talking one after the other, with the casket still closed. I see a black lady begin to sing.

She finished singing and the casket was still closed. This went on until the casket was taken away, still closed.

The Lord continues,

'The Synagogue of Satan, I will drag you out of your hiding places. You think you are secure in your shadows but there is no darkness that can hide from Me. Haven't you read that darkness is as light to Me, the Almighty God?

I will pull you out of your hiding and expose you to all the 8 billion souls of this earth. I will dig up your filth and splash it on all the screens across the entire earth.'

I am seeing headlines, a fast succession of headlines on different channels and in different languages. I see the world map, showing different locations, moving from one country to the next, showing where the news will be covered. I see America, France, Germany, Russia, India, Iran, UAE, South Africa, Nigeria, Uganda, Senegal, Australia, Israel, Canada.

It just changed from the map moving to me seeing flags. I see Portugal, Japan, Singapore, India, once more, Israel once more, Cameroon, DRC, Morocco, South Africa once more, and Uganda. I see Brazil, Haiti, the Bahamas, Barbados, and New Zealand. I see Mexico, Israel once more, the USA but the flag is torn in a diagonal line, then

the flag is gradually destroyed by being cut into little pieces from the edges to the centre until there is nothing left.

The Lord continues,

'After I have exposed you, I will crush you. I will crush your bones. I will plunder your wealth. I will kill your families and wipe out all your descendants.

I will fight you like my equal and when I am done with you, you will cry for death but death will not come. You will beg me to kill you and I will not.

You will not die suddenly, no. You will die atrociously but you will suffer seven times your original portion before dying. It is in the hands of your father, Satan, that you will die. Yes he, your father, will kill you with his bare hands.'

I see the shadow of a man [referred to as Man 1] who is strangling another man [Man 2] on the floor and tormenting him. I see both of them as shadows - shapes. Man 1 transforms into a dragon for a few seconds then returns to the size and shape of a man.

As soon as Man 2 gets weak until he is about to give up, Man 1 stops strangling him. I see him walk out of the frame and return a few seconds later with a bucket of ice-cold water. He splashes it on Man 2 who was about inanimate at this point, which wakes him up in a JUMP! Man 1 begins to laugh.

He is laughing harder and harder. He is laughing so much that he looks for a chair to sit down. I see him laughing and holding his stomach. He is laughing, hitting his thigh with one hand and holding his stomach with the other. All the while, Man 2 is lying down, wailing in agony and begging for mercy.

Man 1 is now hitting his leg on the floor repetitively, on top of hitting his lap and holding his stomach. He is laughing and losing himself in laughter. Then he suddenly stops. Stands up. Walks towards Man 2 who is still begging for mercy. As he approaches, Man 2 crawls back. Then Man 2 jumps up on his feet as quickly as he can and starts running towards the door to escape.

But there is no escape.

The abuser stops him abruptly, not by running after him but by suspending Man 2's motion with a "Stop" hand gesture in his direction. He walks towards Man 2 and puts his hands around his neck from the back [for Man 2 had been running away from him]. He starts strangling him once more, but this time, Man 2 is suspended in motion. He cannot move. He cannot fight back. He cannot even cry out. He is just blocked in that position, getting strangled. I can see his eyes wanting to fall out of his eyeballs as he endures this torture, and then the screen turns black.

I read the words, 'VENGEANCE IS MINE, SAYS THE LORD' as a bold title. It lasts a few seconds and then goes away.

The Lord continues,

'I will send the 10 plagues upon Hollywood, three times over.

I will flood you 7 times more than I had originally proclaimed. People will die 7 times more.

I will break everything inside you until the bone marrow and when I am done with you, you will wish to die but death will not come.

You all who burn My scrolls and mock the words that come out of My lips, you will wish you had received all of Israel's punishments combined. You will wish for that. You will wish you would just die, but death will linger. You will scream for the angel of death to take you, but as you have mocked Me, so will he mock you.

For the things you do to children, Hollywood, I will rain down 7 times the amount of Sulphur I rained down on Sodom and Gomorrah.'

I see large balls of fire raining down from the sky and huge clouds of smoke rising up in the air, filling the entire sky into the horizon. This is the sulphur the Lord is speaking about. I see balls of fire that look like meteorites, massive

rocks, raining down on the "Hollywood Boulevard" sign. I see it raining down on all of California.

I see this rain of fire increase until it turns into a storm, not of water but of fire. It is a storm of fire with thunder and lightning but instead of water, I see fire. Now it is a mix of large and small fire [sulphur] rocks, raining down in large amounts and at an exceedingly fast speed.

Now my view zooms out and I see the map of the world, as if flat on a screen before me. Out of the map, the whole state of California is on fire. It is being consumed. The fire is burning up the paper on which the map is drawn until the entire state is burned and no more. Now I am looking at the same map of the world, only that there is a hole where California used to be.

The Lord continues,

'Tell them, Elvira, tell them I said 7 times more.

In a twinkle of an eye, all of your enterprises will be gone and by the time this age comes to an end you will be nothing short of a footnote at the end of history books. A fading, invisible, footnote that no one will be able to recognise. You will be insignificant.

I will thunder you, Hollywood.

All of you who are guilty and all of you who participate in their guilt. You will all receive the blazing fire that comes out from My mouth.

I, The Great One Of Israel, The Creator of the heavens and the earth will watch for My word to be accomplished. You will wish you had known a worse enemy than Me.

If there are any ashes left in Hollywood, then YHWH was never My name.

As I have spoken, so shall it be.'

(I) Jeremiah 23: 28-29

²⁸“The prophet who has a dream, let him tell a dream; And he who has My word, let him speak My word faithfully. What is the chaff to the wheat?” says the Lord.

²⁹“Is not My word like a fire?” says the Lord, “And like a hammer that breaks the rock in pieces?”

(II) Isaiah 40: 21-26

²¹Have you not known?

Have you not heard?

Has it not been told you from the beginning?

Have you not understood from the foundations of the earth?

²² It is He who sits above the circle of the earth,
And its inhabitants are like grasshoppers,
Who stretches out the heavens like a curtain,
And spreads them out like a tent to dwell in.

²³ He brings the princes to nothing;
He makes the judges of the earth useless.

²⁴ Scarcely shall they be planted,
Scarcely shall they be sown,
Scarcely shall their stock take root in the earth,
When He will also blow on them,
And they will wither,
And the whirlwind will take them away like stubble.

²⁵ "To whom then will you liken Me,
Or to whom shall I be equal?" says the Holy One.

²⁶ Lift up your eyes on high,
And see who has created these things,
Who brings out their host by number;
He calls them all by name,
By the greatness of His might
And the strength of His power;
Not one is missing."

You have heard the word of the Lord.

Please refer to the two latest prophecies about Hollywood and California to under the full extent of what the Lord is saying in this proclamation.

(1) The Fall Of Babylon.

(2) "Prepare For Exile" A prophecy to California.

I will leave you with this Scripture. It is just a short piece of a story about a King of Judah who was ripping what he sowed in despising and overlooking the prophecies of the Lord.

'Zedekiah son of Josiah, whom King Nebuchadrezzar of Babylon made king in the land of Judah, succeeded Coniah son of Jehoiakim.

² But neither he nor his servants nor the people of the land listened to the words of the Lord that he spoke through the prophet Jeremiah.

³ King Zedekiah sent Jehucal son of Shelemiah and the priest Zephaniah son of Maaseiah to the prophet Jeremiah, saying, "Please pray for us to the Lord our God." ⁴ Now Jeremiah was still going in and out among the people, for he had not yet been put in prison. ⁵ Meanwhile, the army of Pharaoh had come out of Egypt, and when the Chaldeans who were besieging Jerusalem heard news of them, they withdrew from Jerusalem.

⁶Then the word of the Lord came to the prophet Jeremiah:

⁷Thus says the Lord, God of Israel: This is what you shall say to the king of Judah, who sent you to me to inquire of me: Pharaoh's army, which set out to help you, is going to return to its own land, to Egypt.

⁸And the Chaldeans shall return and fight against this city; they shall take it and burn it with fire.

⁹Thus says the Lord: Do not deceive yourselves, saying, "The Chaldeans will surely go away from us," for they will not go away.

¹⁰Even if you defeated the whole army of Chaldeans who are fighting against you and there remained of them only wounded men in their tents, they would rise up and burn this city with fire.' - Jeremiah 37:1-10.

I will summarise what the Lord was saying here to the haughty men who thought they knew better than God in 4 words that the Lord Himself uses often in these proclamations: No one will escape.

Do not deceive yourselves in saying "These atrocious things shall surely not come to pass," for no letter written in this prophecy will ever fall to the ground. The Lord will uphold His word and watch that, like a hammer, it breaks every hardened rocky heart in your midst into pieces.

Let the one who loves the concept of staying alive hear now and take this prophecy extremely seriously. Go now and repent before the Lord now in the hope that you can at least still make it out of Hollywood, even if wounded, before its inevitable downfall.
