In August 2024, YHWH told me that He would take me through an intricate journey of discovery about who the true Israelites of the Bible were and where their descendants are today. He said it would be very detailed because out of this revelation, millions around the world will find their true identity.

This chronicle began to be written when Yah finally told me 'It is time to publish the first part of the chronicle about My people's true story'. It is titled 'Unveiling The 12 Tribes' and this proclamation is its introduction.

Before the Lord gave me the green light to begin the proclamation of this chronicle, He gave me a vision on November 29, 2024.

I saw an empty room. My point of view in this vision was limited to a corner of the room where Elvira inside the vision could walk in and out of the frame that was being shown to Elvira watching the vision.

Then I [of the vision] walked into the frame with a piece of voluminous paper in my hand that was rolled up like a scroll. I unravelled it until it was completely open, took a pin, and pinned it to the empty wall in front of me.

The scroll's full size, as pinned on the wall, was similar to if you were to open 3 newspapers and lay them flat on a table, in a continuous fashion next to each other. Its

consistency was robust and its colour was a yellowish-grey [pale] white.

As I unravelled the scroll, I read a large headline at its top that read, 'JUDAH'.

After the entire scroll had been pinned to the wall, the vision zoomed in for me to see what was written on it. I saw lists of names written in small characters, covering the entire page from top to bottom. There were at least 6 to 7 columns of these names and each column had hundreds of names written on it.

Then I walked out of the frame, briefly, and returned with another identical scroll. As I started unravelling it, I read the headline 'ISSACHAR'. Once I had pinned it next to the first JUDAH scroll, it had the list of names written on it in a similar way.

I saw myself go through this exercise for all 12 tribes. But there was something that stood out for the tribe of Joseph, I saw His son's names and not the name Joseph per se. I saw MANASSEH and EPHRAIM, each had his own scroll. Therefore, there were 13 scrolls total in the end.

This is where the vision ended.

Thus says the Lord:

'I am going to make sure that the entire world knows who My true Hebrews are, and I will bring them back to their land which I promised Abraham.

I will take you through history and give you a detailed account of how exactly true Israel got to the point where she is right now: looking like every person and tribe on the face of the earth; found on all continents and people; speaking all languages; scattered all around in even the most unsuspecting places.

Many of you, Israel, have demons and are still dealing with bitterness, feeling hatred for peoples amongst whom your own brothers and sisters of Israel live and were brought up. You are going to have to grow past that and root out the bitterness from your hearts.

For those of you who chose to listen, believe, humble yourselves, repent and turn to Me to unburden your hearts and souls of the yoke of what you and your ancestors have been through, you will never feel freedom like what you will feel after this chronicle is completed.

But for those who will reject the Messiah and desire to continue to live the way you live, embrace the false beliefs and religions you love, continuing in the same idolatry that caused you to be scattered and dispersed by My own hand,

in that ditch and hole of spiritual and emotional darkness shall you die.

You must choose this day what your fate will be.

You will have to confront your biases and your insecurities. You will have to comprehend Me and My ways. You will have to submit to the truth, which is the only thing that can set you free.

The choice shall be yours. You have been warned.

By the time I, your Elohim, am done with this chronicle - which will take several years, true Israel will be as it is written: 'Ephraim shall not envy Judah, And Judah shall not harass Ephraim.'

I am your God, I know exactly where you are, Israel. I will number you and speak your father's house names, one by one. I will list them all for you on this very platform, the Fruit Factory, where I speak to My servant Elvira and she will deliver My words to you.

You will come to this place and read your individual names by Father's houses, by tribes, by countries and continents, and for some of you, by your names with birth dates. They shall be listed here.

When I do this, then surely you will know that I am YHWH and only I know who you are because I am the one who

chose you, for you did not choose Me; I am the one who brought you out of Egypt the first and then sent you back into Egypt a second time and will reconcile you to Myself once more - and this time for eternity.

None of your identities are hidden from Me, Israel, from those who remained 100% Israelites in your blood, only intermarrying amongst yourselves, to those who married foreign tribes for centuries and travelled so far off that you look and live nothing like your forefathers spoken about in the Bible.

I will list all of your millions of names here, on the Fruit Factory, where each of you will be able to come and identify themselves authentically as My people. As I speak it, no one will be able to deny it.

I, YHWH, have spoken and this chronicle and its impact on the entire world shall surely come to pass as I have prophesied. My word shall not return to Me void.'

Isaiah 11: 11-13

It shall come to pass in that day
That the Lord shall set His hand again the second time
To recover the remnant of His people who are left,
From Assyria and Egypt,
From Pathros and Cush,

From Elam and Shinar,
From Hamath and the islands of the sea.

¹² He will set up a banner for the nations,
And will assemble the outcasts of Israel,
And gather together the dispersed of Judah
From the four corners of the earth.

¹³ Also the envy of Ephraim shall depart,
And the adversaries of Judah shall be cut off;
Ephraim shall not envy Judah,
And Judah shall not harass Ephraim.'

You have heard the word of the Lord.

There are specific details that we must not miss from this proclamation.

Firstly, this prophecy is only the introduction of a long chronicle that will be a detailed history lesson from Heaven. Yah will unveil the 12 tribes of Israel as spoken about in the Bible, speaking to His people first, so that they can come to the knowledge of who they are, then to the rest of the world.

Secondly, This process will not merely be a 'the tribe of y, x, and z in x, y and z location today are the people of Benjamin or Reuben. It will rather be something like 'This is how Judah ended up in Africa: when Jerusalem was attacked, x person took y group and they formed an

alliance with z tribe in Egypt, then they went on a 2000-day journey to land in abc.' Yah will lay the whole truth on us so that we, His people, and the world will know that He is the Most High Yah!

Thirdly, This is not going to be something that anyone can dispute or argue over for it is not being delivered by human flesh or intellect, but by the Spirit of Truth, the Holy Spirit, who is God and who searches the deepest things and thoughts of the Most High to reveal them to us.

No matter who you are reading this right now, you must have respect for that. If your emotions are too hurt and you cannot resist the urge to voice your unsolicited opinion, please do it in your mind. Don't open your mouth to blaspheme the Holy Spirit because you would be writing a check you will not be able to cash on the day of judgment.

Fourthly, this chronicle is a giant scroll in and of itself and it is going to take a long time to unravel, 'several years' in the Lord's own words. This is because Yah will decide whose identity gets to be revealed when according to His timing and purposes. So when you read these proclamations please do not assume you have the full picture because Jesus Christ will shine His light on this matter gradually.

Fifthly, this revelation will have one of two reactions in a true Hebrew's life depending on their heart's posture - either freedom or death.

Death will come to those who will not let go of hurt and bitterness; those who choose to deny the Messiah; and those who choose to continue in their sinful lives in violation of Yah's word and laws. Their fate shall be death and permanent separation from their Elohim because they rejected Him until the end.

Life will come to those who, with a humble heart, will believe in Him and allow the word of God - the Way, the Truth and the Life - Jesus Christ Himself, to set them free. He will lift off the burdens in their minds and souls and put in them a heart that obeys and loves Yah, ears that hear His voice, and a soul that submits to Him. They will constitute the peaceful end times remnant of Israel.

Sixthly, Yah will not only give us a history lesson in these chronicles, but He will complete the work of revealing true Israel's family names, printed in black and white here at the Fruit Factory. Each of them will be able to come to this platform and check for their names and tribes, and some, the Lord will go as far as giving their full names with their birth dates so there will be no confusion as to who they are.

It was in August 2024 that Yah first spoke to me about the sixth point above. He told me that He would make me supernaturally read the heavenly records of the individual names that constitute the nation of Israel today and He began the process shortly after. I had my first spiritual experience in which I started seeing a list of people's names rolling before my eyes in my sleep, the way the credits roll at the end of a movie - names written in white rolling on top of a black background.

It has happened to me a few more times since. I have been able to capture only a few of them so far and I wrote them down in my archives. It is quite a difficult exercise because of how small the characters are but mostly because the spiritual girth required to remember them all after having woken up is huge.

Often, the Elvira watching the dream reads these names, memorises them and repeats them over and over again so that they stick, praying to the Father to please not allow me to forget them when I wake up. But as soon as I open my eyes, within less than 2 seconds they all vanish even though I know that I had at least 10 names well memorised as I watched the list only seconds prior.

After beating myself up over it for some time, Yah made me understand that the time for that is not ripe yet and that I still have a long spiritual journey ahead of me before He

can entrust me with this kind of revelation. He will allow me to capture what He wants me to as time goes by and the lists will come together gradually, as He decides.

Who Defines Israel's True Identity?

Whilst many of the true Israelites who are waking up to this truth in many parts around the world, every one of us will have to adopt a humble posture and open ourselves up to receive the fullness of the truth about our people which Yah is about to unfold throughout this chronicle, the vast majority of the world that has bought into Satan's lie of the current nation of Israel full of fake news will be forced to accept this truth whether they would like to or not.

What we must understand, Israel, is that Yah is not really worried about the labels and systems that the modern world created. Its concepts around race, class, and even geography defining who a people is does not work in Yah's playbook.

When talking about peoples and nations, Yah works according to the blood. What He checks is the blood running through our veins. Yah makes a covenant with that blood, not the colour of our skin, the money in our bank accounts, or our status in society.

When He told Abraham that He would make him into a people as numerous as the stars in the sky and as the sand

on the seashore, He knew that these people would not keep the physical features, geographical location, or social status that Abraham and Sarah possessed at the time.

He knew that by the time we made it all into the land He promised to live there at peace with Him over 4000 years later, we would be a mix of all the races and colours He has put on the earth. It is what He wanted and intended from the beginning.

When Yah looks at us, He looks at Abraham's, Isaac's and Jacobs's blood running through our veins, it is with that blood that He made a covenant and nothing else.

Some of you have received dreams and supernatural revelation about which tribe you belong to already, did you make a physical check-up to find out? No. It is the Spirit of truth, the Holy Spirit, who told you the truth about who you are and so shall He do will all of Israel.

By this, Yah is the only One qualified to tell us who His people are. No government, scientific organisation, or ancestry.com will be able to take credit for it in the end - and they will try. Yah will supremely and supernaturally identify His people and regather them to Him. By this, Yah will display His might and sovereignty over His word and divine knowledge.

The Father prophesied it through our ancestor, Baruch [who was also prophet Jeremiah's scribe, therefore, who transcribed the words spoken by the prophet that we now read as the book of Jeremiah], that He would be the One to bring our memories back and reveal to us and the world who we truly are.

'If you will not obey my voice, this very great multitude will surely turn into a small number among the nations, where I will scatter them. For I know that they will not obey Me, for they are a stiff-necked people. But in the land of their exile, they will come to themselves and know that I am the Lord their God. I will give them a heart that obeys and ears that hear; they will praise Me in the land of their exile, and will remember My name and turn from their stubbornness and their wicked deeds; for they will remember the ways of their ancestors, who sinned before the Lord.' - Baruch 2: 29-33.

It is no surprise that these books were taken out of the original 80 books King James Bible, lest we read and remember our God's name as He stated in this text. It is also no surprise that within the next few years, the current Bible with 66 books will be [further reduced to nothing](#). Books will be continually removed until it is outlawed altogether, lest anything is left of the true Christ, who is the only One who has the power to overcome Satan's devices. Yet, the truth remains that none of Satan's efforts can stop

Yah's word from coming to pass - they do not return to Him void.

A godly rebuke, in love.

Now that we are about to begin to properly open up the truth about the true 12 tribes of Israel, I will say it now already in the introduction of this chronicle because Yah has been adamant about this fact: those who fail to repent and live holy will not make it back. Harlots [physical and spiritual], lovers of false doctrines and religions, those who have not accepted the Messiah Jesus Christ as their Lord and Saviour to live according to His word, idol worshippers, and those married to the ways of the world will not make it back.

If the previous paragraph has put you off, good! Either take that feeling of being 'offended' and turn it into genuine repentance then submit to Yah's word, or do not and leave this platform to continue in your ways. If you do the latter, you will most definitely regret it later - without a doubt. Many of true Israel still practice human sacrifice and cannibalism as their day-to-day traditional customs, the very sins that caused us to be scattered and judged with 400 years of slavery by Yah.

Israel, Elohim is not playing with us. He has the current age of the earth to wrap up and all nations to judge in

preparation for His grand return in glory. We have too much history with Him to be acting foolishly in these final hours. Those of you who want to play with your souls mere minutes before we are to finally return to a life of peace and serenity as He promised us, your blood shall be on your own hands.

As we go into this chronicle about the people of the Book and their regathering, there are some important series you must read that pertain to this specific topic.

['Isaiah 11:1'](#) is the most important prophecy series to read at The Fruit Factory. It contains proclamations about the detailed process of the end-times regathering of the true bloodline of Jacob, opening up through visions, dreams and spoken words from Yah things that had been prophesied by our forefathers about this life-altering worldwide event - which was not the scam of 1948, Satan's PR stunt for the promotion of his synagogue [Revelation 2:9; 3:9].

Another important Israel-focused prophecy series are the chronicles ['From Fake To True'](#), which expounds on the upcoming calamity that current Israel will endure, ultimately leading to the fake jews' expulsion from Yah's holy land; and ['Chronicles Of Iniquity'](#), which details the Lord's charges against true Israel and the profound repentance that she must go through.

There are other Israel-focused prophecy series that you can access from the menu or by using the filter in our library to read in detail.

I pray that our Lord will open our eyes and lift the veil that we may have eyes that see and ears that hear once and for all, Israel. In the name of Jesus Christ. Amen!
