# Preface

The Fruit Factory is an end times prophecy ministry set apart for these very last days before Yahshua's return in glory. This ministry is The Master's handiwork to bring forth thoroughly pruned branches capable of producing platinum-graded fruit at an industrial level for His Kingdom (John 15).

Our duty unto YHWH is to sound the trumpet to His people, first to true Israel and then to the end times church: *'It is time for harvest! The Lord Jesus Christ is sounding the trumpet; only the fruitful will make it.'*

We are pleased to present this download of YHWH's proclamation, free of charge. We hope you appreciate it, and we encourage you to share it with your friends and family. We only ask that it not be used for any commercial purposes, converted into other formats (audio, video, etc.), posted for download on other sites, or included in file or document collections without our permission. However, feel free to link to our website and encourage the reading and downloading of these prophecies from there.

# Proclamation

## Previously on The Fruit Factory...

Published in *The Gold Coin & The Black Horse*, on November 12, 2024.

*Excerpt from YHWH's statement:*

*'They have planned this crash. It will not happen naturally. Do not be deceived. It is going to be what will destroy the current money system and give rise to the system of money for the end times beast kingdom, the kingdom that will rule over the whole earth, what they have called "The New World Order".*

*The US dollar will crash and become obsolete. This financial crisis will affect the entire earth whether the country's currency depends on the dollar or not. As it has been prophesied, so will it happen, says YHWH Elohim.'*

*Excerpt from the dream interpretation:*

*'This dream is a representation of the coming world-wide financial crash. The building represents the financial ecosystem of the world; its trades, banks and markets. I was stripped naked when I got in because that is what the crash will do to all people: strip them naked. The picture is this graphic because that is what will happen. It will be severely graphic to see entire nations and continents crushed and brought to their knees.*

*This crash will eventually lead to the destruction of the value of money, including precious metals. The Beast [also known as the Anti-Christ] will get rid of everything we know as money right now and create his own currency. This currency will be non-tangible; it will come after the economic system of the world - as we know it today - has completely deteriorated; it will be heavily reliant on AI and will use the blockchain*

*system. It will be money in the cloud, figures on a screen, nothing you can count and touch with your hands. ATMs will be the things of the past.'*

### **Back to present day... on June 14, 2025.**

Here is the prophecy I received from YHWH for this proclamation, which He titled 'Only Months Away'.

### **Thus says YHWH:**

'The US dollar crash is only months away. Those who have planned this are already in a position to roll out what will come next: the global digital currency which will start being introduced into your lives, banks, and national currencies as the most qualified fight against the global depression that they caused.

"Create a problem then provide the solution to subdue the masses," is their modus operandi, the same was with the COVID crisis.

Many of My children are not taking this situation seriously enough. They see their living costs skyrocketing, the unquestionable inflation is drilling holes in their pockets, but they continue to be preoccupied with which latest celebrity was on the red carpet and what is the latest best TV show. They waste their lives away, being attached to things of this world.

I urge you to get on your knees and pray for divine providence and intervention from Me, your Father. The proclamation I made about this fact was clear enough, this is merely a courteous reminder that I am asking Elvira to publish because MY PEOPLE ARE ASLEEP!

Matthew 6:33.

Watch out for the East, for many of the nations in Asia will use this crash to relaunch their economies and shed their dependency on Babylon. This proactive reaction will help them come out on top in the end.

I, YHWH, have spoken. My word shall not fall to the ground. Amen.'

*'But seek first his kingdom and his righteousness, and all these things will be given to you as well.' — Matthew 6:33*

## **You have heard the word of YHWH.**

What was discussed in November 2024 is now *'Only months away'*.

I will not go back to rewrite everything that was explained in the elaborate proclamation—with a long detailed graphic dream—that YHWH is referring to here. I only reiterate that there are countries on this earth that will not only hit rock bottom but will not be able to get back on their feet: *they will be wiped out clean after this financial crash.*

For fuller context, I urge you to read the full original prophecy for yourself: *The Gold Coin & The Black Horse.*

That proclamation was given to me by the Father on November 10, 2024—four days after Donald Trump won the US presidential election. Whilst Americans were jubilating and Christians in America claiming that this man was the 'saviour' God had sent to America to restore America to its glory, the Father was having the exact opposite on His mind. As always, Mystery Babylon was being faithful to arguably her most deleterious and contagious disease: **idolatry**, which makes one deaf and blind to YHWH's voice, word and ways.

Who would have thought that less than 6 months later, these same people would be the ones—Republicans and Democrats alike—holding nationwide protests against their so-called God-anointed saviour who was supposed to *'Make America great again'*?

More than anything, this turn of events only further proves that when YHWH speaks, our job is to listen, trust and obey. *For the LORD does not see as man sees; for man looks at the outward appearance—including gobbling up sulky speeches and empty promises—but the LORD looks at the heart.*

I remember seeing an avalanche of those internet charlatans who claim to be 'prophets' and 'men and women of God' come out with unimaginable idolatrous videos about this man, spewing spiritual poison into the people's souls, filling their itchy ears with what they wanted to hear. I could only shake my head.

Do remember that Trump's seemingly erratic behaviour and wild economic policies have never been a 'mistake', they are part of a PLAN. They are trolling us and having a good laugh doing it. They have an agenda that they are methodologically rolling out, step by step, which serves one person and one only: the end times beast of Rev. 13 and Dan. 7; aka 'The man of sin' and 'The son of perdition' of 2 Thess. 2; the one Christianity calls 'The Antichrist'.

'The fourth beast is a fourth kingdom that will appear on earth. It will be different from all the other kingdoms and will devour the whole earth, trampling it down and crushing it.' (Dan. 7:23) This the one I'm talking about. This generation—Yes, you and I— will live through his reign and will have to somehow find a way to survive in his kingdom. That kingdom is what YHWH calls 'The beast kingdom' in proclamations here at The Fruit Factory.

Please understand that America works for him; not just the American government but also all their biggest entrepreneurs, largest companies in all sectors, most popular 'celebrities', artists, athletes, the entire American news and media industries,

Hollywood and the whole audio-visual industry, etc. They all work for this guy and they are all preparing the world for his ascension to world dominion—the US dollar devaluation and the impelling world's financial crash is only a step in that direction.

If you are an American, which a majority of you reading *The Fruit Factory* are, after the crash, you can expect civil war, the rise of Nazis and the gradual formation of a totalitarian government in America. It seems wild to imagine at the time of writing this but it will happen. The Lord was still giving me dreams about Nazis in America only a few weeks ago—it is ongoing.

We are only at Trump and the crash has not even happened yet, but the worldwide inflation, economic recessions and political instability are already rocking us on our feet. What do you suppose life will be like when the likes of Kamala Harris, about whom YHWH said, 'She will start the clock of the end times tribulations for the entire world', get into power?

YHWH said that [this woman would be president of the United States](#). Yes, her time is yet to come. How or when are not my business to know or explain to anyone; for He never explained it to me either. Although I had received the original prophecy about her on July 29th, 2024, I was still having dreams about her presidency and clandestine collaboration with Trump in February 2025—this too is ongoing.

Now, what do you imagine life will be like when the Anti-Christ himself, Barack Obama takes power? This is without factoring in everything YHWH said was imminent in the '*Incoming*' prophecy series, nor the wars and rumours of wars currently going on.

My, My!

In '*2030: The Year of No Return*', YHWH said that once we cross a certain threshold in the future, life will cease to be 'normal', our world will be flipped on its head and '*Everything will change suddenly!*' I hope that this fact getting a bit clearer to the readers of *The Fruit Factory* as time moves forward. This should especially be the

case considering that we are also on the brink of a nuclear war erupting in the Middle East—Hey look! That's something else YHWH has warned about several times at TFF.

He did so in *'Tell them...'* (focuses on the third seal YHWH's judgement of wickedness); *'When Lawlessness Abides'* (focuses on the Middle-eastern war outbreak and the Anti-Christ's one-world religion); *'Deadlier than WWI & WWII combined'* (focuses on the casualties of war and the main actors of WWII). There are others, but I'll stop here.

**To true Israel in America**—I am not talking about the current imposters, the fake Jews, YHWH does not want you affected by any of this but there is an enormous lack of preparedness, faithfulness and holiness amongst you. All of that was painstakingly explained by the Lord in the *'Chronicles of Iniquity'*. The only solution, as our Bible teaches and YHWH has clarified in that chronicle, is **repentance**.

**No matter if you are of True Israel or not**, The Father has decided that each will reap what they sowed and one's outcome out of this crisis will only be a reflection of their relationship with Him. For those of you who practise what the Bible preaches and listen when He speaks, He will make you see the light at the end of the long tunnel that the whole world is about to be thrust into. But for those who do not, your blood shall be on your own hands.

This proclamation is more of a gentle reminder from YHWH out of love for you, than it is a 'prophecy'.

The Lord is urging you all who can still repent of your ways and grab unto the Messiah with both hands to turn your lives around—and whosoever you can evangelise to in your family and circle and take with you on your walk with Christ—to commit to a life of *repentance*, *obedience* to His word, *faith* without sight, and *purity* of heart. Even if we are so close to this outbreak, Yah is saying one thing in this proclamation: 'There is still hope. Repent of your old ways to live to see another day.'

**I rest my case.**

*Romans 12:9-21*

'9 Love must be sincere. Hate what is evil; cling to what is good.

10 Be devoted to one another in love. Honor one another above yourselves.

11 Never be lacking in zeal, but keep your spiritual fervor, serving the Lord.

12 Be joyful in hope, patient in affliction, faithful in prayer.

13 Share with the Lord's people who are in need. Practice hospitality.

14 Bless those who persecute you; bless and do not curse.

15 Rejoice with those who rejoice; mourn with those who mourn.

16 Live in harmony with one another. Do not be proud, but be willing to associate with people of low position. Do not be conceited.

17 Do not repay anyone evil for evil. Be careful to do what is right in the eyes of everyone.

18 If it is possible, as far as it depends on you, live at peace with everyone.

19 Do not take revenge, my dear friends, but leave room for God's wrath, for it is written: "It is mine to avenge; I will repay," says the Lord.

20 On the contrary:

"If your enemy is hungry, feed him; if he is thirsty, give him something to drink. In doing this, you will heap burning coals on his head."

21 Do not be overcome by evil, but overcome evil with good.'
