A Time For Provisions by Providence

Proclamation #133

Preface

The Fruit Factory is an end times prophecy ministry set apart for these very last days before Yahshua's return in glory. This ministry is The Master's handiwork to bring forth thoroughly pruned branches capable of producing platinum-graded fruit at an industrial level for His Kingdom (John 15).

Our duty unto YHWH is to sound the trumpet to His people, first to true Israel and then to the end times church: *'It is time for harvest! The Lord Jesus Christ is sounding the trumpet; only the fruitful will make it.'*

We are pleased to present this download of YHWH's proclamation, free of charge. We hope you appreciate it, and we encourage you to share it with your friends and family. We only ask that it not be used for any commercial purposes, converted into other formats (audio, video, etc.), posted for download on other sites, or included in file or document collections without our permission. However, feel free to link to our website and encourage the reading and downloading of these prophecies from there.

Proclamation

If you have read our last proclamation, you know that YHWH has warned about the US dollar crash being only months away, as it had been prophesied at The Fruit Factory in November 2024. That warning came on June 14, 2025, only a few days before the media announced an unprovoked attack by the US on Iran, on June 22, 2025—igniting what many are foreseeing to be WWIII. They are right to foresee that because it is what will happen, and like the US dollar crash, that too, has been planned.

I am using the word ‘announced’ carefully because media manipulation is very extreme in our times. A large part of the wars and rumours of wars we are told about are not what they seem. They have factories of misinformation that fabricate images and videos using advanced AI technology that will be available to the public in maybe 20 years—if we are lucky.

A lot of reports, especially coming from American media, are simply made up... Most of their Hollywood movies are AI-generated. If you ask their actors when was the last time they were actually on a movie set, their honest answer would be appalling. A large part of their media ecosystem does not exist. It is generated on computers and pumped on our screen as ‘content’... it is their speciality and YHWH spoke about it in the past too, calling it industrial misinformation.

Whether true or not, however, *the current war is real*. They have no shame, no limit, no measure of how far one should take a lie and whose lives are at risk. They are soulless. They are the synagogue of Satan, the fake Jews. Even as they use media manipulation to generate propaganda that fits their narrative, as YHWH has warned that they would, we have a responsibility to prepare ourselves accordingly.

A gentle reminder....

Published in 'When Lawlessness Abides', received August 04, 2024:

'I heard the Lord say, "The third world war is coming and it will be a religious war".

"It will emerge from the Israel and Palestine conflict. The conflict that started as a plot of land dispute will quickly escalate into a matter of religion. Judaism vs. Islam."

"The USA will be spearheading this narrative and will campaign harder for Christian support of Israel. Except that people will begin to open their eyes and will stop just rolling with it. Anti-semitism will continue to be thrown around even more."

"America, the seat of the beast system will be the trigger of it all. They will use their media propaganda and their sieges of governments around the world to stir up the third world war."

I think it is safe to say that we are seeing exactly that unfold before our eyes.

Let's reflect on the depth of the God we serve...

Who but YHWH could have the insight to say something like this: That WWII will originate from the Israel and Palestine conflict and in the same breath, say that it is America, a nation found on the other side of the world from Israel and Palestine, who will not merely partake in the war, but *trigger and stir it all up?*

At that time, August 04, 2024, very few people really cared about that Middle Eastern conflict, it was still being classified as their usual land dispute over the Gaze strip that the rest of the world did not really bother to stick their nose into. Little did I know that no later than October 2024, Israel would launch a genocide in Gaza by carpet bombing civilians and laying a siege around the small defenceless nation,

generating a media uproar around the world that has mounted to what we can all see reported on our media devices. Many around the world have since opened their eyes about the true nature of the fake Jews, the synagogue of Satan, who rule that nation we call Israel today, *just like YHWH said they would* in that same proclamation.

At that time, the US was still relatively evasive about the conflict, saying little to nothing about it aside from asking Christians to donate to and pray for Israel. Joe Biden's clone could barely keep his eyes open let alone speak on such a conflict. President Donald Trump would be elected over 3 months later, and even then, he still had no interest in the conflict. Somehow, suddenly, we hear that Iran is involved in favour of Gaza. That was the first shock for me. Then out of nowhere, Iran and the US are now in conflict, the US being in favour of Israel. Today, I woke up to the news that the US has bombed Iran. Well well well...

Just like we are watching the US dollar crash, and French President Emmanuel Macron's downfall, at least 3 dozen other prophecies were published at The Fruit Factory in less than a year of publishing. Things are moving, and they are moving fast.

A Time For Provisions

The heart of our subject matter in this proclamation began in late September 2024, when YHWH was putting me through a season of intense dreams and revelation about the tribulation period and my personal assignment as it pertains to that period the whole world will go through.

During that season, YHWH began giving me practical step-by-step instructions on what I needed to store in my food bank for the coming times of great turmoil. It was revealed to me in a series of visions and dreams, which I began writing down on October 05, 2024.

Every few days, I would see something and add it to the list until the end of the year. As I wrote it down, I asked the Lord if I should start praying for the resources to be able to buy these things and start storing them little by little as He would enable me to, but over and over again, His response was a resounding NO. He said ‘Just write it down and wait. When it is time, I will let you know.’ So that’s what I did.

Lo and behold, on June 20, 2025, whilst I was going about My day, I heard YHWH tell me to inform my loved ones that the time to prepare the provisions was at hand. This morning, June 23, 2025, as I was in my Bible study time, Messiah asked me to publish the list He’d given me here at the Fruit Factory. He had not given the list to me alone, but to us all, true Israel and the global body of Christ, to know and benefit from—and anyone else who is willing to read and take these words seriously enough to act on them.

Without further ado, I will now give you the full details of the provisions list and storage instructions YHWH showed me and I will give them exactly in the order He gave them to me.

For the sake of efficient delivery of the information, I will refrain from giving the details of visions and dreams, but will only give the outcome of what the Lord was asking of me in the different scenarios. At the end, we will discuss the second aspect of this proclamation, which is ‘Providence’.

Recorded on October 05, 2024.

1- Store: Baby food.

Choose different flavours of pre-cooked fruits, vegetables, and porridges. It should be of good quality, organic if possible. The baby food was put in large sealed recipients, not small jars. There was also baby formula and baby water.

2- Store all provisions in their own separate storage location or room, depending on what YHWH will make available. Use detailed labelling on shelves. Colour code if necessary.

It is preferable to store it separately because there will be house raids. People will be hungry and suffering. Crime will increase and many nations will be in civil conflict or political instability. People will raid houses to steal food and water because of their desperation. If you just keep all your provisions in your kitchen, you will be raided.

You can have a bit of decent stock for short-term usage in your pantry, but for those YHWH is calling to store in large amounts for the church, a community or a family over a long period of time—a year or more, it is best to look for a separate space for it.

Do not go around your relatives, friends and neighbours bragging about your storage; or worse, create a YouTube or TikTok channel to show how much of a storage expert you are. You will be raided and you will lose it all. You will only have your arrogance, lack of wisdom and lack of discretion to blame.

3- Store: Couscous and rice.

You can choose different varieties but stick to nutritious rice that is high in fibre and protein, not just bland rice with no nutritional value. Couscous here is what Arabs call couscous—not African fufu or couscous. These are usually high in nutritional value too. They have tiny grains but bulk up quite a lot when cooked and are very filling. A small amount goes a long way.

4- Use storage containers that can be sealed and are airtight for long periods of time. Some foods like dried grains and legumes can be stored for more than 10 years.

5- Store: Cash.

You will need huge amounts of cash because banking as we know it will fail and remain in that failed state for some time before there is a change into the universal

digital currency of the beast. There is danger here and that's why you need to start 'storing' cash because at some point ATMs will start being discontinued and cash will become rare.

The more cash you have in the short term, the better you will be able to manage your daily living necessities. People will trade in cash with each other in their daily lives because banks will be very unreliable.

I have not received instructions on what to do once even cash fails, but this is what YHWH has shown and told me for now.

6- The season of barter trade

YHWH showed me small communities that lived by barter trade. Each home was a specialist and they had rations they knew they had to deliver to each other every week. For example, the Westons rear beef and produce milk. The Smiths have poultry so they have eggs and chicken meat. The Ellis' have stored a lot of grain and specialise in bread. When the Ellis drop by the Westons to deliver their bread, the Westons give them their ration of beef and milk. When they go to the Smiths, they give them weekly bread and they get eggs and chicken.

This means you must prepare to barter with neighbours and friends in small communities. If you live in the country and have land, start preparing what assets you could barter with. If you are in the cities, try to see if you can grow something in your backyard or develop a manual skill you could barter with.

7- Store: Soap and toiletries.

Large 5-litre, 10-litre, 20-litre cans of liquid soap with labels on them. Stacks of soap bars too with labels on them. The labels said the application for the soaps, ex: Laundry soap, shampoo, conditioner, etc. This is for household cleaning and personal hygiene.

Toothpaste in their normal tubes. Toothbrushes, including electric ones whose top parts you can change once used up.

Bottles of natural body oils for children and adults. Some were pure unrefined oils, and others had been mixed into personalised recipes to apply on the skin.

Towels. Female sanitary pads. Q-tips and cotton. Toilet paper.

Skincare and haircare products. The basics like shampoo, conditioner, face wash, serum and moisturiser.

8- Store: Water

There was pure water, water infused with tea and other minerals. Water is life and YHWH has been telling me since early 2022 that there will be harsh droughts in many countries all over the world, some droughts will touch entire continents. The end times are truly coming for our necks.

9- Store: Hair extensions

The concept of going to the hair salon will disappear in time unless you are in the upper rich class. Black women, store you braid extensions and others—if you are into that, which most black women are. I suppose YHWH felt this was necessary enough to give me a dream about it. Life will go on despite the crisis, we will still have to show up at work, ministry and other places looking presentable.

Also, if you don't know how to do your hair yourself, please learn. There are a lot of tutorials available on various platforms. Even if you learn only one style that you can stick to that makes your hair neat for a least a few weeks and removes the pressure of constant haircare from your life.

Update on October 16th, 2024.

10- Store: African, Caribbean and other 'exotic' foods

To people living away from home: You will need a good freezer to store up your favourite delicacies. Afroshops, Asian stores, etc. will come up with outrageous prices

or will cease to be able to sustain themselves and close. Shopping for exotic food will become a real luxury.

11- Store: Dairy

Milk, yoghurt, cheeses, etc. These will become luxuries too.

12- Store: Dried fish.

Update on October 22nd, 2024.

13- Store: Wheat and Barley

Buy a manual grain grinder for this. Once we enter periods of power outages it will save your life.

14- Store: Oil lamps and petrol to burn them.

Power-outage proof.

15- Store: Vegetable oil

For cooking.

16- Store: Ready-made breads like French toast that you can keep in a freezer in the short term.

Update October 28th, 2024

17- Store: Jeans trousers and overalls.

They are durable. Choose basic clothes with sturdy fabrics you can wash repeatedly without spoil. Natural fabrics like denim (which is cotton), linen, cotton, wool.

Shopping for clothes as we all do now will be reserved for the upper rich of society. If you don't want to end up dressed in rags, anticipate this. For children, it is a bit harder to anticipate because of how fast they grow, but you can ask the Lord for direction and He will direct you.

Update: November 7th, 2024

From my journal: 'The Lord insists on the storage of dried fish. I had a vision about it again.'

Other undated updates in 2025

18- Store: Dried lentils, beans, and green peas.

These are foods highly dense in nutritional value. They are very important.

19- Store: Ground flour for short-term usage (to consume within a year).

20- Store: Peanut butter.

21- Store: Honey, (brown) sugar.

22- Store: Canned tomatoes, canned vegetables, packaged pasta.

This is where the list ends.

Biblical Principles For Financial Providence

It is all well and good to know that we serve a great God who provides for us but...

'But seek first the kingdom of God and His righteousness, and all these things shall be added to you.' — *Matthew 6:33*

If you have not been seeking His kingdom and righteousness, you are going to find it really hard for *all these other things—financial providence, food, water, clothes and all*

such basic necessities—to be added unto you. When it comes to financially being provided for by the Lord, there are core Biblical principles that are easy to follow and that if you have not followed, you can still start doing today.

On righteousness in resource management

(1) **Pay your spiritual taxes:** 10% of your income should go towards supporting any kingdom ministry that you can see is backed up by the Holy Spirit—not a dead or false one, for you would only be throwing your money away. This is even more important to do if you know the ministry is positively influencing your life or actively bringing you closer to YHWH.

You should pay your tithes before you do anything else with your money—it is the principle the Bible calls 'first fruits', which if you read your Bible you will know that YHWH is very passionate about since the time of the Mosaic law. However, if it just so happens that you have not paid your tithes as a priority, it's okay to pay them later, just never overlook this.

Considering what is coming as explained in the previous prophecies and was reiterated in this proclamation, if you've not paid your tithes this month, do a prayer of repentance and get to it—quick.

(2) **Give regularly and generously** to the poor, the widows and the fatherless. Give to other believers: Give to the one who asks you, and do not turn away from the one who wants to borrow from you.

As a true Christian, you must live your life with an open hand; for as you allow money and resources to flow out of it, YHWH will make sure there is always a contra-flow of generous replenishment of those resources according to His riches and glory.

On seeking the Kingdom of God.

(1) Put YHWH as the priority in your life.

(2) Have faith in and practise what the Bible teaches.

(3) Be attentive to the Holy Spirit's prompts and obey to His voice. He is the most important person on earth.

Read *'The Necessary Paradigm'* shift for more on this.

There are the most basic of the basics in a true devout faith in our Lord and Saviour Yahshua the Messiah—Jesus Christ, my brethren. Please remember that whilst YHWH may have a lot of patience and forgiveness, but **He will never reward disobedience.**

YHWH's Instruction

We will close with what YHWH has required that I give you as clear instructions with this proclamation.

'Commit to the Lord whatever you do, and he will establish your plans.'

—Proverbs 16:3

The first step of what you must do with the list above is to examine it and go into your prayer room to commit it to the Lord. In that secret place, ask for His guidance and clear instruction on how to proceed for you, your family, ministry or community.

In this way, you have made your heart ready to receive from Him. To hear from Him, to be guided by Him. Instead of going on your own and coming up with your own solutions and then asking God to bless them—which is how most Christians live their lives, you would have turned to Him first and asked for His hand to be laid upon whatever plans you may be preparing to make. Please get the order right.

When you do this in the right order, you save yourself a lot of time and resources, and there is a much higher chance that you will be operating in God's will for your life in the season you are in. You must allow Messiah to be the driver and make yourself

the passenger. You must give Him that priority seat so that He provides the proper answer of the tongue.

‘To humans belong the plans of the heart, but from the Lord comes the proper answer of the tongue’ —Proverbs 16:1

The second step is for you to get active and make a plan. As scriptures state, it is to us, humans that the responsibility of making a plan lays. As we make the plan, the Lord gives the answer of the tongue: the resources, the guidance, the instructions (step 2). Look up prices, ask for quotes, and start going through your own pantry or storage room to see what you may already have on hand.

Asking and Receiving

‘You ask and do not receive, because you ask with the wrong motives, so that you may spend what you request on your pleasures.’ —James 4:3

Many people do not get their prayers answered because they wander about without a goal, a plan, or an objective. They ask the wrong things or they ask with the wrong motives.

They pray, ‘Lord I need your help,’ and the Father answers, ‘Help with what? Give me something concise.’

They pray, ‘Lord I need money.’ And the Father answers, ‘How much? And for What?’

They pray, ‘Lord there is going to be a financial crash, please preserve me from it.’ The Father answers, ‘How? Where are you now? Where are you going? What do you want?’

They pray, ‘Lord I need money for this new pair of shoes, car, or wig.’ The Father is answering, ‘So I can see you in the club with it tomorrow?’

We also do not receive because we do not insist. We are called by Messiah to pray without ceasing. Sometimes you need to pray so hard that YHWH answers you going ‘Alright, take it and leave me alone,’ or ‘Okay, you are serious about this thing you are asking, serious enough that I know that if I give it to you, you won’t waste it.’ If you are parent reading this, you probably know the feeling.

Well, YHWH Elohim is our Father. He is a parent. Approach Him in that manner and *persist* in your prayer. It is not me saying this but Yahshua Himself in the parable of the window who went to the corrupt judge and would not let her man rest until she got what she wanted. For some of you, that’s the kind of pressure in prayer that will be required in this season.

Submission to YHWH

YHWH is not our employee or our genie. He is the Almighty creator of the heavens and the earth, we submit to Him—not the other way around. Once we get this fact right, once we get this order right, then we can maybe hope to experience what He has promised. Whether He helps us the way we want or not is up to Him.

What He decides to provide or not is up to Him. You may make a long list of 25 items for Provision by Providence, but He decides that you only need 5. You cannot then turn around and do your own thing because it’s not what you want.

He is the Creator, we are the creation. He is the Potter, and we are the clay. He is the driver, and we are the passengers. We *must* get the order right.

In closing

Life in the kingdom of YHWH is not as easy as many out there in the fake and weak false religion they have turned modern Christianity into. It is an intense and

intentional intimate relationship with a supernatural and supreme Being who wants to—and deserves to—have total control over our lives.

If we can have enough faith and obedience to allow Him to do that, well then... no eye has seen, nor ear heard, nor the human heart conceived, what God has prepared for those who love him.

The Messiah's government is not of this world and He is not dependent on the systems of this world. He is not bound by the rules that bind us and He sits at the Father's right hand to intercede for us. We are connected to The Source. Our citizenship is in heaven. We are ambassadors of Christ and we are His bride. That's something we must never forget even as we get passed through the hot fiery furnace of the end times events.

'This is a faithful saying:

For if we died with Him, we shall also live with Him.

If we endure, we shall also reign with Him.

If we deny Him, He also will deny us.

If we are faithless, He remains faithful; He cannot deny Himself.'

—2 Timothy 2:11-13—
