Preface

The Fruit Factory is an end times prophecy ministry set apart for these very last days before Yahshua's return in glory. This ministry is The Master's handiwork to bring forth thoroughly pruned branches capable of producing platinum-graded fruit at an industrial level for His Kingdom (John 15).

Our duty unto YHWH is to sound the trumpet to His people, first to true Israel and then to the end times church: *'It is time for harvest! The Lord Jesus Christ is sounding the trumpet; only the fruitful will make it.'*

We are pleased to present this download of YHWH's proclamation, free of charge. We hope you appreciate it, and we encourage you to share it with your friends and family. We only ask that it not be used for any commercial purposes, converted into other formats (audio, video, etc.), posted for download on other sites, or included in file or document collections without our permission. However, feel free to link to our website and encourage the reading and downloading of these prophecies from there.

Proclamation

'Then I looked, and behold, a white cloud, and on the cloud sat One like the Son of Man, having on His head a golden crown, and in His hand a sharp sickle. And another angel came out of the temple, crying with a loud voice to Him who sat on the cloud, "Thrust in Your sickle and reap, for the time has come for You to reap, for the harvest of the earth is ripe." So He who sat on the cloud thrust in His sickle on the earth, and the earth was reaped.'

— Revelation 14:14-16

The word of YHWH came to me on the morning of June 27, 2025, as I was starting Bible study. It was given to me in a series of enunciations from YHWH over the course of several hours, as I took several prayer and worship breaks in between.

This proclamation is to true Israel first—again, not the fake Jews (Rev.2:9; Rev.3:9) currently occupying the land of Israel. Then, it is addressed to the body of Christ and to all readers of The Fruit Factory. Lastly, it is also addressed to anyone who has ears to hear and desires to survive in the coming years.

YHWH was unequivocal in His utterances: no more delay, the end is here and for better or for worse, we will all have to give an account of what we did with what He said.

I—Opening

Thus says YHWH Elohim, whose throne is heaven :

'You will regret it.

Tell them, My daughter, that they will regret it. They will lament their laziness and self-righteousness.

'YOU WILL REGRET IT,' SAYS YHWH.

It is time for harvest! I have been saying it. You have been publishing my words diligently. They read it and they go about their lives like it was nothing.

They will regret their lack of attention.

They will regret not having taken these words seriously.

They will regret not having shared it with those around them.

When calamity strikes, from one day to another, they will remember what they had read. They will remember that I had warned them and they did nothing with the warning.

When I rise up to strike the earth by the rod of my judgment, they will regret it.

'I am the King of kings and the Lord of lords. I am YHWH, I change not. Besides me there is no other one and NO ONE CAN DELIVER OUT OF MY HAND.

I have purposed this harvest. I have stretched out My right hand over the earth, who shall annul it? Who can turn it back? Who will come to your rescue, O you inhabitants of the earth?

You have read it in your Bibles for years and you thought it would never come. I have been saying it for thousands of years and at last, I, YHWH, have risen up to take vengeance on My enemies.

I have been watching, patiently waiting for this moment and I will not go easy on you, O inhabitants of the earth.

The One who restraints and shields you shall shield you no more. Your demons and devils you worship and praise shall be the very ones that I will allow to devour you.

You, inhabitants of the earth, will regret it. You will regret having mocked Me, insulted the Messiah and disregarded My word. Even though My power is visible to all who have eyes and ears, you have denied it.

'YOU WILL REGRET IT,' SAYS YHWH.

They will all regret this. Some will be humble enough to finally accept they were wrong, whilst others will continue in their rebellion. None of it matters because when it is all said and done, every knee shall bow and tongue confess My glory, honour and power.'

II—The awakening of the supernatural

Thus says YHWH, who has the earth as His footstool:

'Behold, here comes the Lord of the Harvest! He has His sickle ready and is gathering the good produce in His barns.

I am ready to trample on the rotten grapes that have been filling My field and destroying My produce.

I will make mortals more rare than pure gold, human beings, than the gold of Ophir. Life on earth will never be the same.

I will lift my covering from you, O inhabitants of the earth, and Satan and his children will subdue, eat and destroy you. You will only have yourselves to blame.

Tell them that most of the world will die. There will be little to no humans left on earth. If it wasn't for the elect, there would be no one left at all.

The nations of the east that live by idolatry; there will be almost no one left over there. The earth will be laid bare of its inhabitants and everything will be left desolate.

They read this and think I, YHWH, open My mouth in vain—they will regret it.

Your lives will change from one moment to the next, like it was in the days of Noah when they were eating and drinking, marrying and giving in marriage and then SUDDENLY calamity struck them and there was no place to go.

It is time for harvest and I am gathering My people, those who I call by their names, whose names are written in the palm of My hand, and whose souls are the apple of My eyes. This day, I have put a seal on their foreheads and My angels will protect them whilst everyone else is destroyed.

I asked you to tell them about the coming war; they read it and went back to life as usual.

I asked you to tell them about everything incoming; they read it and threw it to the side, still preoccupied with what goes on on Facebook, TikTok and YouTube.

I asked you to tell them that the Nephilim and hybrids are coming, but no one is pounding at heaven's door in fervent prayer for protection against them. They think they can manage; they think they still have things under control, but they will regret it. They think these creatures are only found in fantasy books and they will regret it.

They think Gandalf, the elves, orcs, vampires, Naruto and One Piece are only in mangas, novels, and TV. They think they are only part of a fictional world until they see them with both their physical eyes, pressing their heads down and cooking their children to consume as food.

They think that they can manage, but they will regret it so bitterly that some will die of grief because of how much distress will overtake them. People's hearts will stop. They will have heart attacks and seizures of fear when their eyes see those creatures in real life.

People will drop dead when they open their doors to see aliens introduce themselves as their neighbours saying, "Hello, we just moved in next door."

I asked you to tell them that these creatures will cohabitate with you all on earth and will rule over you. They are just hiding now, but not for long anymore.

I asked you to tell them that giants are coming and will dominate over humans, just like in the days of Noah. They read it and discard it as a crazy woman's words on the internet. Those who take it seriously are too scared to be called crazy and share it with nobody.

Mark my words... You will all regret it.

When YHWH is against you, who can save you? Says the Lord.

Who can protect from My wrath?

'YOU WILL REGRET IT,' SAYS YHWH.

Who in the heavens and the earth can annul what I have proclaimed?'

III—Acceleration of end times calamity

Thus says YHWH, the Vinedresser;

Who cuts off every branch in us that bears no fruit, while every branch that does bear fruit He prunes so that it will be even more fruitful:

'The entire earth is going downhill from here. Your good days are over. What I announced would be coming in 2030 will come much earlier.

I told you that Satan has tampered with time, once in October 2024 and another time in February 2025. You read it and acted like you read nothing.

You will regret it.

I repeat, what I have announced was coming in 2030 will be here earlier and I have allowed it. The smell of filth and iniquity that is rising up from the earth is cluttering and poisoning the heavens. You, inhabitants of the earth have done enough. I have been patient enough.

Now comes the day of YHWH, when the earth will start getting a taste of My wrath. No country will be preserved. There will be no place to go or hide.

Only those who have received My seal, whose lives I own and govern over. Those who have picked up their crosses to follow Me and have given up their lives so that they can receive true life, shall endure and be saved.

Read Isaiah 24. The time for that is here.

Read Matthew 24. The time for that is here.

Read Revelation 6-14. The time for that is here.

If you want, you can read this and go about your life as if nothing happened once more, but I tell you that you will regret it.

I gave instructions about how to prepare provisions for the coming days of war and economic depression. They read it and acted as if they read nothing, everyone

'YOU WILL REGRET IT,' SAYS YHWH.

going on with their lives—too distracted by the clown shows on the internet. These people are playing with Me and with My word, Elvira. They are playing with these prophecies.

Tell them that I, YHWH, say this: they will regret not having taken this seriously enough to act on My words and instructions.

They will regret this, My daughter. I know it and can see it as clearly as you can see your computer screen as you type this right now. I am seeing it as clearly as they are currently reading this on their electronic devices.

They will bite their fingers, cry and wish they could turn back hands of time but it will be too late. When they will be sitting with no food or water for days on end. No electricity. They will think back at the fact that I had warned them and regret it.

Despite My publishing this very prophecy about their coming regret, they will still read this and not practise what I have been asking them. Blind and deaf, that's what these people are.'

IV—The earth is ripe for separation

Thus says YHWH Elohim, the Everlasting Father:

'The harvest is ripe. The angels have taken their posts as I speak these words to you.

Now, this day: June 27, 2025. I shall begin to thrust my sickle and harvest the earth. The time for the separation of the wheat from the tears is here—not coming, but here this day right now.

All those who have read, heard, and seen but failed to hear will regret it.

In these days, the gospel of the Kingdom in Yahshua the Messiah will be preached to the ends of the world and whoever enters the Kingdom now shall only do so in great pain and suffering.

'YOU WILL REGRET IT,' SAYS YHWH.

The good days of the earth are over. The days of mankind's dominion over the earth are done. There is no running away from it. There is no more delaying it. I have delayed, a long time I have delayed.

No more.

Any self-proclaimed prophet in the church who is telling you anything else is lying to you. There is no peace coming. No wealth transfer. No prosperity. Those days are over.

As of this day that I speak to you, IT IS OVER.

No one else but those who have given up their lives so that they can receive true life will see peace and be taken care of by Me.

It is in these days that the light of the Gospel will shine brighter than it ever has through My witnesses. It is in these days, that My Israel—not the fake Jews committing genocide right now, will shine as My witnesses to the earth.

It is now that it will become clear who is truly with Me and who is against Me. There will be no more mixing up.

The church as you know it will die, for it was no true church. You will be shocked to see people with whom you have been going to church since childhood suddenly choose the broad path that leads to death.

It will be brutal and I, YHWH, will take full credit for My works. My name shall be trampled no more. The Messiah shall be mocked no more.'

V—We are entering the days of Noah

Thus says YHWH Elohim, the Everlasting Father:

'Understand that the reason why the earth will be making pilgrimages to My holy restored Israel, YHWH-Shammah—the restored Jerusalem, as you have read it prophesied by Isaiah is because life everywhere else on earth will be utter devastation and desolation.

'YOU WILL REGRET IT,' SAYS YHWH.

When Messiah said 'It will be like in the days of Noah', you did read it but without understanding. The wickedness of the days of Noah caused Me to wipe the earth clean.

I have made a covenant with mankind since not to do that again; for that reason have I formed the Ecclesia and chosen true Israel, a holy nation and a kingdom of priests unto Myself. They are the only people who will stay on their feet; everything else will be destroyed. If you are part of neither one, you will not survive what the world is about to go through.

The world will be at two extremes: the devil and his ways on one side, My word and My ways on the other—nothing in the middle. The one with the devil will reap what he gives: death, plunder and destruction. The one with Me will reap what I give: eternal life in Christ and mercy and grace that endures forever.

When Messiah said 'It will be like in the days of Noah', also understand that the special grace of Noah, who was the only righteous man on the earth in those days will be afforded to those who have the righteousness of the Messiah today.

Also understand other subtleties, like the fact that people lived long in the days of Noah, those kinds of long lives shall return in these end days, but they will only be reserved for those who have My special grace upon them.

The Messiah's return is at hand. I will come to you like a thief at night, destroying iniquity and evil with the breath of His mouth.

If you read this and push it aside like any other thing you read on the internet, I, YHWH guarantee that you will regret it.'

VI—The end times eruption of the Gospel in the East

**Thus says YHWH Elohim, who made it, YHWH who formed it to establish it. His name
is YHWH:**

'Many people are giving their lives to the Messiah right now, especially in Asia but they are silent about it because of the persecution of Christianity in those countries.

When the time for the worldwide persecution of believers comes, the West will be shocked at the amount of true believers in Christ that will be revealed amongst countries and cultures in the East. They are currently building up their faith and courage in the secret place and when the time will come for the light and the salt to be experienced by the world, their light will shine the brightest.

In these end times, you will find the hottest most boiling Christians not in America or Europe, that have had Christianity for 2 millennia, but in the East.

Mark My words. I YHWH know. There is nothing that goes into the world outside of My sight.

The most powerful end times soldiers of the faith will arise from the EAST! If you think you've seen radical faith in Islam, you've seen nothing yet.

My, My!

The Lord's heart rejoices. The Easterners will blind the world with the light of the Gospel. These guys will display signs and wonders that the Earth has not seen yet;

When Messiah said, 'Greater things shall you do than these,' you are all about to see those greater things.

YHWH jubilates at the rise of faith that is as hot as melted iron. The people from the East will blow your mind. All of you reading this now. All of you in the Americas, Europe, Australia, Africa, and the like. All you hypocritical feeble Christians who cannot stand for anything. You roll over in the face of adversity. Social media influences you more than My living word.

The great apostasy will be all over the Occident. Shame on you, I will spit you out of My mouth.

'YOU WILL REGRET IT,' SAYS YHWH.

Many will say to me on that day, "Lord, Lord, did we not prophesy in your name and in your name drive out demons and in your name perform many miracles?" Then I will tell them plainly, "I never knew you. Away from me, you evildoers!"

You are full of empty doctrines that carry no power because you have rejected the truth to follow Satan's agenda. Your itchy ears will hear the true Gospel proclaimed by people and nations you would have never imagined in your life, and those itchy ears will still prefer to go after Satan's version of Christianity.

The West is already wasted and completely overtaken by devil worship. I have given them over to their own flesh. I have removed the Restrainer, the Holy Spirit, from their midst.

After the Easterners see the light, they will come up with things that you only read about in the New Testament; the church like in the book of Acts. That is how raw their faith will be.

It is Asia that will shine like the brightest star with the hot, sharp, piercing truth of My word. The power you will see in those Middle-Eastern people will be unheard of. In the Philipinos and Tawainese, the Afghans, and the Japanese. What you will see come out of the Singaporeans, the Koreans, and all these countries in the East will be beyond what the dormant western church has done so far.

And then when true Israel is regathered?

My, My!

The Lord's heart rejoices!

Reverance for My name shall return to the earth. At the mention of the name of Yahshua—YHWH saves, those knees will bow, they *must* whether they want to or not.

My daughter, eyes have not seen, ears have not heard... It will be **POWER**.

See, I am carving out for Myself a people who will be untouchable. The whole world will have no choice but to wonder. After the persecution is over, I will lift My

'YOU WILL REGRET IT,' SAYS YHWH.

servants who endured and didn't deny me and honour them. They will live in a different league altogether from the rest of the world.

People are too focused on America and the mainstream media's focus on what happens in the West. America is Mystery Babylon. The beast will have his 5 seconds and fame and be rid of after his time has passed. She will sink under the sea and a few years after she will be like a little dot in the history of the world, who came and left without doing anything meaningful for mankind. They chose to sell their nation to the devil himself, the dragon. They shall reap what they sowed. Revelation 18 and 19.

Most of Europe will be subject to Russia and China. Africa will almost entirely be overtaken by them too.

This whole thing began in the east and it is there that it will end.

Read your bibles.

I repeat, the story began in the East, the Garden of Eden; and it will end in the East.'

VII—YHWH's rejection of the West's pagan societies

Thus says YHWH, the Holy One of Israel who reigns from everlasting to everlasting:

'Turn your interests towards the East in these end times, that's where real things are happening. Do not be distracted by America's arrogance and conceit. By the Jew's manipulation of the media and their illusions and lies. Know that the West serves the dragon; America belongs to the synagogue of Satan.

They are all on the same timeline, and that's why they are all enabling each other to pass laws that benefit the beast and his one-government kingdom. I told you this guy is already in power and already governs most of your nations, he is only prepping the world for his final revelation.

I will ask countries of the West what they did with 2000 years of My word and it will be crickets. They founded that pagan religion called Catholicism used it to shed

'YOU WILL REGRET IT,' SAYS YHWH.

innocent blood and introduced the beast's one-world religion. That's what they managed to do.

They turned My temples into filthy lies and a den of thieves—America! Preaching another Jesus, doctrines of devils and deceiving the masses, bringing them right along with them to hell.

They transformed My statutes into myths and My holy celebrations into events to bow to bunnies and run after eggs. The West is a pagan society through and through, this is no revelation or prophecy. All one needs to do is look at the news and the laws these governments pass.

What the West at large did was sell their people, countries and economies to Satan. Therefore, I, El-Shaddai, have spit them out of My mouth. I DO NOT KNOW THEM. I am done with you all. Africa, don't even get me started with you—a lost cause.

The first shall be the last and the last shall be the first.

Things will be flipped on their heads. Those who have dominated for most of the last 2000 years and called themselves Christian nations shall become the heathens, whilst those who were the heathens shall become the believers.

Those who are true believers in the west shall be gathered and brought to My holy nation with My Israel, they will dwell on My holy mountain in YHWH-Shammah—the restored Jerusalem, as it was prophesied.

The first shall be the last and the last shall be the first.

It began in the East and will end in the East.

He who has ears to hear, let him hear.

I, YHWH Elohim have spoken. My word will never return to Me void.'

You have heard the word of YHWH.

'YOU WILL REGRET IT,' SAYS YHWH.

'All the trees of the forest will know that I the Lord bring down the tall tree and make the low tree grow tall. I dry up the green tree and make the dry tree flourish.' —Ezekiel 17:24

'And the name of the city from that time on will be: YHWH-Shammah (the Lord is there).' —Ezekiel

48:35b

I will end with a few lyrics of the song that accompanied me throughout the reception and transcription of this prophecy and pray that it stirs up the Holy Spirit inside you as it did in me today.

Take all I have, It's all Yours anyway

I know it's not much, but God it's my everything

I pour my oil on You, I pour my oil on You

Doesn't matter the cost, Jesus You're worthy

Of every last drop, here is my offering

I pour my oil on You, I pour my oil on You.
