THERE WILL BE A SHOWDOWN

PROCLAMATION

On the evening of Sep. 27, 2025, I was exhausted after spending about 12 hours doing scribal and archival work on YHWH's proclamations. As I was preparing dinner, I heard YHWH say, 'There will be a showdown.' Then I started receiving information in my spirit about Israel's second exodus and the man that YHWH has called 'The Moses of this generation' in the past.

'A showdown like with Moses and Pharaoh?' I thought. Yes, indeed. YHWH began to explain these impressions of my heart to me, giving me more information about this man's origin and future with true Israel.

A few moments later, I was eating when YHWH said, 'I want you to transcribe the proclamation tonight. There will be a showdown.' I could only obey, but also wondered what the quality of my transcription would be like because of how tired I was by then, but I opened my text editor and made a few notes about the highlights of the prophecy.

By the time I finished dinner and did my evening prayer, it was almost 11 pm. Thankfully, YHWH had mercy on my soul and told me I could go to sleep.

The next morning, I was up early. 'There will be a showdown,' the Father said again, during my morning prayer. I understood that the matter was pressing. Then, at 6 am sharp, He ordered me to go to my desk and transcribe the prophecy. So, here we go.

The Moses Of This Generation

'And the Lord said to Moses, "When you go back to Egypt, see that you perform before Pharaoh all the wonders that I have put in your power, but I will harden his heart, so that he will not let the people go. Then you shall say to Pharaoh, 'Thus says the Lord: Israel is my firstborn son. I said to you, "Let my son go that he may serve me." But you refused to let him go; now I will kill your firstborn son.' " ' —Exodus 4:21-23.

Thus says YHWH Elohim:

THERE WILL BE A SHOWDOWN

'I have anointed the man who will lead Israel through her second exodus from the nations around the world.

This is a young man from the tribe of Judah who lives in the United Kingdom.

Like Moses, he was raised by the very people who were primarily responsible for his people's oppression. He was raised in a household of fake Jews, a very prominent aristocratic family in the UK. They are not public people, so do not think you can find out about them online.

What you all do not know is that the true people who control this world are not visible. They operate from the shadows. This family is very influential; they control the royal family of the United Kingdom and have been instrumental in the ascent of America as a global power.

They adopted him, like Pharaoh's daughter adopted Moses. Brought him up, like Pharaoh's daughter brought up Moses. The fake Jews, who are the synagogue of Satan, could not have imagined that of all people, this young man would turn on them. But just like Moses, when it was time for him to take hold of his purpose and fulfil his destiny, this young man turned on them and chose His people instead.

I am building him up in the secret place right now. And when his time comes, soon, he will march down to the United States of America and will demand that they let My people go.

Like Moses, he will come with exceeding power and the capacity to perform mighty miracles, signs and wonders; and like Pharaoh, the American king and his wise men and sorcerers will think that they can put up a fight and surpass him. But what they will fail to understand because of their arrogance is that it is not his power, but Mine. And when YHWH is against you, who can deliver you out of My hand?

Tell them, Elvira, that there will be a showdown. The Kingdom of Light vs the Kingdom of Darkness, and the whole world will watch in awe.'

THERE WILL BE A SHOWDOWN

The Babylonian and Egyptian spirit

‘Then one of the seven angels who had the seven bowls came and said to me, “Come, I will show you the judgment of the great whore who is seated on many waters, with whom the kings of the earth have engaged in sexual immorality and with the wine of whose prostitution the inhabitants of the earth have become drunk.” So he carried me away in the spirit into a wilderness, and I saw a woman sitting on a scarlet beast that was full of blasphemous names, and it had seven heads and ten horns. The woman was clothed in purple and scarlet and adorned with gold and jewels and pearls, holding in her hand a golden cup full of abominations and the impurities of her prostitution, and on her forehead was written a name, a mystery: “Babylon the great, mother of whores and of earth’s abominations.” And I saw that the woman was drunk with the blood of the saints and the blood of the witnesses to Jesus. When I saw her, I was greatly amazed.’ —Revelation 17:1-6.

Thus says YHWH:

‘If you think Egypt was evil, know that America, which embodies both spiritual Babylon and Egypt, is six times worse. Whatever you think the Egyptians made My people suffer, America did sixfold. Therefore, I will not let America go unpunished for that. I will show her that she picked a fight with the wrong one.

Tell them, Elvira, that America will suffer the ten plagues of Egypt, two times over.

The problem with the Babylonians is their haughtiness. That same spirit that got into people’s heads to build the Tower of Babel to reach heaven, intending to carry their graven images and idols to place them in heaven, is the same spirit that is America. It is a Babylonian thing.

It is the same spirit that caused Nebuchadnezzar to build a golden image of himself and force the whole world to worship it. It is the same that will cause the first and the second beasts of Revelation 13, who will be in America, to cause the whole world to worship the image of the beast and to give everyone on earth the mark of his name or the number of his name. The name Babylon comes from ‘Babel’. It’s the same spirit; an ancient principality. It never left the world. It was in Babel before the flood, then in Babylon and Egypt, and it is in

THERE WILL BE A SHOWDOWN

America now. It has been in other nations and cities all around the world, but not nearly as empowered as it is in America right now. This is end times prophecy unfolding before your eyes.

The American spirit has become one with this Babylonian spirit. It is why everything in America is turned into an idol, from ordinary people who create social media posts and are catapulted to fame, to politicians and celebrities, who are venerated like gods and saviours. The Babylonian spirit is the spirit of, first, idolatry and harlotry, then pride, and finally rebellion and cruelty.

America is Babylon, but she is six times worse than Babylon. The evil that America has done in My sight, and is yet to do, is worse than anything any nation or kingdom has ever done on earth. The only human civilisation that comes close to them is the one that existed before the flood, but America will eventually surpass them.'

Stupendous power through true salvation in Christ

'The Lord said to Moses, "See, I have made you like God to Pharaoh, and your brother Aaron shall be your prophet. You shall speak all that I command you, and your brother Aaron shall tell Pharaoh to let the Israelites go out of his land. But I will harden Pharaoh's heart, and I will multiply My signs and wonders in the land of Egypt. When Pharaoh does not listen to you, I will lay My hand upon Egypt and bring My people the Israelites, company by company, out of the land of Egypt by great acts of judgment. The Egyptians shall know that I am the Lord when I stretch out My hand against Egypt and bring the Israelites out from among them.'"—Exodus 7:1-5.

Thus says YHWH Elohim:

'The gods of Babylon are in America. The gods of Egypt are in America. Egypt and Babylon have the same spirit and so does America. But because America is so much worse than both, I will have to show them that there is a God in heaven who rules over the affairs of men. The ten plagues of Egypt, two times over.

THERE WILL BE A SHOWDOWN

It is when the second wave of the death of the firstborn of the American people will overtake the land that the people will harass their leader to let My people go, beyond what he can control. He and his team of sorcerers will also be worn out by the incessant calamity.

Even the sorcerers will plead for My Israel to be released. Even the fallen ones, who rule over America, will lose their firstborns. Yes, they have children; read your Bibles. After losing them twice, they will have no choice but to release my people, for fear of having to endure another round of loss; especially because their firstborn are their priciest, most well-trained soldiers in evil. They will not want to lose their investments.

There will be a showdown of power in America, and it is through that showdown that My people will be brought out of the land.

Judah must go first, before the other tribes are regathered. After that, not a soul on earth will dare to withhold the release of My people from their land, but Judah must go first.

Like Moses, My servant anointed for the exodus, received the best education from the king's house, and knows all the ways of the fake Jews; those who say they are Jews but are not; they are the Synagogue of Satan; those who currently occupy the land of Israel, and who I will drive out of My land; the Ashkenazi Jews; the cultural thieves and imposters.

This man I have anointed, He knows them all inside out, so it will not be difficult for him to anticipate their decisions and actions, but they know nothing about him because the young boy they raised was never going to become the man they had hoped for. I have disrupted their grooming inside him and restored him to the identity he was supposed to have in the beginning.

Through the salvation that is given freely to you in Christ, you too can go through that personality rewiring, to be restored to the Messiah's image, who put on flesh to fulfil that very purpose in you.

In fact, this rewiring is the very process of sanctification and the renewal of the mind that My word teaches, and those changes inside you are the first indicators that you truly accepted the Messiah as Lord and Saviour. But many of you do not lean into that process enough. If you allow Me to work inside you, you will be in awe when the person you are truly supposed to be is revealed through your sanctification process.

THERE WILL BE A SHOWDOWN

Like Moses was renewed during the time he went into exile, this young man is being renewed right now, after also having left his family.'

Judgment of the United Kingdom

Thus says YHWH Elohim:

'You must also know that everything America is was transferred to her from the UK. The original evil of Babylon and all its idols were in the United Kingdom, and all their doctrines, idols and demonic practices were carried into America when they separated. That evil is still in the United Kingdom; that is why I will destroy them.

When I am done with the UK, it will be like Venezuela is today, and they will never get back on their feet. The monarchy and aristocracy will be destroyed. The fake Jews who run that nation will be exposed and put to death. All of the leadership of the UK will be disgraced.

Only a few will turn to Me in repentance before their downfall, and for those who do, I will preserve them in My mercy. The reason why it will only be a few is that the wickedness of those people has been going on for so long that they think they are untouchable.

Repentance requires being able to be convicted, conviction requires humility to open your heart up to the Holy Spirit and allow Him to point out the darkness inside of you. But when people consider darkness as light and light as darkness, then none of that can happen.

The English people will go down right along with their leaders because of the ease with which they have supported their leaders' wickedness over the centuries. I have given them so much time to repent, but instead, they continue to worship these people like gods. The idolatry of the royal family in the UK will be its downfall. Their dry hearts and cruelty against other people they deem inferior to them will not go unpunished.

There will be a showdown. Tell them, Elvira, that I, YHWH Elohim, will show the world that when I say something, I mean it.

I, YHWH Elohim, have spoken, and not a word that has come out of My mouth shall fall to the ground.'

THERE WILL BE A SHOWDOWN

‘The LORD descended in the cloud and stood with him there and proclaimed the name, “YHWH”. The Lord passed before him and proclaimed, “The LORD, the LORD, a God merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness,” — Exodus 34:5-6.

If you are of true Israel and you read this proclamation, it is something positive for us. YHWH will fight on our behalf; there will be a showdown, and we will be released in a mighty and powerful move of the God of our fathers, the Almighty Holy One of Israel. We give him all the glory!

YHWH also wants us to prepare for this in a spiritually and emotionally mature way. He wants us to picture what it is like to be surrounded by suffering everywhere you look, and to prepare ourselves to understand that type of situation with wisdom that is from above.

The truth is that no matter what the afflicted did, if you are a human being with a normal level of compassion, having to be a witness to death and suffering at such a large scale, including the old and young, will get to your soul.

Moreover, trust that social media will be ready to blast it all over the place. We will see these ten plagues x2 on a loop, over and over and over again. Whilst a portion of the world will be amazed at this kind of display of power, the majority will unanimously develop an acute hate and fear for us and our God even more.

However, you must know that with all the compassion that we may have, YHWH has more compassion than all human compassion combined. YHWH does not like to afflict people; He finds no joy in it. But He is also a righteous God; He is a just Judge, and as the Just Judge, He must balance the scales. He cannot overlook rampant lawlessness to go unpunished.

The Bible says this: ‘As I live, says the Lord God, I have no pleasure in the death of the wicked, but rather that the wicked turn from his way and live.’ That’s why He gives a lot of time, more time than we deserve, for repentance.

Jeremiah prophesied the invasion of Jerusalem to Israel, not for 40 days or months, but for 40 YEARS. Take a moment to think about it; that’s how long YHWH gave the people to

THERE WILL BE A SHOWDOWN

turn away from their wickedness (that had already been going on for several decades), and they didn't.

YHWH started sending prophets to warn America of her judgment if she did not repent in the early 1900s. So it's been about 100 years of warning. YHWH gave these people ample opportunity to release their grip on His people, but they have continually, under the supervision of the Synagogue of Satan, abused, degraded and berated the people of Judah.

The world has never seen the kind of suffering that the black people who were carried off on ships to America have suffered. Let's just take the death toll from the journey alone (50 to 60 million), without the cruel deaths during the slavery itself, which is larger than anything we've ever lived through in the history of mankind.

The synagogue of Satan has done such an excellent job of altering history that future generations will never know that this slave trade was the worst human-inflicted atrocity in the history of the human race. Yes, Judah was under punishment from YHWH, but the oppressors decided to walk far beyond the limits of what YHWH had set, and for that, they will pay.

'For the judgment you give will be the judgment you get, and the measure you give will be the measure you get.' —Matthew 7:2.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
