## PROCLAMATION

‘And you will be hated by all because of My name. But the one who endures to the end will be saved.’ —Mark 13:13

In this dream, the Lord brought me through a vivid experience of humanity’s close future. But the details of this kind of treatment will be specific to those who love Yahshua, Jesus Christ, and genuinely follow Him.

I saw myself in a home, lying in bed on a good morning, when creatures that were a mix of robots and monsters suddenly appeared at my bedroom window unannounced, suspended in the air.

These beings were terribly frightening. Some of them were clearly foreign demonic entities that had somehow made their way into our reality. They spoke through an artificial voice transmitter that was tuned to this deep ‘Darth Vader’ villain voice that we hear in movies all the time.

‘Step outside now. You are under arrest,’ they said.

‘Why am I under arrest?’ I asked.

They didn’t answer me. But in my heart, I knew why. I knew that this day would come sooner or later, the day that I would be arrested for the simple fact that I was a disciple of Christ. My crime was my faith.

Now...

I have to preface this next part of the dream with a disclaimer. As I watched the dream unfold, I was baffled at what was happening. After waking up, I was trying to figure out if this was just symbolism, and if so, how to interpret it, but YHWH cut me off right there and said, ‘It is no symbolism. What I showed you WILL happen to people, and it is exactly how I will get them out of there.’

Back to the dream...

## 2030: THE YEAR OF NO RETURN

As that creature was speaking, I was inwardly figuring out how far my gun was from the bed. I was calculating routes to the gun and ways to get out of the room. ‘How can I pull this off without being instantly killed?’ I thought.

Then something clicked in my head. When I say ‘something’, I mean the Holy Spirit kicked in—and took over.

Before they had finished speaking, I rolled out of bed and fell on the floor. I stretched my arm under the bed and found the gun taped to the slats, ripped it off, aimed and shot.

The gun was small, light, and malleable, but boy was it powerful. It pierced through that robot and set it on fire. They immediately started shooting back, breaking my windows as they made way into the bedroom.

I raced out of there like lightning—and they followed. I was shooting, taking cover, shooting, running away, then shooting some more.

Suddenly, the scene split into two parts, with one view shifting to the ground floor and the other staying upstairs with me. I could now watch what was happening in these two places simultaneously.

A few moments earlier...

On the ground floor, as soon as my husband heard the first gunshot, he took the children and rushed them into a hidden spot we had dug underground. He told them to stay quiet and not come out unless one of us came to get them. It was clear that they had been prepped by their parent for such a scenario before because they obeyed without a flinch.

Once the little ones were safely tucked away, he sprinted to his gun and made his way to me, where I had been running away from our attackers. But as soon as he began to climb the staircases, he was hit by a bullet. The bullet was not to kill, but to sedate him.

It is here that I realised that the whole operation had not even been to kill me, but to take him away. It had been a hostage situation from the beginning.

They had scanned the house from outside and identified where each of us was and decided to attack me first, so that they could neutralise and capture him downstairs.

Before I could make it downstairs, they had put him to sleep and carried him away.

## 2030: THE YEAR OF NO RETURN

The dream cut to the middle of the street, with me clinging to the car that was driving away with him—at high speed. I took hold of the roof and pulled it off with my bare hands. I broke the robot that had been watching over him and flung it away.

Then the dream made another jump to a new location. It was a sort of safe house that we had prepared for such scenarios. He was lying on the couch with an IV in his arm, convalescent.

After I made sure that he was comfortable and recuperating well, I took out my computer to write a memorandum to the Church. It was supposed to go out in different languages to thousands of churches all around the world.

In this memorandum, I gave clear instructions on how to detect hybrid creatures and root them out of the churches because, as we found out with that incident, they had successfully they have infiltrated themselves in our midst and even assumed places of leadership.

I listed out the different criteria we must look for to select or appoint a leader in the church for the times, so that we can keep these monsters from having power in the Church.

I also spoke about what we must do to run spiritual background checks on them with prayer, and the importance of waiting for the green light and instructions from the Holy Spirit before making any decisions.

The memo was going to be transferred in a mode of communication that was not common or known to the rest of the system. It was clear that these were underground coms that we, the Church, had found a way to set up in order not to get uncovered by the powers that be.

The screen went back, before these 2 Scriptures appeared:

- Psalm 27:7 and
- Psalm 34:1.

This is where the dream ended.

YHWH told me that these two scriptures are the two themes of what the Christian must do in preparation for the times he showed in this dream.

**Thus says YHWH Elohim:**

## 2030: THE YEAR OF NO RETURN

‘2030 is the year of no return.

2030 is the year that the beast will make himself known by his actions.

2030 is the year that whatever you know of this earth will vanish. The way you are used to eating, to purchasing, to going to school, to working, to going out for your daily walks or spending time with your family. It will all be flipped on its head.

Satan has been preparing for this precise date of 2030 for about 300 years now. He is very impatient right now and can barely keep his composure any longer.

2030 is the year that you will begin to see non-human beings uncover themselves and get out of their hiding places in massive amounts all around the world.

2030 is the year that you will begin to see your governments throw decency, freedom and democracy out the window to give way to beast policies.

2030 is the year when Revelation 13 will begin to properly take form and the persecution of Christians will move out of the shadows and into broad daylight.

Wail! Oh, My children, wail bitterly, for life is about to turn extremely sour for you.

When you see 2030, know that the times of open Christian persecution have begun. You will be persecuted, captured and killed by the beast and his system. Yes, it is 2030, the year for this to actively begin.

It is the year that Barack Obama's witchcraft and seduction are going to overcome the whole earth, and only the ones who have the mind of Christ will be preserved.

2030 is when all economies will take an official downturn, and money will not be what you know it to be today.

2030 is when your healthcare providers will stop pretending that they care about you or your health.

2030 is when sin and lawlessness will reach levels that you have never seen before. The legalisation of things that you think about now and would vomit will be legal in a vast majority of the earth. These are laws on sexuality, crime, employment and the job market, banking and finance, housing and private property.

2030 is the year that you will begin to see hybrids of human and werewolves or half-human and vampires, or half-human and half-fish, mermaids and man-serpents, walking

## 2030: THE YEAR OF NO RETURN

about without hiding themselves any longer. It will begin sparingly, but then will rapidly increase in intensity.

2030 is the year that robots and AI will begin to rule over you and be integrated into your daily lives in an overwhelming way in many countries.

They will be law enforcement in some places and will become your cashiers in others. They will be security guards in some public places and will tell you if you can sit in a park or not in others.

Behold, everything will change suddenly!

I know this sounds like it is too much to be happening at once in just a few years from now, but listen to me when I speak and tell you that 2030 will completely wipe out life as you know it.

By the end of 2030, the life you are living right now will be a very distant memory that you will only reminisce about amongst yourselves and call "in those days."

Listen to me when I speak, and prepare yourselves for what is to come now.

Preparation is by prayer, fasting and meditating on the word.

Come to Me in prayer and fasting and ask Me what should be done. What you should do to prepare yourself specifically. How you must pray to obtain grace and mercy to make it out alive. How will you be able to continue to feed yourselves and your families outside the beast?

2030 is the year of no return.

I, YHWH Elohim, have spoken; take heed of My words and do not despise prophecy, for this is My act of love to you. This will happen.

It has been prophesied, it is sealed, and My word will not return to Me void.'

### **Dream interpretation**

It is clear that the future beast government will find a certain usefulness with the men, which will cause them to plan kidnappings. They will do it without prior notice, capturing them like they did the man in this dream, and you will never see them again.

## 2030: THE YEAR OF NO RETURN

They have an alternative purpose for our husbands, sons and brothers in their system. This purpose was not revealed here, but the Lord is exposing that the male is under attack by the devil, especially the male in the Church and true Israel.

When YHWH says in His word that the man is the head, women think that it is a malfunction, an injustice, or that they deserve it more. Yet, Satan is aware and clearly plans to make use of that principle for his own benefit. Satan knows the truth; he just chooses to corrupt it. Do not be deceived.

The Lord is also showing here that He will intervene in such situations by divinely adorning His people [even women who are physically weaker than men], with supernatural strength and stealth for the family and the Church to be preserved.

For us to experience such divine intervention, we must take His prophetic insight seriously and develop the faith and discipline to work out our salvation with fear and trembling, living lives that are set apart for Christ—without compromise.

Aside from unannounced and unlawful arrests, kidnappings and executions of Christians like those being done in this home, this new reality includes the dominance of robots, AI and the visible physical presence of demonic creatures.

Moreover, there are non-human beings currently sitting in Church leadership all around the world. This point cannot be overlooked! Some people appear to be human, but are mixed with demonic DNA from the fallen angels and other beasts of the earth; they are not only hidden amongst us in our daily lives, but they also sit at the head of churches.

The dream alludes to the fact that these beings will be behind the arrests and persecutions of true disciples of Christ by feeding crucial information to the beast. That's why the first thing that I was driven to do, once things had calmed down, was write to the churches about leadership, because it was, in fact, a hybrid church leader that was behind our attack.

My advice is that you start investigating your church leaders and circles right now, asking the Holy Spirit to reveal to you who is real and who is not.

This will happen from 2030 moving forward, says YHWH. It will be sudden! It will show up without us noticing it, whilst we are lying in bed, having a good morning. It will also

## 2030: THE YEAR OF NO RETURN

not be limited to a certain place or location on earth because the beast will rule over all peoples and nations.

‘Hear, O Lord, when I cry aloud; be gracious to me and answer me!’ —Psalm 27:7.

According to Psalm 27:7, we must double down on our supplications to YHWH for His grace and answer to prayer. Some of the things we should focus on are:

- To be cleansed of our sins, iniquity, demonic influences and afflictions.
- To be permanently free from the bondage of sin, for sin is what keeps a permanent gap between us and God.
- To be fortified in spirit to withstand the weight of the truth in these prophetic proclamations and the reality of the future that awaits us.
- To receive divine knowledge, wisdom and understanding to develop the appropriate godly character and spiritual discipline for these times.
- To be delivered from unbelief, the carnal mind, and the flesh-led life instead of the spirit-led life.

‘I will bless the Lord at all times; his praise shall continually be in my mouth.’ —Psalm 34:1

According to Psalm 34:1, we must double down on worship and thanksgiving. It is important to note that real worship in spirit and truth:

- Invites God’s presence in our lives, for He dwells in the praises of His people.
- Gives YHWH His rightful exalted seat in our hearts, which is the environment in which He does His best work.
- Is a sacrifice that is pleasing to Him. Sacrifice is what gives power to the believer’s prayer altar. Sacrifice adds weight to our prayers and petitions; that’s why fasting (also a sacrifice) works so well; worship is the same. We must practice godly sacrifice to make it in these times.

## 2030: THE YEAR OF NO RETURN

### **The priority of worship in intimacy with YHWH**

When was the last time you prayed to God simply to tell Him, 'Father, you are my first love, my only true love,' and didn't say please protect me, favour me, bless me, help me with this or that, and whatever else at the end but simply said, 'Father I love you and I honour you, receive my thanksgiving and praise, my first love?'

Have you ever taken fasts of worship and thanksgiving to YHWH Elohim? Taking 1, 3 or 10 days of fasting, not to ask something from God but to simply thank Him and worship Him for who He is and the mighty works of His hands?

I dare you to do it. Try it. I dare you.

What touches God's heart is to see people come to Him as little children to sincerely seek His heart, and desire to please Him simply because they love Him and He is their Father. There is no better way to seek God's heart and get to know the real Him than true worship in spirit and truth.

The mature Christian knows that it is such things that touch YHWH's heart. When Yah sees people who are about Him and Him only, it touches Him differently. People who live their lives for His sake, sacrificing themselves daily to please Him simply because... He is God, and so shockingly rare. That is because to love Him to this extent, one must know Him intimately, as a friend, and that is even rarer.

That is why God loved David the way He did and chose him to be the one from whose line the Messiah would come, for 'David was a man after God's own heart' (1 Sam 13:14). And what does our Bible show and tell us that David did more than anything else in His relationship with God? That's right, worship.

It is time to grow up out of your Christianity 101, 'once saved, always saved'; 'Only God can judge me'; 'Speaking in tongues, prophesying, and other spiritual gifts are dead today'; 'You cannot hear God speak to you,' and all the other unfruitful doctrines plaguing the Church today.

And please, for the love of our Father in heaven, Catholics, get away from your Mary [that God does not know] and her saints! It is time to let her go; she is sending you to hell! Focus on the Messiah, Jesus Christ, and no one else.

## 2030: THE YEAR OF NO RETURN

Seriously, any spiritual nonsense is going to cost you your life. You cannot afford to be in dead and demonic doctrines, not today and definitely not in 2030! There is no more time for baby milk; it is only that rock-solid adult spiritual food that will prepare you.

‘It was granted to him to make war with the saints and to overcome them. And authority was given him over every tribe, tongue, and nation. All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb slain from the foundation of the world. If anyone has an ear, let him hear. He who leads into captivity shall go into captivity; he who kills with the sword must be killed with the sword. Here is the patience and the faith of the saints.’ — Revelation 13: 7-10.

He who has ears, let him hear.

Look, I’m not even gonna lie: This dream made me want to get a special kind of gym subscription that finds a way to get you to actually go to the gym. You know, just in case. Because if I end up being one of the people who experience this kind of violent altercation, it would drastically increase my odds of not breaking my bones or losing an arm in the process.

I just want to give the Father something good to work with, you know?

### By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
