## PROCLAMATION

Once upon a time, there was a man who was minding his business and going about his day when he heard an audible Voice say to him: 'Before I formed you in the womb I knew you; Before you were born I sanctified you; I ordained you a prophet to the nations.' - Jeremiah 1:5. Then the man answered, 'Ah, Lord God ! Behold, I cannot speak, for I am a youth.' —Jeremiah 1:6.

But that Voice insisted and replied, 'Do not say, "I am a youth," For you shall go to all to whom I send you, And whatever I command you, you shall speak. Do not be afraid of their faces, For I am with you to deliver you.' —Jeremiah 1:7-8.

And it did not end there, this man now had a physical encounter with this Voice, and it was not just a Voice he heard any longer, but a HAND that came forth and touched his mouth, adding, 'Behold, I have put My words in your mouth. See, I have this day set you over the nations and over the kingdoms, To root out and to pull down, To destroy and to throw down, To build and to plant.' —Jeremiah 1:9-10.

After this, the young man's eyes suddenly opened and he had his very first prophetic vision that simultaneously acted as his assignment to the nation of Israel as an elected prophet of God. This young man's name was Jeremiah and that Voice was YHWH's voice, the Lord of hosts.

This story is the story of a true prophetic call.

There are similar stories in the bible that were recorded for us to know and see how Yah calls His prophets. Samuel is also an example of someone who heard a similar Voice. Ezekiel had a full-blown vision of God's appearance with whirlwinds, noise of armies, burning fires, four-headed winged creatures, and more. Moses on the other hand, had a direct flames-of-fire-in-the-bush encounter with the Lord, and not just hearing a voice or having a vision.

Even someone like Elisha, he did not get the prophetic mantle because of Isaiah's will or action. It was YHWH Elohim who asked Isaiah anoint him.

## THE CALL

‘The Lord said to him, “Go back the way you came, and go to the Desert of Damascus. When you get there, anoint Hazael king over Aram. Also, anoint Jehu son of Nimshi king over Israel, and anoint Elisha son of Shaphat from Abel Meholah to succeed you as prophet.’  
—1 Kings 19:15-16.

This is what Yah told me on that afternoon of August 4th, 2024.

### **Thus says YHWH Elohim:**

‘Only 1 out of 10 of your so-called prophets are true prophets who received MY call, who were elected, set apart, and trained for their work. And out of that 10th of true prophets, only half have proven faithful. The other half are now prophets of Baal. Lovy Elias is one of those prophets. He prophesies for Jezebel, Leviathan and Baphomet.’

### **Thus says YHWH:**

‘This trendy phenomenon of passing physical mantles on pulpits or in meetings, or people walking around with mantles and claiming mantles is a travesty of the Holy Spirit.’

### **The prophetic gift**

A prophetic gift is a spiritual gift that anyone who has the Holy Spirit can benefit from if the Spirit releases this unto them, which He is at liberty to do or not to do. The Bible says that every born-again believer should desire this gift.

‘Pursue love, and desire spiritual gifts, but especially that you may prophesy. For he who speaks in a tongue does not speak to men but to God, for no one understands him; however, in the spirit he speaks mysteries. But he who prophesies speaks edification and exhortation and comfort to men. He who speaks in a tongue edifies himself, but he who prophesies edifies the church. I wish you all spoke with tongues, but even more that you prophesied; for he who prophesies is greater than he who speaks with tongues, unless indeed he interprets, that the church may receive edification.’—1 Corinthians 14: 1-5.

## THE CALL

### **The office of a prophet**

The office of being a true prophet is a completely different thing. The simplest way I can put it is by saying that a true prophet is like Yahshua the Christ's personal media company. This company releases the testimony of Yahshua the Christ to the nations of the earth. This company could be a radio station, a book publisher, or a film/TV studio depending on the form of communication used.

A true prophet is like Christ's news reporter with his satellite setup in heaven. A true prophet announces here on earth the things that are decided and happening in the heavens - sometimes three millennia ahead of their time which was the case of the prophets of the Bible. What we see a majority of today's so-called prophets do in the church is, at best, having a prophetic gift, and at worst, divination and witchcraft. YHWH wants you, His people, to know the difference.

### **Thus says YHWH Elohim:**

'A prophet work for Me and Me only. You will not and you cannot answer to any man when it comes to the work I gave you. When I put My words in your mouth, you do not apologise for it -ever. You state what I said and you call it a day.

If the person hearing you has a problem, if they think whatever they want to think about it, it is not your problem. Again, if they are bothered then they should come to Me.

This thing of needing to be commissioned does not apply to My real prophets because I commission them Myself. I am the One who puts words in their mouths. Any man who claims to be their commissioner means that they received their work and the green light from him and not from Me, which cannot be with true prophets because they take from Me directly to deliver to the people.'

This is where the Lord's original statement ended but He decided to add more to it on August 9th.

### **Thus says YHWH Elohim:**

## THE CALL

‘Who laid hands on John the Baptist? What about Isaiah, Malachi, Habakkuk, Haggai, or even Moses? Who laid hands on Jeremiah? Did I not tell Jeremiah that I had predestined him to be a prophet to the nations before he ever took a breath on this earth?

This is the standard of My call to prophets: prophets are always chosen before they are born and they are always trained for their office in exponentially harsher ways than others in the five-fold ministry. So this nonsense of prophets popping up in the church like mushrooms is demonic.

A true prophet would never do 1/10th of the things your false prophets do because I would have rodded it out of them beforehand through excruciating trials and tribulations. Ask John the Baptist about it. Ask Elijah who spent years living under rocks. This is how I train My true prophets.’

As I type this, the Lord is showing me pictures of men rolling on the floor or lying on the floor in front of other men, some of them call them their spiritual fathers. They are kneeling in front of men for the laying of hands in churches, some even travel to different towns and countries for this, are not recognised by the Lord as His true prophets.

### **Thus says YHWH Elohim:**

‘They call it respecting and honouring the man of God but they are only teaching the church how to become idolaters and worshipers of other human beings, including teaching the church to worship them, the false prophets. This is what their demons ask of them. Yet, this is what I, YHWH, call wickedness. They are men of lawlessness.’

### **The danger of laying of hands**

There is grave danger in being laid hands from people because whatever that person has you will receive, and this will cause great pollution and intoxication of the spiritual well the Lord has placed inside of you. This well must be preserved and kept as pure as possible so that you do not compromise the Lord's words that He entrusts you with.

Failure to guard your spiritual purity will turn you into a witch or a divinator because you would be working under the influence of the foreign spirits and gifts imparted unto you that

## THE CALL

the Lord never intended for you to have, and most of the time they are demonic spirits. This is what is called witchcraft.

### About the author

Elvira is a born-again believer in Yahshua, the Christ, who received her call from YHWH Elohim to do this work in 2021. She is a writer from the tribe of Judah with interests in law, media, and business. Email [mail@thefruitfactory.co](mailto:mail@thefruitfactory.co) to get in touch.

### By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
