## PROCLAMATION

I saw red micro-objects with cylinder shapes. I saw them glued to house walls and doors. Almost undetectable, the size of rice.

I zoomed in and saw that they were like gel pills, could stick to a wall, and used for recording both video and audio.

Then I saw someone examining these tiny chips. They brought one of them to their eye level to see more closely and it exploded in their face. So they can record audio, and video, and act as bombs also.

It was not like a small surveillance camera that you would see on ceilings in various places. Not even a small microphone chip. It was both: audio and video, but smaller than a microphone chip. It was the size of rice.

‘Russian technology,’ **says the Lord.**

Then I saw a man walking in the street. The camera focused on his upper back and neck area. He had stitches at that junction between the shoulders and the neck in the middle of the upper back/lower neck area. The general public could not see the stitches, but the Lord had uncovered them for me to see. I saw a hand with scissors come into the frame and cut the stitches open. Buried in the man’s neck was that device.

**Thus says the YHWH:**

‘It works from underneath the skin. The cameras can film beneath the skin into what is happening outside and around the person, same as audio, says the Lord.

It already exists, they have already done it.

The Beast thinks he has technology? What Russia is working on is unheard of, but you will see it all come to light in the end. This is not from aliens, this came out from human brains. Their labour and imagination.

I, YHWH, put it in there for them to see and create.

My word shall be fulfilled for all to see, it shall not return to Me void.’

## THE BEGINNING OF SORROWS

‘And you will hear of wars and rumors of wars; see that you are not alarmed, for this must take place, but the end is not yet. For nation will rise against nation and kingdom against kingdom, and there will be famines and earthquakes in various places: all this is but the beginning of the birth pangs.’ —Matthew 24: 6-8.

### By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
