PROCLAMATION

Gog & Magog — Volume 1

Previously on The Fruit Factory...

‘To Prince Putin, you don’t need to bend the knee to those who the world views as the head right now. Don’t accept the deal, and abandon the dragon and his system completely. My hand is upon you, I will do it, you do not need them, I, The Almighty, will give you victory. I have appointed you guardian of My decrees in these end times.

My people in your midst shall receive instructions on how to intercede for you, and if you take what I am saying right now to the degree of seriousness that you should—which I know you will, then even from among your own people many will be preserved during the coming tribulation. I will instruct My people in your midst on how to pray and prepare to protect your nation so that it can qualify as righteous and endure the shaking of the earth that I, The Lord God, will cause in this season.

The first shall be the last, and the last shall be the first.

I, God Almighty, have spoken and every word that has come out of My lips in this prophecy, shall surely come to pass.’ —Excerpt of Proclamation #35 : *Vladimir Putin, King Cyrus & the Russian Domination of the End Times* (Sep. 02, 2024).

Yesterday, on October 7, 2025, as I was conducting scribal and archival work on YHWH’s past proclamations here at His Fruit Factory, YHWH provided me with new information about Vladimir Putin related to Proclamation #35, which significantly altered a portion of Russia’s future in the prophecy. He also made me remove that part of the text in the proclamation itself, because it was now obsolete.

These changes were not intended to be announced at first, so I simply took a few notes of the core message He gave me to keep a record of it in my archives and made the corresponding corrections to the original statement.

However, over the course of the past 12 hours, YHWH decided to publicly speak His mind about Russia's situation after all, and the first thing He asked me to do was to copy and paste my notes from yesterday. So here it goes!

Record date: Oct. 7, 2025.

'Today, YHWH asked me to remove the Gog & Magog text about Russia from the Putin proclamation #35, that He has changed that future for Russia and now has a personal relationship with Putin.

The Ezekiel 38 prophecy of Gog & Magog shall henceforth be fulfilled by the nation of China.

When I asked about those who had already read it on TFF, if we should not announce that there has been a change in the prophecy, He said, "No. I don't need to explain Myself to human beings. Make the change and that's it."

So that's what I am doing now.

Putin will be saved. He is King Cyrus. He will be buried in Jerusalem.

China is the Gog & Magog of Ezekiel 38.

May the word of YHWH be fulfilled and His name exalted in all the earth. In the name of Yahshua, amen.'

Record date: Oct. 8, 2025.

The following words are what YHWH audibly dictated to me and silently spoke to me in my spirit, tasking me with transcribing them all for publication on His behalf.

The fruits of introspection & prayer

Thus says YHWH:

'I had decreed on My Fruit Factory a year ago that Vladimir Putin, as the leader of Russia, would be the primary actor of the Gog & Magog prophecy that I gave My prophet Ezekiel for the end times. This is a position Russia held for several years before I proclaimed it here.

However, in that same proclamation, I also said that if Vladimir Putin heeded My words of warning, I would change the fate of his nation.

I want the record to show that when given the opening to change his mind, that is to repent, Putin did so not to save himself but to save his people first and foremost. What Putin was troubled by, what he lost sleep over, was not how to get himself out of hot water but how to preserve the lives and the pride of Russia.

In sight of the catastrophic and humiliating loss his nation's people and reputation would have to take, his mind was moved to introspection, and that is what I told you from the beginning made this man different from all your world leaders: he is a true patriot and puts his people first, above Mammon, the dragon, and all the false riches that the god of money and the deceiver of the world have trapped the majority of mankind with.

That is only one of the many reasons why I chose him to be My king Cyrus of these end times.

Vladimir Putin heeded My words; the intercessors I spoke about in that proclamation did pray, and now things have evolved.

I had also said that Putin would accept Christ on his deathbed, but now I say that he will do so well before. I will limit your insight to the fact that I have a personal relationship with him today, and will go no further than that.

Now, you have to know that when you live in a world that hates Me, even the slightest affiliation with Me or the slightest support of My people and statutes will yield a lot of hatred and resistance from everywhere.

From the second that Putin said no to the fake Jews, at least two good decades ago, he became a target and I want you all to know that every attack and media sabotage you have witnessed being unleashed upon this man and his nation by the western media is for no other reason than his refusal to bend the knee to the synagogue of Satan, those cruel imposters currently occupying the land of Israel.'

Political illusions & worldwide brainwashing

Thus says YHWH:

'There is no such thing as a war in Ukraine. Ukraine, this day as I speak, is under complete Russian control. That war was over before it even truly started. Ukraine is Russian

territory to one hundred per cent, and Prince Putin won them over without too many hurdles.

Where do the leaders of both Ukraine and Russia get the time to parade themselves so much around the world if their countries are under as much conflict as they are trying to make it seem on your TVs, particularly Ukraine, which seems to be one needing the most help? Don't they have a war to fight and an army to direct?

The so-called "Russia-Ukraine" war you are hearing about in your media is an illusion. That is why the asylum process for Ukrainians around Europe is the easiest and the most unregulated in the history of refugee laws, despite the fact that Ukraine is neither a member of NATO nor the EU. They need Ukrainians out there, filling up all their immigration statistics to give validity to their illusion.

I told you over a year ago that your news is mostly AI-generated now. I also told you that your entire world is run on what My word calls "craft". Return to those proclamations and read them again because a lot of you are not listening. It is all a big illusion; a lie.

Vladimir Putin never set foot in Alaska; he watched that whole telenovela of a meeting from another place in the world, shaking his head in disbelief at how far these clowns you call politicians are ready to go just to stir up emotions and manipulate public opinion.

There are no Russian drones being flown over NATO territories in a way that could cause any security threats to Denmark or elsewhere. It is all an illusion.

They need to generate reasons to use your tax money towards their war aims and the funding of the new infrastructures, measures and tools that the beast is already building for the time when he will finally make himself seen and reign over the entire world.

Running a single world government takes a lot of resources, and this great media deception, which makes up wars and rumours of wars in order to launch a true worldwide war, is their way to generate excuses for skyrocketing government budgets.

The question that I, YHWH Elohim, ask you all inhabitants of the earth to shake you out of your deep slumber, is, where is all that money going?

Why are your government spending out of control, but your lives are only getting harder and more expensive day by day? Where is the improvement in your societies that justifies such explosive budgets, taxes and costs of living?

I am speaking to Europe, America, Africa, Asia, everywhere.

SNAP OUT OF THIS ILLUSION AND OPEN YOUR EYES. I, YHWH Elohim, command you to.

Where do you think the hundreds of billions of dollars in financial aid to Ukraine have been going, especially now that you know that the whole war is a farce?

The war that Russia is fighting is against none other than the synagogue of Satan and the beast, Barack Obama, who has taken his seat already and is actively working on the roll-out of his totalitarian one-world-government kingdom, as I told you since the beginning of this year.

The European Union, NATO, the UN and all your “world” organisations are all under this synagogue's control, and anybody who isn't working according to their plans will be turned into the enemy of the world. Russia is such an adversary for them, so is Iran, but not China. I will get to China another time.

I want every reader of My Fruit Factory to read the last proclamation about the beast's current goal: to wear you out. That's why you see all these political upheavals all around the world. It will only get worse from here on out.'

The historical pillage of Africa & The spiritual war of the Biblical Hebrews

Thus says YHWH:

‘Africans, why is the poverty only getting worse while you keep fighting harder and harder?

You are starting a business, hustling in Middle Eastern countries, where you are worked to the bone and are treated like slaves; you are travelling to Europe and America to labour tirelessly so you can send money back home. You are doing all these things, and why is everything only getting worse than before?

You do not have running water, nor the most basic infrastructures and living conditions, yet your presidents are alleged trillionaires. Where are the trillions going?

Is it all truly only because of greedy and corrupt leaders? Or is there a thicker plot underneath it all? Who helps those corrupt leaders stay in power that long? Why do they let them? And why is it that each time they pretend to be sending help, it only ends up worsening your situation?

I know you are brainwashed to view the Western world as the place to be, but there is corruption everywhere. In fact, political corruption is way worse in places like the US than it is in African nations.

Awake, O Sleeper! Arise from the dead and let Christ's light shine upon you.

I have the answer to those questions. You have these issues because your economies are being funnelled into something bigger: the shadow economy of the synagogue of Satan, and now, of the beast himself.

There is a shadow economy that exists that no one can trace, prove or disprove, measure, or manage. It is a rogue economy.

You people who live in the “normal” world think that there is money in this world when you read lists of the wealthiest people on earth and such, but you've not seen money yet. If you knew how much money was on the very earth that you wake up in every day, you would have a heart attack.

It is Africa that is, and has always been, the greatest funder of Satan's plans for world dominion. It is African sweat and blood that has funded it all; that's why no matter how hard Africans fight, they never seem to be able to get something decent going for themselves, and as soon as there is a semblance of change in their midst, something happens that brings them back to square one.

Listen to Me when I speak, My people. Listen!

In a few years, this is what will happen: American billionaires, backed by the synagogue of Satan's shadow economy and sent by Barack Obama, will come to you and build sparkly infrastructures and all kinds of flashy technology around you, as if they were doing you a favour, when it is on your backs that they built Europe, America, and Australia.

It is on Africa's back, Africans' labour, blood and natural resources that these "first-world" civilisations were developed. Some of it you see it as goods, services and visible infrastructures in the West, but that's only about 10% of its output. 90% of Africa's plundered wealth was funnelled into the Synagogue of Satan's shadow economy, which is now completely ruled by the beast himself.

It is on your backs, Africans, that they developed all of their plans and tested all their programmes for this moment of time, the one world kingdom of the beast in Revelation 13, for hundreds upon hundreds of years.

This so-called charity that America will bring to you in Africa will be no charity at all. It is nothing more than another deception. It is not worth a fraction of what they gained from you, Africa. It is with that illusion that America will succeed in enrolling you to fight their wars for them without any worthy compensation for those lives.

The devil's only job is to kill, steal and destroy.

I told you, true Israel in Africa, that if you fight Satan's wars for him, I will not save you when you cry out to Me on those frontlines because I shall not contend with you forever, I have grown weary of your hard necks and brass foreheads. Your blood shall be on your own hands.

However, those who turn to Me now, I will not fail to protect and preserve. That is My promise as your Elohim and Saviour. Accept Yahshua into your hearts and walk in holiness before Me; that is your only chance.

Why such a restless pillaging of Africa specifically? Because it is in Africa that lives the highest concentration of the true Hebrews of the Bible. What you are dealing with, Africa, is a spiritual war that runs very deep and goes back to the days of Israel in Egypt.

I have allowed it all because of your dry and wicked hearts, especially towards each other. I allowed it all because of your shameless and chronic idolatry and witchcraft; your heartless sorceries; your cruel treatment of each other and your utter and complete rejection of My statutes and laws.

Now I speak to true Israel in Africa: Now, your Avenger has risen, and it is time for Me to balance the scales. I shall crush those who crushed you, My Israel, and I will restore you to your former glory.

Once again, shall the world look at you with the same awe that they did your forefathers when I brought them out of Egypt and made them cross the sea on dry land.

If only your oppressors could all be like France, who will end up in repentance on their knees before Me, for what they did to you. Then I would have mercy on them, like I will have on France in the end and will lighten her yoke of judgment. But they are too arrogant and confident in their depravity. So I will show no mercy, especially not to the United Kingdom and the United States.

Once again, shall you be called the people of the Most High God, and I will not let your abusers go unpunished.'

Russia's dominion over the US & NATO

Thus says YHWH Elohim to Vladimir Putin:

'I will deliver the whole territory of the United States of America and her NATO comrades into your hands; not only today's NATO countries, but all aspiring and future members too. Not only that, but also all of Russia's former territories, which she lost over the last hundred years, shall be returned to you.

You, Vladimir, will sweep through the entire world like an unstoppable and uncontrollable whirlwind. The Great Russian Federation shall be the last empire in these end times and the greatest in history. It will not be a kingdom like England was with her colonies, but an Empire; it will be strategically planned and operated, and not like the Romans did.

I don't want to disclose your plans to the world, Prince Putin, so I will simply say: I shall grant you the desires of your heart.

NATO and other nations, you will have to fight for, but Babylon is my free gift to you. I will hand the United States of America over to you, without you having to lose any men in war for her defeat. I will give you external muscle and armies, who will face American troops and their allies on your behalf.

I will cause you, Prince Putin, to tread upon the grounds of America as its lawful owner, without any war casualties for Russia.

Take heed, Vladimir. Take heed and listen to Me. As you fulfil your purpose towards My Israel as agreed, know that this war against America is already won for Russia, without any of your citizens' blood having to be spilt for it. When that happens, the world will know that there is a God in heaven who watches over His word to perform it.

YHWH Elohim will do this because when I say something, I mean it.

People read My word and take it lightly. They think it is mythology or hyperboles, but it is not. You know better, Vladimir, that's why the place you went to after receiving My prophecy was the Bible; to trace back what I have said in the past about these people. America and her allies are too far gone in their arrogance to remind themselves of this truth.

When I said to Abraham about the nation that I would build through him, 'I will bless those who bless you, and the one who curses you I will curse'. I meant it. All those around the world are about to witness that happen with your nation, that I will bless as she blesses true Israel, and America and her allies, that I will curse as they have cursed My Israel.

I will bless you, Vladimir, because of what you will perform for Israel on My behalf; for you are King Cyrus. I will give you a strong arm, and will use that arm as My iron rod of judgment over those who cursed and oppressed the apple of My eye; they will all be subject to you.

Currently, the only exception out of all of them is France, and the reasons for that are included in the proclamation I made about them. But even France, you will reign over for a while, for it is the judgment I have devised for bringing her to her knees, before I finally release her from your grip.

As in all things, it is all a process. But I will give you, Prince Putin, the long age and stamina to see all of your plans through.

I said it last time and I will repeat it now: If you take these words seriously, which you did before and will do again now, then Russia will be one of the very few habitable places in these end times of great pain and suffering. I will preserve your nation and people by raising an army of prayer warriors in your midst.

As for China, her fate as God & Magog was bound to happen because the only other nation that has come close to the wickedness of America in these end times is her: China. America & China are two pieces of the same coin, and I will tell you how in another proclamation.

I, YHWH Elohim, the God of the Hebrews, the Holy One of Israel, who holds the entire universe in the palm of His hand, have spoken. Watch and see it all play out.'

'Thus says the Lord to his anointed, to Cyrus, whose right hand I have grasped to subdue nations before him and to strip kings of their robes, to open doors before him—and the gates shall not be closed:

I will go before you and level the mountains; I will break in pieces the doors of bronze and cut through the bars of iron; I will give you the treasures of darkness and riches hidden in secret places, so that you may know that it is I, the Lord, the God of Israel, who call you by your name.

For the sake of my servant Jacob and Israel my chosen, I call you by your name; I give you a title, though you do not know me. I am the Lord, and there is no other; besides me there is no god. I arm you, though you do not know me, so that they may know, from the rising of the sun and from the west, that there is no one besides me; I am the Lord, and there is no other.

I form light and create darkness, I make weal and create woe; I the Lord do all these things.' — Isaiah 45: 1-7.

When I had finished transcribing all of these words down, I thought about splitting them into parts because of the sudden turn the prophecy took in speaking about Africa, which I didn't know was coming, but YHWH said something that He asked me to report here as part of the proclamation.

Thus says YHWH:

‘No [about me splitting the proclamation into parts]. Post it exactly how long it ends up being. I have a lot on My mind, and they will listen when I speak.

They can spend a whole weekend binge-watching Satan's brainwashing system; they can spend hours on the internet watching and paying for pornography; they can go to bed at 3 AM every day because they are swiping on social media, but can't set aside the time to read what I have to say. It is their problem.

Write the whole thing down, tell them what I said, and explain to them what I showed you. If they don't take the time to read it, the consequences of their laziness and perpetual distracted state of mind shall land on their own heads.’

He who has ears to hear, let him hear.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
