PROCLAMATION

As I was preparing dinner this evening of Oct. 14th, 2025, Yah told me that He wants me to gather a few of the notes I have taken down in my personal archives concerning what He showed me about Donald Trump over the past year, and to publish them as a proclamation here this very evening.

These are not all my notes about him in dreams and visions. These notes also do not include the conversations I have with Yahshua about this man, his presidency and the future of America as it relates to him, particularly, which the Lord usually either never asks me to archive, or He flat out tells me, 'You don't need to write that down.'

Let's go!

Record date: Nov. 7, 2024.

I saw myself publishing a prophecy about Donald Trump's so-called win. The Lord will judge all those who did not believe in His judgment prophecies about America and called Trump their 'King Cyrus', and their 'saviour'. They will be judged for it. I saw this at least 4 times.

A few hours later...

This vision about Trump won't go away.

The Lord is insisting that those who are jubilating about Trump's win will fall miserably. They will be judged, 'Mercilessly,' **says the Lord.**

Record date: Night of Nov. 8-9, 2024.

I saw people in crowds, commenting about the horrible things that are coming for America.

I heard myself saying, 'God will not relent judgment.'

I also heard people converse among themselves, a loud grumbling, about America needing to repent for her idolatry of Donald Trump. I saw a woman on her knees crying for

America's idolatry, 'We have to fast, we have to repent,' she cried! The whole scene was really bad.

Record date: Nights of Nov. 14-15, 2024.

The Father just showed me Trump, Kamala, and new reporters speaking to each other and all sides collaborating with each other to get their stories straight and make sure they are on the same page.

They were planning a specific operation in the background and had to synchronise the release of op-eds, videos, pictures, articles and tweets to the public at a certain perfect time so that the public would buy into it.

Yah showed me that they did so, and it worked better than anticipated.

Both Kamala and Trump were in on it. They were speaking on the phone in great terms with each other, planning it, coordinating their efforts, keeping track of both sides and making sure that there are no mistakes, nor leaks.

'These two are not even two sides, but a single side, of the same coin,' **says YHWH.**

A few hours later...

Yah gave me an audio vision experience, as if a tape recorder was playing in my ear.

I heard a man who seemed to be a prominent political figure; he did something and wanted to hide it because he had a lot to lose.

I heard someone clearly say, 'He has a lot to lose, he is looking for a way around it.'

=> Who is this, Lord? Trump?

'Yes, it's him,' **says YHWH.**

Record date: Night of Nov. 18-19, 2024.

Yah showed me Kamala Harris posing for pictures in a photo booth with a man calling himself the president of the United States.

It was your typical politician and public figure poses at first, then it turned into them making out, as in heavy French kissing with the whole making out package that we know 'making out' means. As this happens, I hear him say, aloud, that he will transfer the presidency to her.

Then it escalated to pretty much heavy petting, captured on a series of consecutive photographs. Very disturbing.

Who calls himself the president of the United States? Donald Trump. First mystery resolved.

Now... Making out? Heavy petting?

It may mean that those two are having an affair and are literally in a romantic relationship. Figuratively, this may mean that they are so incredibly in tune with each other politically that they may well be making out in public in front of the cameras.

Whether it is literally or figuratively, basically, Yah is showing that these two are a hundred per cent 'in bed together.'

What an unpleasantly graphic way for Yah to drive His point home. Well, I got it, Father. Thanks for the FYI.

Record date: Feb. 24, 2025.

Prophetic visions from today about America:

Nazis in America.

Trump becoming a greater idol in America.

Yah clearly said, 'Kamala Harris will be in power. She will be the president of United States.'

Now, this is the statement that Yah gave me just before I published this proclamation.

Thus says YHWH:

'Kamala Harris and Donald Trump are one—not two—side of the same coin, handled by the beast himself: Barack Obama.

I have called your politicians clowns before, but I can't call Donald Trump that because clowns at least get paid to put up their clown shows—he doesn't. They have their foot on his neck, and he dances to the tune of their every command and requirement.

Donald Trump is nothing more than an elephant-sized distraction for the public, to disrupt politics and wear you all out with his antics.

He is also a great source of entertainment for the beast, Barack Obama, who enjoys using him for his own pleasure of mass brainwashing and the manipulation of the Zeitgeist, the spirit of your times.

My people should stop giving their time and energy to him and focus on the real threat: Kamala Harris.

The same way I told you that the true dangers of this world and the defining changes in your end times, like WWIII, will come from the east and not the west, I am telling you that the true threat and destroyer is Kamala Harris.

If Donald Trump is an elephant-sized agent of distraction, then Kamala Harris is a mammoth-sized agent of chaos. Go and read My proclamations about her again.

I, YHWH Elohim, instruct you to focus on your elders in Israel and their work. Those whom I have spoken about here at My Fruit Factory are a good place to start; they are the ones you should listen to and gravitate towards.

America, the NATO nations, the UN, the WHO, etc, are wasting your time, energy, emotions and resources. They all work for the same person: the Antichrist; they all feed into one thing: his shadow economy; their end game is the same: to build his one-world totalitarian kingdom over the whole earth, as prophesied in Revelation 13 and Daniel 7.

That is why they all sound the same and they are all putting you through the same social, economic, and political aches and pains all over the world. They are the same ones who will kill the martyrs and set up the Jim Crow laws to oppress you tomorrow. Why are you dwelling on them? Why do you join their debates, wars, and think that your outrage can change something?

My people, you should be focusing on your salvation, relearning your identity and history, strengthening your faith, building up your endurance, improving your relationship with Christ, and paying attention to what the leaders I have appointed over you are saying.

Wake up from your slumber, Israel! Arise, O sleeper! Rise from the death and let Christ's light shine upon you.

I, YHWH Elohim, have spoken, and you must listen to Me when I speak.'

‘My child, be attentive to my words; incline your ear to my sayings. Do not let them escape from your sight; keep them within your heart. For they are life to those who find them and healing to all their flesh. Keep your heart with all vigilance, for from it flow the springs of life. Put away from you crooked speech, and put devious talk far from you. Let your eyes look directly forward and your gaze be straight before you. Keep straight the path of your feet, and all your ways will be sure. Do not swerve to the right or to the left; turn your foot away from evil.’ —Proverbs 4:20-27.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
