# PROCLAMATION

## Gog & Magog — Volume 2

A proclamation to true Israel, still scattered around the four corners of the earth, to the church of Christ, and to the nations of the entire world.

**Thus says YHWH Elohim:**

‘The United States & China are two sides of the same coin.

America is light-years behind China, in every way, and the beast needs her to catch up—quickly!

China is higher than America. The true first-world power is China, not America. The larger army is in China, not America. The one with the most innovations is China, not America. The one with the most powerful AI is China, not America.

Chinese society lives several years ahead of America in Satan's design; what they are trying to implement in America has been the norm in China for years. The Chinese spirit does not need to feed on pride as much as the American one; on the contrary, they prize being underestimated.

Listen to Me when I speak to you.

This is the beast's current assignment: turn America into China. Many of you think it could never work in America, but it can and it will. They are two sides of the same coin.

These two nations seem to be enemies to you, but they are the two main nations through which Satan is ruling supreme in these end times. They are two sides of the same coin.

Look at China's totalitarian government structure; the Chinese's veneration of technology; the slave-like extreme working conditions of the nation; an economy that puts profit above anything else, including human life; its cruel and inhumane policies that have complete disregard for human life and wellbeing; the extreme bloodshed on that land and the level of defilement of the land, all the innocent bloodshed that cries out to Me day and night;

the government's complete governance over their population's minds and behaviour, absolute surveillance and monitoring of their every move; and of course, the nation's utter rejection of Christianity and everything it embodies.

If you are watching closely and reading these prophecies, you will be able to track America's evolution into what I just listed in the previous paragraph, no matter how far apart they seem to be in their inherent moral and political values, or how much "the land of the free" has made you believe in the "American dream".

They are two sides of the same coin.

I want you to wake up because too many of you are asleep; so I will ask you to reason with Me here for a second, okay?

Isn't China called "the dragon" in your international culture? Why do you think China uses the dragon so much in their mythology and culture? Who else is called a dragon in the Bible?

The same dragon that will give the beast that rises out of the sea all its power to rule over the whole world in Revelation 13 is the same dragon that rules over China as a principality.

If China is governed by the dragon who empowers the beast, and America is Babylon, the mother of all harlots, who rides on top of the beast, then are they truly enemies?

The US and China are two sides of the same coin.

Once Babylon is destroyed, Satan will simply migrate his headquarters from Babylon, America, to the dragon nation, China.

Once the beast is done integrating these elements in America, she will be perfectly ripe for her complete destruction, according to Revelation 18 and 19.

Listen!

China is Satan's political blueprint for his worldwide government, the beast kingdom of Revelation 13. Read this previous sentence again.

Many areas of the world that are under totalitarian governments, kingdoms and dictatorships will very easily slide into this conditioning. European nations and other "first-world" countries will have a harder time, but will end up following the same blueprint to different degrees.

I told you in a previous proclamation that your worldwide politics seem to be a clown show, a soap opera, because it is indeed one. This very moment, the beast is in charge already.

The only two nations of the earth that have yet not bent the knee to the beast are Russia and Iran; everyone else is marching to the beat of his drum. France will join Russia and Iran next, because I, YHWH Elohim, have decided it so. The Wollof Empire with tag right along France, Russia and Iran; they are already fighting to get the beast's foot off their neck, because I, YHWH Elohim, have decided it so.

Insurrection! Insurrection! Insurrection!

France, get ready for the great shaking I spoke about here at My Fruit Factory that was coming for you a year ago.

I will disgrace Emmanuel Macron and will appoint a man over France, whom I will use to undo everything Macron has done on the beast's account.

Read those prophecies again to refresh your minds, because France will play an important role in these end times events and the exodus of My people from the places they have been scattered around the earth.

I, YHWH Elohim, have spoken, and so it shall be.'

'The dragon stood on the shore of the sea. And I saw a beast coming out of the sea. It had ten horns and seven heads, with ten crowns on its horns, and on each head a blasphemous name.' —Revelation 13:1.

'Then the angel carried me away in the Spirit into a wilderness. There I saw a woman sitting on a scarlet beast that was covered with blasphemous names and had seven heads and ten horns. The woman was dressed in purple and scarlet, and was glittering with gold, precious stones and pearls. She held a golden cup in her hand, filled with abominable things and the filth of her adulteries. The name written on her forehead was a mystery: babylon the great the mother of prostitutes and of the abominations of the earth.' —Revelation 17:3-5.

'Then war broke out in heaven. Michael and his angels fought against the dragon, and the dragon and his angels fought back. But he was not strong enough, and they lost their place in

heaven. The great dragon was hurled down—that ancient serpent called the devil, or Satan, who leads the whole world astray. He was hurled to the earth, and his angels with him.’ — Revelation 12:7-9.

## By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
