PROCLAMATION

'Behold, the days are coming,' says the Lord, "That I will punish all who are circumcised with the uncircumcised— Egypt, Judah, Edom, the people of Ammon, Moab, and all who are in the farthest corners, who dwell in the wilderness. For all these nations are uncircumcised, and all the house of Israel are uncircumcised in the heart.' —Jeremiah 9:25-26.

Thus says YHWH:

'There is a vast majority of Israel, who are wicked, and I will treat them like the wicked of the gentiles. I will make no difference between them.

Isn't it a shame, Elvira? That just when I am about to exalt My Israel in all the earth, yet she will still remain rebellious towards Me, and will not relent in following the wicked ways of the world, baking cakes to the queen of heaven and worshipping at her altar?

Does she think that in My holiness, I will overlook her filth and give her a pass for her idolatries just because she endured 400 years of servitude?

Here is the generation of Israel that you are dealing with: instead of falling on her feet in repentance and pleading during times of servitude and judgment, Israel went even farther into her wickedness.

Instead of doing as her forefathers did, coming back to Me to be reconciled and restored, Israel chose to run towards more darkness.

The truth is that because they were given a double portion, because they had established a covenant with Me to be My people, because they are the firstborn, their judgment should be harsher; actually, it should be twice that of the gentile nations because they know better.

Israel today pretends like she doesn't know me, her God, but she does. She may have forgotten her Hebrew heritage, but she never forgot her original God, YHWH. Israel knows Me, and a majority of these people have chosen the ways of the heathens over My ways.

Yet, in My mercy and grace, because I have seen their 400 years of suffering under the yoke of slavery, I will temper the judgment she deserves.

Whilst your ancestors repented and came back to Me during their times of judgment because they knew and remembered our covenant, you, Israel of this generation, have only embraced the ways of evil more.

You pretend a lot, Israel. You are a sorceress and a witch. There is extreme pretence in your midst. You mix the truth with the lies, and the darkness with light. You take bitter for sweet and sweet for bitter.

Do you think that I don't know your hearts, Israel? Do you think I don't see you?

You have to know, My daughter, that it is one side of true Israel that will fight the other in these end times. One side will believe in the work that I am doing this season, and the other won't.

Those who don't believe will blame those who do and will act like the Gentiles: turning on Me and hating Me because of My judgments upon the earth.

When you are segregated, one side will fight to be reintegrated and stay with the beast and his kingdom, whilst the other will listen to My voice and regroup to rebuild, as I told you. The beast will use the side that wants to stay with him to fight the side that doesn't.

I, YHWH Elohim, will judge you, Israel; don't think that your hard neck and brass forehead can save you.

I will limit My judgment to something equal to that of the Gentiles, although they deserve a double portion of judgment because of their position as firstborn and My first fruit on the whole earth.

That will be My act of grace to you, Israel, to keep the promises I made to your forefathers, and to fulfil my prophecies of old: that I will relent My wrath upon Israel in the end times.'

Yah's judgment on the sexually immoral

'But if you will not obey the Lord your God by diligently observing all his commandments and decrees that I am commanding you today, then all these curses shall

come upon you and overtake you: “Cursed shall you be in the city, and cursed shall you be in the field. “Cursed shall be your basket and your kneading bowl. “Cursed shall be the fruit of your womb, the fruit of your ground, the increase of your cattle and the issue of your flock.’
—Deuteronomy 28:15-18.

Thus says YHWH Elohim to women:

‘To the sexually immoral women, especially the aborters and abortion enablers and promoters.

Whether Hebrew or gentile.

Those women who are adulterers and chronic fornicators; they call themselves ‘liberated’. The women who are addicted to masturbation and have exchanged natural relations with men for unnatural relations with objects and even animals. Those women who engage in unnatural relations with other women or transvestites.

I shall dry out your ovaries and cause hormonal imbalances in your uterus such that no embryo will be able to be sustained. No sustainable fertilisation will be possible, no matter how many treatments you put yourself through. Your science will not be able to save you.

The ones who stand against Me, My purposes and creation, who think that life is something they determine and are entitled to either approve of or discard.

Since you think yourselves so wise and independent in your thoughts and bodies, I will grant your request and cut off that ability to bear children from you and your lineage, for you taught your daughters the same abominations that you practice.

Until your sins are repented of, there shall be no more children hanging at your breast; no more cries of newborns and playing children heard in your streets. I, YHWH Elohim, shall close the wombs of the wicked on earth.’

Thus says YHWH Elohim to men:

‘To the sexually immoral men, especially the serial killers, who go out impregnating women to then sponsor their abortions or ask them to abort their children.

Whether Hebrew or gentile.

To the men who are in bed with a new woman every other day, can't stay faithful to their wives and defile the marriage bed. Those who have intimate relations with toys, animals, dolls, and themselves through chronic masturbation. To the men who have exchanged natural relations with women to engage in those relations with other men or transvestites.

I shall take away the fertility of Adam's seed from your body. I shall dry out your semen and make you impotent.

You have heard a lot of talks about malfunctions in men called premature ejaculation, but now prepare for the rampant plague that I call: non-ejaculation.

I will take away your ability to climax in an intimate relationship, then I will ask you if all the fleeting pleasures you were chasing in your sexual depravity were worth it. Your orgies and other abominations will give you no satisfaction anymore.

You will look at Me, I will look at you. You will curse Me and I will laugh.

No semen will be produced, no matter how much you stimulate yourself, how long you engage in intercourse, or how many treatments you put yourselves through; for I, YHWH, cannot be mocked.

Even those of you who will maintain their capacity to produce semen, the semen will be impotent.

When your wives start wondering why you aren't able to have normal intimacy, and have not been able to get her pregnant for years, you will have to face the truth in your heart about your guilt, knowing very well that you are responsible for this dysfunction in your families.

Yet so many of you are so wicked that you still will not come clean to your wives, you will fake your intimate relations and will not repent of your sin.'

YHWH's blessings over those who bridle their bodies

Thus says YHWH:

'Having healthy children who are conceived naturally will be a privilege reserved for those who practise the bridling of the body.

I know your scientists have boasted about being able to give women twins and other multiple pregnancies through a variety of treatments, but that will all go away. They will eventually move to making babies in artificial tubes, because that was the goal all along.

You must know that I do not recognise those things as human beings; for human beings must have a soul to be recognised as such, and something manufactured in a laboratory glass doesn't.

A couple getting naturally pregnant will be a rarity reserved only for those I have granted it to. Didn't My word say that I will make mortals more rare than fine gold and humans than the gold of Ophir?

Naturally pregnant women, especially if they have multiple pregnancies, will be a source of awe for the world.

The West thinks they have a population decline, but I, YHWH Elohim, have not even gotten started with My judgment of barrenness yet.

This will also touch the Africans and the parts of Asian, who are known to be very fertile. It will touch the Hebrew women who have historically always been prolific birthers.

Judah in America, I have kept you multiplying and fertile despite your years of affliction, and despite all of Satan's efforts to keep your population down, but that is about to change.

You have embraced the ways of Babylon to an extreme level. Your men are reckless and your women cruel. I will not put up with it anymore.

You have embraced the cruel murder of children and the senseless rampage of sexual sin beyond what I am able to continually put up with; you have surpassed them in their anarchy and you shall be judged for it.

African women, prepare for westerners to come steal your children in Africa. Righteous Hebrew women, prepare for them to take away your children in hospitals and tell you that they died without being able to show you a body for it.

I, YHWH Elohim have spoken and My word shall not return to Me void.'

'Behold, children are a heritage from the LORD, the fruit of the womb is a reward. Like arrows in the hand of a warrior, so are the children of one's youth. Happy is the man who has

his quiver full of them; they shall not be ashamed, but shall speak with their enemies in the gate.’ —Psalm 127:4-5.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
