PROCLAMATION

On July. 30, 2024, I had a vision about Kamala Harris. After transcribing it, I meditated on it for a while but could not properly interpret it.

From time to time, whilst reviewing and organising my archives, I would come across this vision's notes and ponder, 'What does this even mean?' I tried to guess here and there, and even prayed to receive its interpretation. Yah would tell me, 'No, your interpretation is not correct.' But without giving me the understanding that I was seeking.

Eventually, during one of those attempts several months later, the Father told me, 'The visions are sealed, the time for them is not ripe yet. When it is time, you will receive their interpretation.' It is all I needed to leave it alone, knowing that Yah would revisit it at the right time.

On the evening of Oct. 21, 2025, I was in a worship session when YHWH suddenly brought those scenes back to the top of my mind and told me that it is what we would work on next, but I had to finish the proclamations that were still open on my desk first.

Today, Oct. 23, 2025, when I finally sat down to tackle the preparation of this proclamation, YHWH told me that I could not understand and interpret the vision for a whole year because it was not complete.

That's when He made me watch the last scene that had been missing, as He broke the whole thing down for me, giving me the interpretation of each element and scene.

Yah perfectly solved the enigma, seamlessly weaving the story together like refined tapestry. At the end of it all, **He told me the following:**

'There is a mole. You must title this proclamation "There Is a Mole" because the visions are not truly about Kamala Harris, but about the mole. Not just any mole, but MY mole. I AM WHO I AM, and I will do what I please.'

After saying this, Yah laughed aloud.

Yes, He does that sometimes, especially when He is relishing something that is happening or about to happen for His name sake, that will remind the whole world of who is truly running things in the universe.

I usually don't mention such details, but today, Yah asked me to include it in the proclamation because He explicitly wants the beast and his allies to know that YHWH is laughing at them.

'The wicked plot against the righteous and gnash their teeth at them, but YHWH laughs at the wicked, for He sees that their day is coming.' —Psalm 37:12-13.

We serve a marvellous God, I can guarantee you that.

I will begin with the narration of the visions, then give you their interpretation, and conclude with an analysis of the relationship between these visions and previously proclaimed prophecies here at Christ's Fruit Factory.

Record date: July 30, 2024.

I just had a series of visions about Kamala Harris.

The first scene was happening in a narrow hallway. It looked like it was underground; there was not much light. Despite its small and dark setting, I saw that a lot of people were walking through a main door, going to and fro in both directions.

Then my view zoomed in on a certain man, let's call him Joe, and my view began to follow him, as if a hand-held camera in a documentary.

He held a piece of paper in his hands and walked through the corridor until he reached a counter, the shape and size of a pulpit or lecture or press conference podium. The counter was positioned in a corner of the street, next to a side door, which also had a lot of traffic. Behind that counter stood another man, let's call him Dean.

For a short moment, my view zoomed out to realise that this narrow hallway was actually part of a sort of large and uncrackable labyrinth, which operates in the dark underground and is visited by a myriad of people, constantly walking in and out of it.

Dean took the piece of paper from Joe and got busy writing something on it whilst Joe disappeared from the vision. Now my view began to follow Dean as it had previously followed Joe; Dean was now the vision's main character.

Dean picked up a bag that was hidden behind the counter, placed it on the floor next to his foot, and once he was done modifying the document, began his own walk down the narrow corridor. Again, there was a lot of traffic, a lot of people going up and down the small hallway.

He arrived at a place that was like a highway of crossroads; it had several doors and several counters stationed next to each other, from all directions. Dean walked past all of them and met up with another man, let's call him Travis.

As soon as they met, my vision shifted to now focus on Travis, as it had previously shifted to focus on Dean.

Travis already held two bags in his hands and was eagerly waiting for Dean's drop off. He took Dean's bag and walked away with three bags in his hands.

Next, a sudden shift in scenery happened with the most flawless transition. The underground, dark and narrow hallway gradually morphed into a very modern office corridor, and the jeans and sweater that Travis had been wearing turned into a sharp business suit.

Travis walked across the modern corridor into a big, busy room, full of office desks, telephones, photocopiers, etc. This was a political environment; the White House.

As Travis walked past the busy rooms and offices of the White House, I saw that he was going towards an indoor seating section about 10 metres away, through a door.

These seats were lined at the back of a stage, the kind usually set up for political rallies. When I saw several flags of the United States, as well as the blue colour of the democratic party, it made me think a lot about the stage on which Barack Obama gave his victory speech in 2008.

There was a man on stage, talking to a crowd, but this seating section was behind the curtains and invisible to the public. No one could imagine that people were sitting there if they didn't come in from Travis' angle.

Travis took the three bags to the front of this sitting session. As my view closely followed him, I realised that Kamala Harris was sitting not too far from the edge of the section, close to his entry point.

He made his way to her, put the three bags on the ground next to her seat, whilst she continually gazed in front of her as if she didn't know it was happening—but she did. No eye contact, no interaction, nothing. After briefly pausing to put the bags down, Travis continued walking away as if nothing had happened, too.

The rest of the crowd also continued to focus on the front of the stage. They, on the other hand, did not see what had just happened before their eyes.

Then, the man who had been speaking on the podium finally introduced Kamala Harris. The introduction was followed by loud applause and shouts from both the crowd in the main hall and those present in the back sitting section.

She plastered a glistening smile on her face and walked towards the podium.

Now, Yah gave me a bird's eye view of the podium and the entire hall, and I could simultaneously see what was happening in the main hall and the back sitting section.

I saw that this was a major event that was being streamed and televised all around the world. Definitely similar to the Barack Obama presidential event after he was announced the winner in 2008.

Kamala took the microphone and thanked the speaker, but before she started speaking, one of the three bags that had been placed next to her seat exploded.

It was not a big explosion, not big enough to be heard inside the main hall or cause any commotion. It affected her seat and maybe two seats to the left and the right of it.

What surprised me was that what came out of the bags during the explosion were fluffy white feathers, like those used to puff up bedsheets or pillows. The feathers blew up and scattered around her seat, those next to her, and not anywhere else.

Although she knew an explosion had happened, Kamala remained imperturbable on stage and began her speech. The people backstage also did not run or scatter.

This is where the vision ended.

Dream interpretation

Two separate dimensions are shown in these visions: the unseen spiritual realm in the first part, and then the seen physical one.

The dark and underground nature of the setting in the first part of the visions indicates that these events are happening in the spiritual realm of the kingdom of darkness. Travis is the one who takes from what was decided and prepared in advance in the unseen realm, and carries it to be manifested into the seen realm—right at the heart of the White House.

Yah is showing here that the world's leaders and greatest influencers do not operate in the physical world like you and I; they make their business dealings through the trading of nations and souls in the spiritual realm. Satan and his lieutenants live in the reality of the following Scriptures:

‘By faith we understand that the worlds were prepared by the word of God, so that what is seen was made from things that are not visible.’

And, ‘Because we look not at what can be seen but at what cannot be seen, for what can be seen is temporary, but what cannot be seen is eternal.’

The spiritual realm is the 'true' world, and this physical realm is only a reflection of it.

The elites' claims of hard work, their speeches and documentaries about creativity, determination and success are an illusion.

For example, the Apple iPhone was not 'created' by Steve Jobs; it was given to him as a final product by satanic agents in the occult spiritual realm. All he had to do is be a really good actor to sell the illusion of his authorship.

The fake story about Facebook is another thing. That social platform was in reality pre-made by the aliens, who are also the true inventors of the internet, which they gave to the American government to gradually introduce to the world through the CIA.

The so-called founder of Facebook, Mark Zuckerberg, was hand-picked by Satan to be the face of this occult invention, and that's what he's been doing: being a puppet and slave.

There is a 4000-word proclamation, #63, where YHWH gave me a long dream detailing the exact way that Jeff Bezos, the so-called founder of Amazon, was similarly hand-picked,

initiated, and then trained by Satan to be the face of this company, which the Lord revealed is a giant logistical handler for human trafficking.

Yah showed me Jeff Bezos' whole journey and then asked me to proclaim it at His Fruit Factory. If you take the time to read that proclamation, which I highly recommend you do, you will be better equipped to understand the principle I am trying to explain here. It is titled: Amazon, The Human Trafficking Giant.

It is in the dark spiritual world that presidents are elected or demoted, laws written or erased, kings enthroned or dethroned, economies developed or plundered, and wars won or lost. It is there that what we experience is shaped, decided, and then brought out into the visible world for the ordinary person to experience.

There, they kill, steal and destroy others to make sure that their desires and plans are what manifest in the end.

Misconceptions about the so-called 'deep state'

The idea of the existence of a 'deep state' was originally the trademark of the minority of people that legacy—or popular—media has classified as conspiracy theorists. But this has since been moving out of the realms of speculation into that of facts, as the general public has begun to see things that were once called conspiracies become, more often than not, a reality.

This theory of the deep state, as it is known today, is that behind the governments of the world in general and the American government in particular, there is a very small group of people who sit at the very top. They are considered the true power that governs our nations, whilst the politicians we see are only puppets that stand at the forefront to do their bidding.

In giving me the interpretation of this dream, YHWH told me that even these conspiracy theorists don't have the deep state theory entirely straight.

The version of the speculation about this deep state is tailored to what 'they' are comfortable with us knowing, not the truth. That, too, they have manipulated.

When what is considered a 'conspiracy' is put through the filter of what Satan and his lieutenants want us to believe, it shows the extent to which the world we live in truly is, as Yah has said an uncountable number of times here at His Fruit Factory, a pure fantasy.

Satan's true shadow government

By showing a large and uncrackable labyrinth with narrow corridors, which operates in the dark underground and is visited by a myriad of people walking in and out of it, Yah is telling us that this hidden group of people, this deep state that I will refer to as shadow government, is not made up of a very small elite that exists only at the top as we think. It is much more complex than that.

I intentionally used the words 'labyrinth' and 'myriad' in explaining what I saw.

Labyrinth, definition: a complicated irregular network of passages or paths in which it is difficult to find one's way; a maze.

Myriad, definition: a countless or extremely great number of people or things.

Our Lord told me that the true shadow 'state' or government that runs this world works exactly like a fully fletched-out, highly organised and cut-throat government. They are organised by continents at the top, and then regions, subregions and finally, nations.

There are thousands of people who work for this kingdom, from every single nation on earth. Every. Single. One.

Even Russia and Iran, who rejected the rule of the Fake Jews and their financial system from the beginning, have members of this shadow government in their midst. But since these nations are hostile to the Fake Jews, the beast and his laws, these shadow government members have to operate with subtlety as infiltrated agents. They have to suggest, stir and manipulate, instead of flat-out dictate what must be done.

It is through this government that Satan runs the whole world, and it is from this government that the power that will be given to the end times beast of Revelation 13 and Daniel 7, that is Barack Obama, will come.

‘This is what he said: As for the fourth beast, there shall be a fourth kingdom on earth that shall be different from all the other kingdoms; it shall devour the whole earth and trample it down and break it to pieces.

As for the ten horns, out of this kingdom ten kings shall arise, and another shall arise after them. This one shall be different from the former ones and shall put down three kings.' — Daniel 7:23-24.

How this shadowy government works

We have established that the true government of the world, Satan's shadow government, runs primarily from the occult spiritual realm of the kingdom of darkness. This format makes them undetectable, as they do not conduct their affairs in the physical realm and broad daylight. The only time that they do meet in broad daylight it is to participate in their occult masses and other rituals.

It is also a rare occurrence to ever audibly hear them discuss the true nature of their shadow business because they mostly communicate spiritually.

As for their institutional model, they function like a kingdom.

As we speak, the beast has already ascended to power as king in that government, as YHWH revealed here in February 2025. They are all working for him right now, actively deploying strategies to prepare the world for his visible ascent to power in years to come.

The internal structure of the shadow government may be a kingdom, but their ruling strategy over the nations of the world is for our countries to be mirrors of what they have in the shadow government, according to their final objectives for that region.

There are even nations that Satan has established on earth, whose source are in his invisible government, that Yah does not recognise as nations.

In such instances, the nation is first created in the shadow occult kingdom. There, its government structure is established and the people who should fill those seats of government chosen.

After that, all the necessary people and coalitions who must use their influence, labour and resources to make it happen in the physical realm are appointed. Finally, the plan is deployed in the physical realm to create the perfect mirror image of what had been decided in advance through occult manipulation and planning.

Remember the example of the false companies above, how they do not invent or innovate anything, but are only a visible faces of what was already finished and pre-planned by the demonic realm. It is the same way here, but at a much larger scale.

The most perfect example for this phenomenon is the a false nation of Israel that has the triple-six triangular witchcraft pentagram on their white and blue flag (they didn't even try to hide their satanic affiliation), currently occupying YHWH's land in the middle-East.

Yahshua spoke about them in Revelation 3:9 and 2:9, and called them 'The Synagogue of Satan, who pretend to be Jews but are not.'

Please examine what the word 'Synagogue' implies and realise that Yahshua was speaking about a people who were actively operating as Satan's highest and most trustworthy worshippers, and then decided to put on the disguise of being jewish to deceive the world by calling themselves the nation of Israel.

This is not a conspiracy, for their own scholars, researchers, university professors and politicians talk about their history as descendants of Ashkenaz, NOT Jacob, whose name was changed to Israel by Yah.

The harm that these people have caused to the whole world in general, and the true biblical Hebrews in particular, is beyond what the normal human mind can conceive. Imagine being so wicked that you are trading the souls of entire nations, hundreds of millions of people at a time. This is the level of their occult operations.

They are Satan's personal tool of destruction and rulership over the earth, his synagogue.

About a week ago, whilst Yah was telling me details about His Israel, what they are up to right now in various parts of the world, He began talking to me about the true identity of the fake Jews, which is something He never does. He only ever tells me about the wicked things they do, never where they come from.

I know that a considerable portion of you who read The Fruit Factory know a lot about these people and have spent several years researching them, and even working for and collaborating with them, but the knowledge of them and how they operate is quite new for me.

Needless to say, this exposé from YHWH about them rocked my world a little bit. I will share an excerpt with you here.

Record date: Oct. 16, 2025.

Thus says YHWH:

‘The fake Jews are Germans. Elvira, they are Germans.

Listen to Me, your Father, and I will tell you exactly who you are dealing with.

They are not Jewish people, neither by faith nor by heritage.

They have been faking this identity since the time of Christ; this is nothing new. None. It is not a recent matter of when they settled in Israel some decades ago.

They do not believe in the Torah, it is an ornamental book to them. Neither do they believe in the Prophets and My divine prophecies.

Their doctrine is that of the Talmud, which was written by their satanic high priests and has been perpetrated as their fundamental scriptures over the generations.

They all know, as a people, very clearly, that their god is Satan. They are not dumb, none of them is innocent.

They have never observed the law of Moses, and they deny and despise Christ.

These are German people, My daughter. They are all descendants of the Vikings, whose fundamental culture is that of occultism.

Their mother tongue is German, not Hebrew, not even Yiddish; German. They speak the kind of old German that is not even taught in school anymore; those are their roots.

This German is taught to them by their parents, in every single home, the same way that your parents would speak to you in your native dialect, is how their parents speak to them in German. That language is preserved this way because it is their pride.

The same way your parents would not want you to forget the language that they grew up speaking every day, growing up in the village before the colonisers arrived and imposed their English, French, and other European languages, is how these people teach their children German, in order for their true heritage and faith in the occult not to go extinct.

They know they are impostors; they know they are liars, they know their true faith: satanism, and they all practise it. They teach it to their children and their children's children.

The royal family of England is not even English. They are Germans; the same group, the exact same people. So it is no surprise that it was Britain that gave them what they needed to establish their counterfeit nation.

The English people will find out that those whom they worship as king this and princess that, are not even their own people. When they do, it will start a national social earthquake.

The people who rule over France are also the exact same group; the same people. Germans. Macron is German, not French. A descendant of the Vikings.

It was a detailed plan enacted by Satan to replace all the native rulers of these lands with his trusted synagogue.

These are the same people who colonised Africa, the Islands, and enslaved them in America. The exact same people, descendants of Vikings. If Israel wants to know who its true oppressors in this world are, they must look no further: the fake Jews.

People have had their eyes set on Judah in America and Africa the most, but the rest of Israel, those My word calls Ephraim, are out there, in the Austronesian Islands and tribes, and all the four corners of the earth.

I know them all by name, lineage, group, clan, and tribe; and My eyes have seen every single injustice that was done to them by their cruel oppressors.

A year ago, I showed you how it is here, through your mouth and in My Fruit Factory that I will post the literal names of My people, their tribes, and fathers' houses, when the time for it comes. We started the chronicle 'Unveiling the 12 tribes' based on that.

Today, I tell you that it is also here, through your mouth and in My Fruit Factory, that I will unpack the true nature of these people. I am not only talking about oracles, but genuine investigative journalism, interviews with witnesses, feature-length documentaries, academic journals, all backed up by written, audio, and video evidence.

I know them, I see them, I will destroy them.

Brace yourself for this, My daughter, because it will not be like anything we have done so far, nor has anyone done before and will ever do again; for these people operate in the kind of darkness that is unfathomable to even the wicked who think they do wickedness.

When I am done with them, they will have no place to hide. I have chosen to do it on My Fruit Factory.'

Yahshua plucked me, a true Jew and descendant of Jacob, out of the heart of Africa, and made me settle in Germany, the homeland of the fake jews, who are Satan's primary instrument of destruction against us.

He brought me in their land, made me learn their language, acquire their citizenship, and learn all that there is to know about their culture and society. For today, I am writing this text as a German who lives in Germany.

Now, He is going to use this ministry as His tool to destroy these fake Jews; turning the oppressed into His witness, and the oppressor into the oppressed. All the years I spent in this country shall not go to waste, that is my commitment.

Thus says YHWH to His servant:

[Jeremiah 1:17-19]

'But you, gird up your loins; stand up and tell them everything that I command you. Do not break down before them, or I will break you before them.

And I for My part have made you today a fortified city, an iron pillar, and a bronze wall against the whole land, against the kings of the synagogue of Satan, its officials, its priests, and the people of the land.

They will fight against you, but they shall not prevail against you, for I am with you, says YHWH, to deliver you.'

AFTERWORD

The Fruit Factory is a call to true Israel and the end times church. It is time for harvest! The Lord Yahshua, the Christ, is sounding the trumpet: only the fruitful will make it.

Here are our top-five recommended proclamations for every reader of The Fruit Factory to get a clear understanding of the times that will preface the Messiah's return, and learn how to endure till the end. Please *read them in order, from top to bottom*. You won't regret it.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
