PROCLAMATION

In volume two, we discussed what Yah revealed about the methodology that Satan's shadow government uses to rule over the whole world, through the fake jews. We established that:

(1) Every single position in our visible government has an invisible counterpart, in a parallel, or mirror, hierarchy.

(2) Whilst the members of the open government are the people we can identify as our political leaders, the shadow members operate out of public sight.

(3) Laws and policies are passed and executed by the shadow members from their invisible positions of power, whilst the open politicians' primary tasks are the control and distraction of the general public.

As instructed by YHWH, in this volume, I will provide yet more details about this shadow government, in which Yah said that He has planted a mole. As a reminder, I learned the information explained here when Yah gave me the interpretation of a vision I saw on July 20, 2024. Please go to part 1 of this chronicle to read all about the vision.

‘For our struggle is not against blood and flesh but against the rulers, against the authorities, against the cosmic powers of this present darkness, against the spiritual forces of evil in the heavenly places.’ —Ephesians 6:12.

The members of Satan's shadow government

Our heavenly Father told me that the shadow government is, unsurprisingly, primarily made up of Catholic priests, to 80%.

The Catholic priesthood is a sect which makes up the most powerful occult brotherhood on earth. Their rituals primarily revolve around two main things: sodomy and human sacrifice. They live and breathe for Satan and his government.

It is for this reason that at present, even though the Catholic church has spent over 5 billion US dollars in boy sexual abuse legal cases and settlements, it is still allowed to continue with its affairs. They are perfectly undisturbed, and not a single priest has set foot in a jail cell.

What happens in these sexual abuse cases is that the priest gets transferred to a different region of the Catholic church in the world. If they are lucky, they will get a paid two-week leave, that is, a paid vacation somewhere poor and exotic, where they will easily make twice the amount of victims they were guilty of.

These people are so untouchable because it is they who truly run this world, not the politicians that our eyes see. Also, realise that if what makes it to court and the media is as grotesque as what we have all witnessed, then the reality of what is happening in the shadows is very much worse than that.

Remember what we discussed in the first volume about the shadow government structure: it is divided into continents at the top, then regions, subregions, and finally, nations. What is truly happening is that the priest is getting relocated to another area of their government—simple. Because what happens after such explosive abuse cases? Nothing. The media and the world move on to something else, until the next scandal.

Recruitment & training in the shadow government

Yah further revealed that the recruitment into this cult as a Catholic priest starts very early, with the altar boys you see participating in mass every Sunday. They do not randomly end up there, but are scouted around the local communities, nations and even the entire world.

Yah told me that the recruitment into this cult as a Catholic priest starts very early, with the altar boys you see participating in mass every Sunday. They do not randomly end up there, but are scouted around the local communities, nations and even the entire world.

At that stage, these altar boys are mostly the pieces of meat that get passed around during rituals. As they get older and grow in the training we will discuss later, they progress onto the next steps, whilst the new wave of altar boys takes over.

Before Sunday mass, the cult holds its underground occult mass to blaspheme Christ and pray to their idols. After mass and during the rest of the week, they are put through occult and sorcery school, learning how to practice advanced-level spiritual manipulations, sorcery, and cross-world living.

Cross-world living is a term that Yah used to describe the ability to seamlessly enter and exit the spiritual (unseen) and physical (seen) worlds. Someone could be sitting in the train next to you, reading a book, scrolling through their phone, or staring out the window, but they are simultaneously in one or several occult meetings somewhere in heavenly places.

At the basic level, they learn how to cast spells and practice astrology, which is a form of sorcery used to tamper with time and reality as a whole using stars, the sun and the moon, etc. They learn necromancy and speaking with the dead.

They learn how to project illness, madness, poverty and all kinds of misfortunes and afflictions onto people. They learn to possess other human beings with their own souls and are taught to live with hundreds or thousands of demons inside of them.

At that young age, they are mind-controlled using torture, electroshocks and hallucinatory drugs. They are taught how to lie to cover their tracks, and live with multiple personalities that they can switch between depending on the circumstance.

Their souls become a malleable substance, like mashed potatoes, in the hands of their mentors, who will usually be a more experienced and high-ranking 'father' in the church. After reaching that milestone of malleability, they are appointed to be whatever new agent the government needs at the time.

As they grow, they learn to become hosts for greater principalities and powers. They learn to abduct and replace human souls within human bodies; to rob people of their God-given gifts, talents, or to swap people's destinies; to manipulate the human mind and force it to do their bidding.

Aside from the spiritual schools, they are given knowledge and history of the world according to Satan's programme and plans. They learn about their shadow government, the powers and principalities behind various regions and nations, and then they are trained to be integrated into it.

These are just a few things that go on behind closed doors, in the monasteries and Catholic churches of the world.

You may be walking past a Catholic church in your area, thinking that when you see that priest on Sunday you are looking at a servant of Christ, as he walks about with his black robe and a big cross hanging around his neck, feigning humility and virtue, when in reality, he may be the governor of your state or the vice-president of your nation. That would be a position for which he began training as a six-year-old altar boy.

I invite you to read #67, in which YHWH showed me, on August 4th 2024, the Pope joining hands with Barack Obama to introduce the beast's one-world religion, whose god is Satan. He underwent a ritual and was hosting the angel of death within his own being.

‘They have eyes full of adultery, insatiable for sin. They entice unsteady souls. They have hearts trained in greed. Accursed children!’ —2 Peter 2:14.

Thus says YHWH:

‘The Roman Catholic church is not a Christian church, and catholics know this. They are massive pretenders and hypocrites.

They know that their true deity is Mary, the same queen of heaven I rebuke in My word, and they use Christ as a way to put a label of Christianity on their religion when they know very well that it is not primarily to Christ that they pray.

I am not talking here about some elites in the Catholic church, but about the everyday church-going Catholic, who make up their billions of members. Catholics know that their primary deity is Mary, her angels and saints.

Don't they know that there are graven images of idols and things that are in heaven all over their buildings and chapels, which My word forbids?

Aren't they aware of the practice of necromancy that has made it a law to keep corpses of their so-called saints, with human bones and other such occult artefacts in the underground of their buildings, essentially proving that their place of worship is not a church but a graveyard?

They use Christ's name in vain, the same way the fake Jews use My name in vain. They have their own version of Scriptures, the same way the Jews have their own version of Scripture.

The human soul may deceive itself a lot, but when they take that rosary, which has devoted 90% of its prayers to Mary and other idols instead of Christ, it is abundantly clear who they are truly praying to.

Catholicism is a disguise for the occult, which blasphemes Me and uses Christ's name in vain; the same way that the fake Jews have a Jewish religion that is a disguise of the occult that does the same thing: blasphemes Christ and uses My name in vain.

They both pretend to be "Abrahamic" religions but I, YHWH Elohim, do not know them. They are not to be spoken in the same sentence as My honourable servant Abraham and his offspring.

Catholicism and the fake Jewish religion are two pieces of the same coin, which worship Satan. The exact same people govern both: his synagogue, the fake Jews.

That is the blasphemous nature of two of the most influential religions in your world today. They have been working adamantly at the defilement of the earth, so the hour when they can finally publicly worship their god, Satan, can come quickly. That is their devotion, their plan.

The gigantic alteration of history and the thousand years that were added to Man's presence on earth were primarily achieved using the Roman Catholic Church. They are the authors of that massive deception, and nothing has changed since. They are the synagogue of Satan present on the earth for all of you to see.

The altered images of Christ into a pale-skinned effeminate man, His disciples into old and worn-out white men; the art, books, poetry, literature, etc, of the so-called medieval period, were all made up by the Catholics. A complete fabrication. They are the ones who altered the calendar and plunged the whole world into a false reality.

The fruit of that religion over the centuries has spoken for itself in testifying to more death, carnage, destruction and idolatry, which are the fruits of the kingdom of darkness, than it has testified to the fruits of the Kingdom of Christ.

That is also why Satan's shadow government is occupied almost exclusively by catholic priests.'

If you are confused about Yah's comment on a thousand years having been added to our existence, and all the alterations to our history, please read #137.

If one researches a little bit closely, one will realise that all the leaders of the world have a connection either with the fake nation of Israel or the Catholic church, in some way, shape or form. They mostly try to keep their connections undercover, but a little research always proves fruitful.

'No one shall be found among you who makes a son or daughter pass through fire, or who practices divination, or is a soothsayer, or an augur, or a sorcerer, or one who casts spells, or who consults ghosts or spirits, or who seeks oracles from the dead. For whoever does these things is abhorrent to the LORD; it is because of such abhorrent practices that the LORD your God is driving them out before you.' —Deuteronomy 18:10–12.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
