PROCLAMATION

Beast Kingdom — Volume 3

I received a series of visions and spoken words of prophecy from YHWH to tell us all :
the truth will go instinct on the surface of the earth.

Thus says YHWH:

‘The Antichrist hates 3 main things:

- (1) A life of consecration to YHWH
- (2) The truth
- (3) Anything that is of Elohim.’

This statement from Yah was followed by a vision of an Amazon book web page. The book was opened, and its information began to be partly altered and partly removed. Then, the new contents of the book were saved and published as if nothing had changed.

Those who purchased that book before the change will be reading a different book from those who did after, and neither of them would know that they have different versions of the book.

Then YHWH put it in my spirit to understand that Amazon will do this, and not only Amazon but most book publishers around the world. They will go into books that contain truth, like books of certain preachers and ministers, whom Christ had commissioned to write and teach, and they will alter facts in the books to pollute and defile them. If you, reading this, have your books on Amazon as uploaded files and Amazon takes care of the printing, they will do it to your book, and you will not know it.

YHWH is saying now, ‘Not that they will, but they have already begun. It is still subtle now, but it is about to stop being so. When they do, you will not be able to do anything or complain. That is why these companies alter the Terms and Conditions every day. They are even doing it to your Bibles.’

Thus says YHWH Elohim:

‘The destruction of knowledge in books is happening. The easiest ones to destroy are those Amazon KDP books and also e-books because you give them your source files, and they decide what they print, so you have no control whatsoever over the final content that readers receive in their hands.

They are corrupting the truth. They are destroying knowledge. It is already happening, and it is about to go through the roof. Anything that contains the truth of My word in teachings, testimonies, and such works will be destroyed.

Even outside of religious books, the general library of knowledge will be destroyed. The altering of facts is already happening in audio and visual media; now they are attacking the written word.

The few books that still contain truth in their facts will be destroyed by tampering, and there is nothing you will be able to do other than remove your books from their platforms and count on Me to be your Publisher and Salesman. Count on Me, the One who commissioned you to write those books to bring the people who will purchase them directly through your platform.

Eventually, those books will be outlawed all over the earth, whilst ancient books of sorcery, witchcraft and occultism that had once been banned will be returned to flood the bookshelves.

Listen to Me when I speak.

You must protect the truth and preserve it. In the future, the truth will be so extremely rare that it will almost exclusively exist in hidden places. Books hidden under mattresses, behind walls, in kitchen shelves or in storage garages. This is your future, so start storing knowledge: the good, true and fruitful books, now.

As for My word, hide it jealously in your heart because a time is coming when the mere sight of a Bible will get you killed all around the world.

It has already begun!’

After transcribing these words from Yah, I sat still and meditated on them. After a moment of meditation, our Saviour began giving me visions of such changes happening in

hundreds of digital source files on Amazon; information was being altered and erased. Texts were being put through apps that are meant to alter their meaning.

‘Yes, everything the Lord has shown has already begun,’ I said, utterly shocked at what He was showing me.

Everything abruptly cut to a new scene. I saw a miniature man; he was the size of an insect, a cockroach. He stood next to a Bible about 40 times his size. This size disparity between the two could not have been overwhelming.

The cockroach-sized man climbed on top of the giant Bible, as if climbing over a fence. After opening it, he started running across the lines of the word of YHWH. It was as if his feet were erasers and the words on the page written with a pencil; every one of his steps erased something.

Once he realised that it was working, he started playing around with it. He sprinted across a line, Vroom! Turned around and rejoiced at the fact that everything had disappeared, as if there had never been any words there.

He then ran from left to right, line by line, page by page and relished the sight of those words disappearing. He was having so much fun doing it that he began to cackle like a little child on a playground, who knew he only had 15 minutes to make the most of his play time.

He ran, laughed, ran, and laughed some more. Just like that, this creature was emptying this Bible of its content and enjoyed every single moment of it.

As I watched this scene, YHWH changed topics abruptly and bluntly stated, ‘Hollywood’s destruction has begun.’

Thus says YHWH Elohim:

‘Hollywood stars will become sick with horrible diseases and coughs. They will do everything to keep it secret and keep going. As they do that, all of them whom YHWH will judge will impart those sicknesses onto everyone who follows them. So the deadly calamities will spread through their fandoms. Both the celebrity and those who have idolised and continue to idolise them will be afflicted and will die.’

This is where YHWH’s words ended.

I later received further information from Yah about this topic on August 15th, 2024.

I was in bed, in a sleepy state but not asleep per se; my mind was wide awake. YHWH started speaking about this matter once more with a lot of urgency and weight in His voice. He repeated these sentences so many times that I had to wake up and write them down.

Thus says YHWH:

‘The Bible getting erased will come overboard.

These demonic books will come overboard.

The Bible getting altered will come overboard.

America will fall, she will fall hard, you will see the day America will fall. She is the one who will spearhead this phenomenon.’

‘He shall speak words against the Most High, shall wear out the holy ones of the Most High, and shall attempt to change the ritual calendar and the law, and they shall be given into his power for a time, two times, and half a time.’ —Daniel 7:25.

‘The beast was given a mouth speaking arrogant and blasphemous words, and it was allowed to exercise authority for forty-two months. It opened its mouth to speak blasphemies against God, blaspheming his name and his dwelling, that is, those who dwell in heaven. Also, it was allowed to wage war on the saints and to conquer them. It was given authority over every tribe and people and language and nation.’ —Revelation 13:5-7.

Vision interpretation

YHWH chose an image of this being, the Antichrist, the size of an insect to show the staggering difference in authority between him and the word of YHYH. Yet, in this same vision, he was given power to run over the lines and erase them.

The greatest blasphemy one could do against God is to attempt to erase His word, which came in the flesh in the person of Yahshua the Messiah. Scripture tells us that this lawless, blasphemous creature will be allowed to do it—but only for a season. That’s why he was going so hard at it; for he knows that his time is short.

Hollywood is highly involved in this truth destruction process, for from its inception, their content has been exclusively focused on being anti-Christ. America is Babylon, the mother of all harlots of the end times, who will infect the whole world with her adulteries. YHWH has judged them and their fanatic cults because of it.

The meaning of 'come overboard', as used by YHWH in the last statements, is that those who will be performing these acts will do so with extreme zeal and enthusiasm.

In closing

Have you buried enough of the word of God in your heart that you will be able to live off of what you have stored up, even if the Bible is no more? Do you read it daily? How is your faith? Have you repented today?

If your answers to these questions are not firm, YES, YES, EXCELLENT and YES, then it is time to roll up your sleeves and start doing the work of the ant: storing up during the season of plenty for the season of spiritual drought is at hand.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
