## PROCLAMATION

YHWH gave me a dream of the coming international travel bans that will once more be imposed on the whole world.

A public figure stopped me as I was walking down the street; let's call him Deonte. It was the first time that we met face to face. He told me that he wanted to have a sit-down with me. 'Yes, we can do that,' I said.

But I had to tend to a relative, let's call her Maria, who needed my help, so we made an appointment for later at a restaurant not far from where we were talking.

It cut away to Maria and me. She had an international flight to catch and needed me to drive her to the airport, and I did.

When we arrived, we got out of the car and made our way to the check-in counters. We were caught off guard by the fact that there were no flights at all, so we couldn't check in.

The flights had been replaced by large buses, so we walked back outside and went to the bus station that was somewhere under a bridge. We identified the corresponding buses for our flights and got on. There were a lot of people doing the same as us; no one had been informed of these changes in advance.

The bus drove all around town and then ended up bringing us back to our original destination. We basically went nowhere.

I was so confused by what had just happened. I asked Maria if she knew why we just went around in circles for no reason, and she didn't.

In that moment, I remembered that I had to go to the appointment with Deonte, and I was late. I kept thinking, 'What am I going to tell him is the reason why I am this late?' Especially since we ended up going nowhere.

I got out of the bus and saw that all the other buses had gone through the same, going around in circles, and we were all back to square one. We were all standing there, talking to each other and unable to understand why we were not taken to board planes and instead.

That is when I woke up.

## INTERNATIONAL TRAVEL BANS

### Thus says YHWH:

‘Strict travel bans are coming all around the world.

You will not be able to board any international flights, and for many, especially in Europe and America, you will not be able to even travel to the neighbouring states or countries that normally have an open-border policy with each other.

In some of these countries, you will be able to travel by car, but even that will begin to get regulated. This is going to arrive very soon. When you see this happening, know that the beast is very, very close.

They have already planned it in the background.

It is going to happen, and it is going to come with a pandemic. By pandemic, I mean COVID-19 2.0. Except that this pandemic is going to last much longer and will take many more lives.

This pandemic will be man-made like the last one was. But what they do not know, what they do not expect, is that I will step in and turn it back on them. The people who are making this thing, I will make sure that they die from it.

It is time to balance the scales.

They will start dying from it. They will try to make it stop, but it will not work. The angel of death would be flying over the world at that point, unstoppable.

If you do not live holy, you will be ravaged. If you pretend to be a Christian but have unrepentant sin in your life, you will be ravaged. Both young and old, black and white, will be ravaged.

It is time to balance the scales. I, YHWH, who weighs the mountains in a balance, will do so.

Store up in the good days like the ant does. Turn to Me in prayer and fasting and ask Me for counsel. Walking in divine wisdom and radical obedience is the only way you will make it out alive.

## INTERNATIONAL TRAVEL BANS

The world's economy has not even recovered from the last pandemic yet. The travel bans will be enforced, and this time, life will be much worse than the first time around. The beast is counting on it; it is his plan.

If you cannot survive without entertainment, start working on it right now.

If you are not able to focus and read for more than 15 minutes, start working on it right now because many nations will weaponise the lack of power and internet against their people.

What will you do then? Tell Me, who will be there to keep your mind distracted?

I will allow it so that My people will be forced to pick up their Bibles and read. To pick up the books that will be published here at My Fruit Factory and from My other chosen servants and read.

There will be no way to watch your false prophets on YouTube. You will be forced to grow up and out of the filthy baby milk you have been consuming.

I will strip you of your comfort and allow you to be hit by despair and calamity so that you will finally remember that I am He, who made you and who is the only One who can save you.

You will be humbled.

From the richest to the poorest, you will be humbled. From the reprobate mind to the confessing Christian, you will be humbled.

He who is able to humble himself before Me now in repentance, prayer, fasting and holiness, will rejoice in that time, for he will not need to be humbled by those circumstances, but instead, will be preserved.

I, YHWH, have spoken and My word will not return to me void.'

'When he broke the fourth seal, I heard the voice of the fourth living creature call out, "Come!" I looked, and there was a pale green horse! Its rider's name was Death, and Hades followed with him; they were given authority over a fourth of the earth, to kill with sword, famine, and pestilence and by the wild animals of the earth.' — Revelation 6: 7-8.

### By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
