PROCLAMATION

I saw a young black boy in a living room. He is about 6 years old. Then he began to grow in height and size exponentially. Within a few seconds, he was a very tall and imposing man.

Lebron James's physical attributes of height and size are what I would liken this man to. He was tall, dark-skinned, muscular, handsome and with an imposing presence. He is also wealthy.

Then I saw this man standing at the reception of a restaurant, and women were lusting after him, especially black women. All over the room, the lust on their faces could not be contained. Except that my view was lifted up to the top of his body, and on this man's forehead was written 'NOT HUMAN', followed by 'DEMON', and lastly 'HYBRID'.

He picked up all of these women and had sex with them. He chose black women exclusively because that was his target. These women were all insanely infatuated with him as if under a spell, under his grip and with no restraint, and they would do anything to please him.

Next, I saw these women lying in bed, and I watched him get out of bed and abandon them after intercourse, one after the other, sometimes several at the same time.

Out of these women, my view was narrowed down to one of them and zoomed in on her belly. Inside her belly, I saw her womb illuminate with a round shape inside it. Then I saw this happen to 3 other women consecutively. I understood that the Lord was showing that out of those women, three of them were now pregnant with his children.

It cut to a vision of the children in their newborn phase in their mother's arms. It appeared as if a screen was split into three, and each woman was carrying her child in that way, so they all gave birth around the same time. Then my view zoomed in on one of the three children's faces, and on their foreheads was written: 'NOT HUMAN', then 'DEMON', then 'HYBRID'.

Here I heard the Lord say, 'I will strike both the child and the mother with the judgment of death.'

HYBRIDS IN YOUR MIDST

Then I saw a scene of this man in a home where he lived with one of his other baby's mothers. The visions began with the woman leaving the kitchen and walking towards her child's bedroom. She suddenly fell down and died. The Lord had struck her then and there. Then the child died in his crib just a few seconds later.

The man had been in the living room, and he started wondering why he had not heard from the woman or the child in a while. He called out to her and heard nothing back. He got up and went to check what was happening and arrived to see both the mother's and the child's corpses in the bedroom.

Then the vision cut to this man in the midst of boiling water in the kitchen. As it boiled that way, he got ready to cut up his girlfriend and child into pieces, but he bent forward to suck their blood first. Yes, like a vampire.

Then the vision cut to him feasting on their flesh. In this vision, he was using his beast-like teeth, not the ones that he wears to look human. He was basically looking half-human and half beast. I saw him eat the different body parts that he had cooked and served on the table in large recipients. I saw their heads cut off with dead eyes looking in the emptiness, placed on the side as he intended to take extra care for their degustation.

The next scene was of him cleaning the house like nothing had happened. Then he packed up a few things and left, simply.

Then I heard the Lord say, 'This is how black women and children have been disappearing. Only partly, though the majority are just eaten without me having to apply any judgement of death beforehand.' He adds, 'They are eaten alive and drained of their blood.'

Then I saw a black woman, another one, living with this same guy. It was a different time, different place. He had changed his life completely and also had a baby with this one.

I suddenly saw the word 'REPENT!' appear, cutting the scene off.

Thus say YHWH Elohim:

'Repent today! Repent!' You, who has been sleeping with the devil and bore him a child, repent now!

HYBRIDS IN YOUR MIDST

If you repent, then I will kill that abomination and devil of a child, and I will forgive you. If you hold onto Me, I will cleanse and heal you. It is not too late. The hour of judgment is approaching here on earth, not the afterlife.

Repent now and save yourself from My wrath and judgment. It is free!’

Then I saw the woman in her prayer closet pouring her heart out to the Lord on her knees. She was confused as to what to pray.

The Lord said, ‘Just pray and ask Me if your boyfriend, husband or child is human. Ask Me to reveal to you who you share your bed with. Ask Me to show you the truth.’

After this, I saw the same woman having a dream, and as her dream began, it was as if I was now having that dream too, so the Lord showed me what she was seeing as if I was the one experiencing it first-hand.

She dreamt that after she fell asleep at night, this man would walk into the child’s crib, stand next to it and transform into a fish. As soon as he did, his child also transformed as he saw his father do. They both made their way to the bathroom and jumped into the toilet water as a door into the marine spiritual kingdom.

She woke up from that dream, shocked and petrified. She prayed in distress to ask the Lord what to do. He told her that she must now pray against them, especially the man who has initiated her into witchcraft and with whom she is in all sorts of deadly spiritual covenants because of the multifold sexually immoral acts and other acts she has committed with him to the point of carrying a demonic creature for 9 months and birthing it. He told her that it was a matter of life and death. That she will either die if she loses the battle or live if she wins, in which case both the man and child will die.

By the time the Lord had finished speaking, she was crying uncontrollably. **He answered,** ‘Stop crying! Instead, start plotting how you will leave this place undetected as soon as possible.’

The vision cut to her packing her most essential things with no clothes or whatever else, and leaving her home at a time when neither the man nor the child was there. She stopped at a gas station and went in to buy a burner phone. She had the number of a deliverance pastor whom she had spoken to and was waiting for her to arrive.

HYBRIDS IN YOUR MIDST

She was going to leave on foot and just get an alternative transport means, but remembered she had a phone with her that could be easily tracked. She went back to her car and sat to copy important phone numbers from her phone. She called the pastor on the burner to tell him what time she would be arriving and where she was at the moment. Then she left the phone in the car at the station.

Then a scene of the woman arriving at the church began. She was welcomed by the pastor and brought to his office. After she sat down, she began to tell the story of what had happened. 2 more pastors joined them and were listening. Her story seemed to be so unreal that the 2 pastors who joined later began laughing in disbelief.

Thank the Lord that the main pastor was not an unbelieving or ignorant minister; he was patiently listening and paying attention to every single word. He believed her. He told her that she couldn't go to work or any place she usually frequents until she was delivered completely because that was the first place they would be looking for her.

Then I saw her set up in a tiny room in the church's basement, where she spent her entire delivery time for weeks. Other ministers and intercessors were there and would pray with her and for her every single day. Sometimes 24 hours straight. The spiritual warfare was extremely violent.

The Lord said, 'Your window to be rescued and saved is closing. Repent now. Come to Me in repentance and turn away from your evil and wickedness, Israel. If you repent and do the work, I will surely rescue you and deliver you, but if you don't, then judgment will meet you.'

Later, the Lord added, 'This is what is awaiting you, Israel, if you don't repent and rid yourselves of those demons in your midst.'

After the Lord said this, I saw a news channel with a breaking news headline. The news reporter was saying, 'Today we have received the reports of over 70,000 black women and their children who have gone missing in the last 3 months, only in the United States. Women and their children both vanishing without notice is something we have never experienced at this scale.'

This is where the visions ended.

HYBRIDS IN YOUR MIDST

‘For as the days of Noah were, so will be the coming of the Son of Man.’ —Matthew 24:37

‘When people began to multiply on the face of the ground, and daughters were born to them, the sons of God saw that they were fair, and they took wives for themselves of all that they chose. Then the Lord said, “My spirit shall not abide in mortals forever, for they are flesh; their days shall be one hundred twenty years.” The Nephilim were on the earth in those days—and also afterward—when the sons of God went in to the daughters of humans, who bore children to them. These were the heroes that were of old, warriors of renown. The Lord saw that the wickedness of humans was great in the earth and that every inclination of the thoughts of their hearts was only evil continually. And the Lord was sorry that he had made humans on the earth, and it grieved him to his heart. So the Lord said, “I will blot out from the earth the humans I have created—people together with animals and creeping things and birds of the air—for I am sorry that I have made them.” But Noah found favor in the sight of the Lord.’ —Genesis 6: 1-8.

These hybrid men and their children already exist, and they are about to boldly come out of hiding in large numbers. Actually, the Lord revealed that Umar Johnson [the African-American man who talks a lot about returning to Africa and has a gazillion wives] is one of them. He is amongst those who perfectly pass for human, just like the one in this vision.

They are all over the Bible, like the giant Goliath and all the giant tribes that Israel had to defeat to conquer the promised land.

Repent! Return to God and put your house in order. When these things start rising, normal life as we know it will cease. Only he who has Yahshua as Lord and Saviour will prevail.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
