PROCLAMATION

'He shall speak pompous words against the Most High, shall persecute the saints of the Most High, and shall intend to change times and law. Then the saints shall be given into his hand for a time and times and half a time.' —Daniel 7:25.

A thousand years

Thus says YHWH:

'Satan has been playing the long game, and his hour is finally at hand. This hour has arrived through a lot of crafty deception, and you, My children, must know the truth.

There are about 1000 years of your history that are pure fiction. Some of these events happened, a tiny minority, but most of the rest were just made up, fabricated out of thin air.

The reality is that you have not yet reached 1000 years after the birth of Christ. You are still in the first millennium following his birth.

If you understand how easy it has been for Satan to convince the world of the theory of evolution, a theory that doesn't really make sense when one thinks about it closely, but that the whole world has been manipulated into accepting as 'science,' then you know how easy it has been for him to alter your idea of time.

It's the same way they fabricated the history of those who are called Jews today—out of thin air.

Also made up their fake Jewish calendar—out of thin air.

It's the same way they completely altered the representation of the Biblical story, turning strong and vigorous dark-skinned young boys, who were Yahshua's 12 disciples, into large paintings of old, wrinkled, and crusty white men.

They also turned Yahshua into a blonde, curly-haired, effeminate man, and the list goes on and on. The corruption of history that your world has undergone is too much to really list out here.

This is not about race, for I am Elohim, the creator of all races. This is about light vs darkness; truth vs lies. It's about the destruction of the truth and the proliferation of lies to a level that is causing the fabric of the earth to disintegrate.

I repeat, My Word became flesh less than a thousand years ago, not 2025 years like you all have been caused to believe. Your current timeline was set up across the whole earth by Satan because he is the king of the world.

Fabricating evidence to back up their so-called research is extremely easy. Once you all meet the aliens, you will be amazed at how much they can appear to be creating out of thin air.

It is all an illusion.

There is a time in history that they have called 'The dark ages,' after which they supposedly found a whole lot of lost scrolls, manuscripts and documentation about history, art, etc. That is a made-up story.

The truth is that the old material that they claim to have uncovered, which gave birth to a new season of recovering 'lost' history, and has now become what the world thinks is history, was just them fabricating new stories about Mankind that never happened.

When I told you in the first part of this chronicle that your entire world is fiction, a fantasy, most of you did not understand the depth of what I was saying, but I need you to understand this. If you don't, you will be easily ensnared by what will come next.

You must understand it now because what they did, adding a whole millennium to history out of thin air, they will do again.

If you have doubts about what you are reading now, come to Me, your Lord, in prayer, and I will personally show you the truth. If you just discard it as something too crazy to be true, you will reap the full harvest of your lack of faith and fall prey to the next worldwide brainwash that the world will go through at the hands of the devil and his demonic creatures.

[To the writer] Tell them about what I revealed to you in the summer.

I, YHWH Elohim, have spoken, and so it shall be.'

As ordained by YHWH, I will now proceed with giving you what I wrote down back in July.

WORSE THAN THE MATRIX

Received: July 27, 2025.

The proliferation of lies & alteration of time

I received a revelation about our future last night whilst I was in Bible Study. The Holy Spirit just dropped a massive load of information on me, and I have been meditating on it since. This is what He revealed:

The media of the future will change to exclusively AI; this includes media personalities; they will all be fake, non existent, a digitally generated illusion.

Only content that promotes (1) LGBTQ+ themes, (2) supernatural themes like hybrids, Nephilim, giants, sorcery & Co will be available to watch, listen to and read recreationally.

Everything else that we have today will be erased, including what we have preserved through recent history. All the films, books, music, etc, that were popular in the past but do not fit these descriptives will be removed from the internet... from everywhere.

How?

Governments will go through people's houses to confiscate their media and replace it with what is mentioned above; meanwhile, AI will scrub the internet —a very easy thing to do for them, by the way, because it was with the same technology that the internet was created.

It will happen during a global totalitarian government ruled by the beast as per Revelation 13. During this time, life will be like in the book 1984. From that media purge, we will evolve to something like The Matrix movie, but then we will eventually surpass it.

Physical books will not exist anymore either. Life without AI, humanoid gadgets and the internet will not exist. The children born in the near future will not know what our lives of

today are like at all, whilst the adults of the generation will suffer memory loss and identity renewal.

Aliens have powerful powers of telepathy and mind control; it will be very easy to wipe out the memory of entire cities and nations. This is also something that Satan has already disclosed that he would do, using popular series like 'Wanda and Vision' on Disney.

The people of this future generation will be told that we, the people of this generation in 2025, are an ancient civilisation. History will be altered, today's age will be considered the same as what was thought to us about when the homosapiens first came 'billions of years ago'. People will not know what our lifestyle of today is like—at all, and they will believe that it was really a long, long, long, long, long, long, long time ago.

It will be done in the same way that a majority of the world today thinks that there was a time when we were apes, then we developed into another stage, then there were the Stone Ages, and the next ages, etc. We will be an ancient civilisation to them, just another one of the 'ages' mankind went through.

The calendar will be changed, the way years are counted will be changed, so it won't continue as 2040, 2056, 2057, 2058, etc. Satan will create a new calendar to count days and years, making it extremely easy to alter everything that has been said and done in a past that is only a few years old, but that he will present as a thousand years ago.

As I am writing this down, YHWH is confirming to me that the year of today, 2025, is false too. They altered it. In truth, we are less than 1000 years after Yahshua's birth.

They altered the time when they created the Gregorian calendar. Since at that time people were mostly illiterate and the church was the government and the government was the church, it was easy to alter history simply by altering what was recorded in the church's and the king's chronicles. It is what they did.

In reality, we are in the year 900 something AC.

The way they created the Gregorian calendar, which has put us in the current system of counting time, years, months, etc., they also altered the eastern calendars in other parts of the earth. Calendars were altered in the past and will be altered in the future. They will do it again, but in another way.

The people who will refuse to take the mark of the beast will have to live outside this civilisation, but the governments will deny their existence. Any person who talks about them or their existence will be considered a conspiracy theorist.

True Israel's journeys in the wilderness

Israel will do 2 journeys in the wilderness.

‘And the woman fled into the wilderness, where she has a place prepared by God, so that there she can be nourished for one thousand two hundred sixty days.’ —Revelation 12:6.

The first journey will include only a select number of people of Israel, for we will not be totally regathered yet. It will last 3,5 years and will mostly include those people that YHWH will use mightily to regather and lead Israel to the land of the promise later.

‘As I live, says the Lord God, surely with a mighty hand and an outstretched arm and with wrath poured out, I will be king over you. I will bring you out from the peoples and gather you out of the countries where you are scattered, with a mighty hand and an outstretched arm and with wrath poured out, and I will bring you into the wilderness of the peoples, and there I will enter into judgment with you face to face. As I entered into judgment with your ancestors in the wilderness of the land of Egypt, so I will enter into judgment with you, says the Lord God. I will make you pass under the staff and will bring you within the bond of the covenant. I will purge out the rebels among you and those who transgress against me; I will bring them out of the land where they reside as aliens, but they shall not enter the land of Israel. Then you shall know that I am the Lord.’ —Ezekiel 20:33-38.

The second journey will be for the actual regathering and our second journey to the land of the promise. During this trip in the wilderness, which will include us all (and will last longer than a decade for sure), anyone who believes that there is a large group of people sojourning the desert will also be called a conspiracy theorist.

It will be hidden by Satan and his governments. It is only when we come out of the desert that they will act surprised; just like they will act surprised when the Aliens and other supernatural beings come out of their hiding to become our neighbours any time now. The

governments will act as if they never knew about the aliens, beast creatures, sons of Nephilim and hybrids, when they've been working with these beings the whole time.

That fake surprise is also what they will do in that future, when we come out of the wilderness to settle in our homeland: 'What? These people were out there in the desert for 2000 years? WOW! We didn't know, we promise!'

When we leave the desert, Israel will be like a different race of people. We will be normal people who have spent at least ten years (ten to us, but probably 2500 years to them...) without everything that surrounds the world in which we will live now, much less their world at the time!

We will not have all the gadgets and other modern tech in the desert. YHWH told me that it will be like when I went to the village as a kid. No running water. No electricity. No internet. No heating. Nothing.

More than rural, life in the wilderness will be RAW. A lot of people in true Israel will prefer to stay in the world instead of joining the rest for the regathering and journey in the wilderness because of this.

The Hebrews' end times glory

So, when we come back to the advanced civilisation of that time, we will be like a different human species. We will be a group of people who are 'organic,' strong and healthy; who have been nourished and preserved by the Father in the desert for years and years; who have had children naturally; whose children have grown up normally; and who will not know the internet, the advanced tech of the time and such things. All of this will be such a big anomaly that we will be seen as another human race, especially since they would have denied our existence all those years.

Amongst the Hebrew people, there will also be very elderly people, with white hair and all, but still physically strong, while in the world, very few people at that time will live beyond a certain age because of the desolation of the earth. The world we will return to will be so different from the one we left behind that it will be truly shocking.

When the Bible says:

‘Thus says the Lord of hosts: Peoples shall yet come, the inhabitants of many cities; the inhabitants of one city shall go to another, saying, ‘Come, let us go to entreat the favor of the Lord and to seek the Lord of hosts; I myself am going.’ Many peoples and strong nations shall come to seek the Lord of hosts in Jerusalem and to entreat the favor of the Lord.’ — Zechariah 8:20-22.

Or again:

”Thus says the Lord of hosts: In those days ten men from nations of every language shall take hold of a Jew, grasping his garment and saying, ‘Let us go with you, for we have heard that God is with you.’ —Zechariah 8:23.

It will be because Jerusalem, the Hebrew people, will be the only place on the entire earth where there will be a sense of normalcy that is admirable. And when the world discovers the journey we have been on for all those years, and what the Father has done for us, how He has preserved us, we will be more than a marvel. People will wrestle to get the chance to meet this great God and His (seemingly) otherworldly people.

When they see our vitality, peace, generosity, spirituality, and all the fruits of the Holy Spirit, our devotion to the Father and the joy and gladness that this has given us as a people, they will be very, very impressed.

From the time that we return to Jerusalem to the time that we have successfully rebuilt the land from its post-war casualties, Yah will perform even more miracles in front of the world on our behalf.

That is how the Father will demonstrate His greatness throughout the world, and it is how Zechariah 8:20-23 and other similar scriptures in the Bible will be fulfilled at that time. People will say to themselves, ‘Let us also seek YHWH, because clearly, there is nothing better out there; His people are on another level.’

We have a very tough journey ahead, but it will be worth it because HE is worthy.

We will need a lot of patience and a whole lot more faith. I can already see how many will turn their backs on the Father because of how tedious it will be. The Prophecy ‘The Potter’s

workshop' is coming to my mind now, where Yah showed me how we were desperately crying out to Him in that wilderness, and people were dropping out of the journey.

'If anyone has an ear, let him hear. He who leads into captivity shall go into captivity; he who kills with the sword must be killed with the sword. Here is the patience and the faith of the saints.' —Revelation 13:9-10.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
