PROCLAMATION

In this dream, YHWH was detailing what would happen to privacy on the earth very soon, any moment now, especially for true Christians. In fact, He already made me and my family apply the instructions given here to our lives in part.

This information is not only for the American or Western crowd but for everyone on earth. Please remember that according to Revelation 13 and Daniel 7, every nation will subjugate its citizens to the laws of one king, a single beast, to various degrees depending on their location.

'And because iniquity shall abound, the love of many shall wax cold. But he that shall endure unto the end, the same shall be saved.' —Matthew 24:12-13.

I saw the sky getting dark. There was an agitation of the cloud; a mix of wind, smoke, and clouds blowing in the sky. This cloudy mixture began to spiral in a circle, becoming darker and darker until it produced a hole in the sky. I saw that behind this hole lay another dimension, a spiritual dimension that is habitually invisible to us on the earth, but exists and is concealed by the blue sky as we know it.

Suddenly, a dark mercury-like liquid began to leak out of that hole. As I understood it during the dream, this liquid was a physical representation of iniquity now being poured into the earth. A group of people went up to that hole and harvested the liquid into containers.

This liquid was then given to different governments to be infused into water pipes, canned and bottled drinks, as well as food packages, at an industrial level. I saw a quick succession of scenes showing major food brands, in the hundreds, infusing this liquid into their products.

A man opened the tap to pour water into his glass, and my view zoomed in, and I saw the individual molecules of water, which had traces of this dark iniquity liquid. When you looked at the water with your bare eyes, it seemed perfectly normal, even the taste did not change,

but it was filled with iniquity. Only one drop was enough to contaminate anything it came in contact with.

After these new laws of iniquity were enforced, I saw that those who had consumed the contaminated items became increasingly violent, heartless, and evil. They also became sick with mental disorders that had never been seen before.

Two words appeared on top of these scenes of violence and mental anguish:
'SUFFERING' and 'DEVASTATION.'

YHWH said, 'These are the keywords of the coming times.'

The vision cut to the image of a newspaper. My view zoomed in on the headline, which read: '1984.'

Thus says YHWH:

'The people who will drink the cup of iniquity placed in general circulation and enforced at an industrial level will become easy targets for demonic possession. As more people become demonically possessed, they will be used as hosts for demonic spirits and will be transformed by Satan into witches against their knowledge and will.

These witches will be walking instruments, video and audio recorders, snitches and betrayers, for Satan to monitor and see what happens around the world. Satan will build monitoring brigades of groups of witches around areas of interest to hunt My people down.'

I saw a finger placed on lips saying, 'ssshhhhhh.' The word 'SECRECY' appeared beneath it.

Thus says YHWH:

'My people, you must operate in secrecy. You **MUST** learn now already to keep your private lives secret because there will be walking spies around you.

You must keep the details of what happens in the intimacy of your homes extremely discreet. You must not open your home to anyone whose spiritual identity you do not know and are not sure of. If they are not born again, sanctified, consecrated believers of Jesus Christ, they have no place in your home. They have no reason to know your private and intimate affairs.

STOP posting your lives on social media. STOP telling people about what you do and are up to. STOP being careless and foolish; the time for lack of wisdom is over.

STOP telling people where you go and the things you do. STOP carelessly sharing your dreams and visions with others. What I show you about your life and future in secret, unless I tell you to share it with others, keep it to yourselves and apply the instructions you received.

To those who are married, you can share with your spouse, but only if they are equally yoked, for one's enemies will be the members of their own household. Be prudent and wise.

Teach your children the same. Dire times are ahead of you, and only he who can control his tongue and operate as a sage will be able to withstand the coming trials.'

I saw the '1984' newspaper being flipped to its second page, where lists of thousands of names had been printed, with the title 'Kill List' written at the top. They were all names of Christians.

Thus says YHWH:

'They have already begun the process of filing Christian names from what they observe on social media and your daily habits. The hunt for Christians will not be public at first, but will begin with secret targeted hits, which will be made out to look like natural deaths.

They will infiltrate your spaces and plan assassinations using different means, but the primary technique will be using poison.

They will know the places you go to for church or to eat, and will be waiting to poison your food and drinks. The poison will make you sick, and when you die after a few weeks or months, your friends and family will think it was a natural death because of illness, when it was a targeted attack on you.

Men and women of God in the fivefold ministry will be the first targets because they know that if they kill the head, then the rest of the body will suffer. There are already very few true Christians, especially in leadership, so they want to eliminate anyone who is not corrupt in My church leadership first.

You need to be prudent.

Once they begin working on the heads, they will start extending that to believers who may not be in the five-fold offices, but have ministries. Intercessors will be heavily targeted because they are the ones who keep the Church's prayer altar burning.

Take heed of My warning!

For many of you, if they cannot get to you, they will use your family: your spouse and children, your parents and siblings.

The time for public persecution will come, but it will begin with spying and secret hit-men and -women who will be dispatched on these murder missions. Some of them will come in the form of new church members, new friends, and new gym members who just so happen to go to the gym at the same time as you. Prudence is your best companion.

You cannot overlook what I am telling you.

If you overlook this, you will die because Satan is not someone who does things halfway. The people who consistently cause problems to his plans are true, uncompromised Christians, so he needs you out of the way to be able to execute his coming plans of utter destruction.

You must be prudent. Your prudence is what people around you will call paranoia, but do not care about what they say; it is they who are fools. It is better to be prudent and preserve your life than be negligent and die stupidly simply because you couldn't control your movements and your tongue.

I, YHWH Elohim, have spoken. He who has ears, let him hear.'

After this statement, I had a quick vision, a single image of the mountains. This is where the dreams and visions for this prophecy came to an end.

'The clever see danger and hide, but the simple go on and suffer for it.' —Proverbs 27:12.

Thus says YHWH:

'Satan is a wise serpent, and he is very patient.

He will come at you in ways you will not suspect. You must be hearing from Me daily to survive. If you grow closer to Me, I will be able to tell you where you should buy your food

and drinks, where you should or should not go on a specific day, or even go out of town. This is the precision of information you will need to survive these times.

They will hunt you like a lion hunts an antelope. Your feet must be as agile as those of deer, and your mind as quick as that of a highly-powered computer.'

"So when you see the desolating sacrilege, spoken of by the prophet Daniel, standing in the holy place (let the reader understand), then those in Judea must flee to the mountains; the one on the housetop must not go down to take things from the house; the one in the field must not turn back to get a coat.' —Matthew 24:15-18.

Thus says YHWH:

'The desolation is at hand, but what My church does not know is that it starts earlier for her than for the rest of the world because Satan does not want her to intervene when he is destroying the world. You must know that judgment is coming on the earth, and you will be the first targets of the angel of death.

So begin to downgrade your lifestyles.

Learn to survive only on what is necessary because when I, YHWH, give you, husband and leader of your family, a dream showing exactly to which mountain you must now flee, if you turn around to get your clothes, then you and your family will surely be struck down. If you are not able to get out of bed, wake up your family, pack a backpack for each child and leave before dawn, then they will surely find you and kill you.

This is not a light statement. THIS IS NOT A GAME.

I am not wasting my time giving this message to My messenger to communicate it to you. As you hear this message, you must be preparing to apply these instructions now.

The prudent among you will begin a fast with prayer to seek My face and receive greater revelation about your fate and that of your family, which you will not reveal to anybody outside of your absolute closest, most trusted, uncompromised loved ones who may be included in what I reveal to you. If you read this and ignore it, then your blood shall be on your own hands.

I AM your Keeper. I AM your Provider. Learn to hear My voice and take heed of My instruction, and I will surely rescue you from the snares of death and the torrents of destruction that are upon you.

I, YHWH Elohim, have spoken. He who has ears, let him hear.'

'Those who guard their mouths preserve their lives; those who open wide their lips come to ruin.' —Proverbs 13:3.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
