PROCLAMATION

‘When he broke the fourth seal, I heard the voice of the fourth living creature call out, “Come!” I looked, and there was a pale green horse! Its rider’s name was Death, and Hades followed with him; they were given authority over a fourth of the earth, to kill with sword, famine, and pestilence and by the wild animals of the earth.’ —Revelation 6:7-8.

During my prayer to the Father at 03:30 AM on Aug. 14, 2024, the sound of a radio transmission being turned on started playing in my ear.

The voice of a man came on to make a public announcement, as if a 1950s radio broadcast. ‘Today, the death toll of the war has crept up to four million. We urge you all to listen carefully to this announcement and take action as instructed, so you can protect yourselves and your family from harm.’

As this man spoke, I felt in my spirit that YHWH was about to give me a prophecy. Thus, I took out my notebook to document everything I was seeing and hearing, as YHWH delivered it to me in a rapid succession of pictures, videos and sounds. There were pauses in between, during which He would give me details about what was happening in each scene.

The sound of the man’s announcement was interrupted by a vision of bombs rapidly exploding in an area full of civilians. The populace scattered in multiple directions, thousands lost their lives, and it was chaos—a painful thing to watch.

The vision cut to a group of soldiers shooting at their adversaries on the front lines of a battlefield, in a 1930s-style war movie. It was as if Yah was saying, ‘It happened before and it will happen again, but this time, it will be much worse.’

The screen went dark for a beat. It was followed by the slow reveal of the word ‘WAR’.

The voices of men, women and children, crying, screaming, and squealing, erupted in the background. The sound of agony and despair filled my ears on the backdrop of this single word: WAR.

At this point of the visions, Yah put in my spirit to understand that our generation thinks it has dissected every aspect of the past world wars, but we have no clue. The education system has whitewashed history to extreme degrees, glorifying certain nations and making statues of so-called leaders of revolutions, whilst ostracising others and shifting them to a lower status.

Those who control historical narratives, education and the media have altered almost all the facts about those wars, and have lulled the population into a situation of, at best, dangerous cultural insensitivity to suffering and the loss of human life, and at worst, national and international delusions of grandeur as they boast of false victories and invented historical achievements.

The scholars, scientists and experts of the so-called 'first-world' tell us that they have documented war, measuring the casualties and loss it can cause, studying and making movies about what it sounds and feels like, but none of us alive on this earth today truly know what a worldwide war is and can do—but we soon will.

They have told us how this nation was the bad guy, that nation was the primitive guy, and that other ethnic group needed to be stopped, punished and silenced. They still do it to this day, as they manipulate the masses with the brainwashing media to try to justify their explosive spending of our hard-earned tax money in their outrageous claims of 'prevention' of war or 'aid' to those afflicted by war, demonising certain nations over others.

Yah made me understand that this third world war is what will level out the playing field. This war will reset the worldwide political ground. This war is what will reveal to everyone who was right and who was wrong; who did what and who did not.

This third world war will show us 'who is who', in real time.

The result shall be that the world's so-called 'advanced civilisations' will be revealed to be, in fact, the most savage of all. The governments of those who have been calling themselves 'revolutionaries' and 'progressive thinkers' will expose themselves as extremely war-hungry, bloodthirsty, uncivilised murderers, sometimes to the demise of their own populations.

This dark screen that was saturated with voices of agony changed to multiple scenes of frenzy.

I saw men, women, and children running around to find refuge; many were carrying their wounded with them. Families arrived at shelters, with men trying to force their wives and children through the gates, to no avail; all the shelters were full.

One would think that a hospital would be the best place to go in such times, but it was the opposite in these visions. YHWH showed me reputable and crowded public places like hospitals, malls, and schools being deserted; for people knew that these would be the primary targets for bombings.

Fear, panic and palpable pain filled the atmosphere.

This was followed by a vision Yah gave me of a family that had seen this war coming, and they had prepared themselves accordingly.

It was a father, a mother and two children hastily throwing a few belongings in the back of their 4x4 vehicle. It was the bare minimum required for a road trip, no real clothes or costly possessions.

The father screamed at the top of his lungs, 'GET IN THE CAR NOW! EVERYBODY IN THE CAR NOW!' Flinging all unnecessary things out of the trunk onto the street, with no care about where they landed whatsoever.

He wanted to make the car as light as possible because they were heading for the mountains and would be taking difficult roads, and he did not want to be weighed down. All this dad was thinking was, 'Make space, get in the car, and get out of here!'

'This one must have kept very close to his Bible,' I thought.

My view shifted to the interior of the house. The mum was in the kitchen, packing some sandwiches and food for the road. The children ran up and down the staircases, gathering their books, textbooks and other basic school and hygiene necessities.

In just a few minutes, the whole family was done. They all got in the car, slammed their doors shut and took off.

The screen went dark for a beat.

Then, Yah finally spoke up, giving me factual information about this war, which I was prompt to write down as I listened and watched.

YHWH said, 'The weapons.'

First, I saw a nuclear bomb powering up and leaving the ground. Then, the vision cut to a scene of a large scientific facility. Big transportation vehicles were loaded with thousands of tubes full of poisonous chemical substances and carried out of the facility; these were bioweapons.

The screen went dark for a beat.

Then, a rectangular blackboard with wooden frames appeared at the centre, as if I was in a classroom.

YHWH said, 'Key players.'

A white chalk appeared, and YHWH began to write on this board. This is what I read:

- Russia
- USA
- Israel
- Palestine
- Iran
- Turkey
- Iraq
- UAE

The scene paused here for a moment, and I waited in silence.

Then, the chalk moved again, and added new information to the right of these countries' names.

Russia. An arrow was drawn next to it, and the following title was written at its end: 'Giant.'

Iran, Iraq, UAE. These three nations were grouped together with arrows, pointing to the title: 'The Islamic Coalition.'

YHWH said, 'Whilst they are fighting their wars, I will be regathering true Israel. It is then that the exodus will begin.'

The image of the list disappeared to give way to a scene of crazed civilians being bombed and running for their lives. Right on top of this scene, as if superimposed as a second layer of footage, I saw myself and a cherished friend of mine in a room together on our knees, praying.

The screen went dark for a beat.

YHWH said, ‘The USA will be crushed. She would have just gotten out of a civil war and will be greatly weakened by this. That is when she will enlist help from unusual places.’

A large map of Africa was gradually revealed before me. Within this map, humanoid soldiers walked out of different African countries, from all around the continent, to go to war for the USA. They were human beings but with metallic and robotic replacement pieces on some body parts like their arms, legs, or even their eyes or foreheads.

YHWH said, ‘It is during this time that all the work you are doing right now will soar. People will flock to it in massive numbers. At this time, I would have already cleaned house in the current Church, and it is then that My true remnant will be formed. War brings hopelessness and despair, and people tend to turn to God when they are hopeless and in despair.’

The scene paused here for a moment, once more, and I waited in silence. Soon enough, the Father spoke up again.

Thus says YHWH Elohim:

‘These will be the last days of the free and undisturbed preaching of the Gospel of My Kingdom. After this, Christianity as you know it will cease to exist.

Then will begin the persecution, the heightened persecution of My people.

Then will begin the mass public executions.

Then will begin a time of great tribulation on the earth.

All those who do not truly love Me will abandon Me in masses.

The beast will rise in full force, and life will never ever be the same after that.

No religion will be left. Other faiths, other religions, and their people, too, will choose death: Muslims will do this. They will consider it an honour.

The death toll of the war will add more deaths to itself after the war is finished.

There will be SO MUCH death.

People will stop being scared, surprised or touched by the sight of dead bodies or blood.

Death everywhere.'

As Yah was saying this, my body was covered with goosebumps, and chills ran down my spine—not of excitement or amazement, but of distress. Cold chills of terror.

Yah was making me feel, in my own flesh, the woes of a time when humans will lose compassion for other humans. It will be a time when people will walk past a pile of dead bodies on the street and sit down to eat their favourite meals right next to it. It was horrifying.

I waited for a while in silence, digesting what the Father was telling me and showing me, and then I heard Him speak up once more.

Thus says YHWH Elohim, our Lord and Saviour:

'The time of tribulation.

The time of tribulation.

The time of tribulation.

This time will be very difficult and lethal for the church.

Tell them that the preparation for that time is NOW. By the time those events are actively taking place, it will be too late.

It will come with fire. If you are made of iron, you will stand; everything else will burn, says your Lord and Saviour.

The only thing that can preserve you during the coming world war will be My seal on your forehead. If you are not sealed, then you will be killed.

If you think you have seen death, you have seen nothing yet. The third world war will have a greater death toll than the first and the second combined, and I, YHWH Elohim, will not only allow it but have ordained it.

Your only way out of this war alive will be to have faith in Me. Do not be among those who will desert Me in those days.

Behold! My warriors and guardian angels have been made ready for the hour, and he who has chosen to take refuge in Me will be protected.

The angels will lift him up, so that he may not dash his foot against a stone. A thousand will fall at his right hand and ten thousand at his left, but it will not come near him, nor his household.

Let he who has ears hear.

I am telling you this now before it is on your earthly radar, that you may know that I am the LORD, and when I speak a word, I make sure that it comes to pass.

Let he who has ears hear and take heed of My warning, for My wrath will be unleashed upon the earth and will ravage the one who has put his hope in his own mind and earthly possessions.

But for he who has put his hope in Me, the fruitful land of milk and honey awaits.

‘They were told not to damage the grass of the earth or any green growth or any tree, but only those people who do not have the seal of God on their foreheads.’ —Revelation 9:4.

Yah has given us a clear order in which certain events will happen in the future, so when we see one thing happening, we can already prepare for what is next. Do not allow things to surprise you, but be prepared and live according to Yah’s prophetic clock, not according to what the fabricated news tells you, nor what is discussed by your favourite celebrity, political commentator or podcaster.

A word to Africans

If you live in Africa, please start understanding that Americans can give you nothing of value. They are the great harlot of the end times who rides the beast that will cause the great tribulation. The USA is the country of the Antichrist, and Satan can offer nothing other than death.

The USA will try to lie to you to get you to enrol on their military with empty promises. Please start renewing your mind about how you view the Western world—it is not what you think. Protect yourselves.

If you have male children or nephews under the age of twenty-five, please speak to them. Speak to the male youth and children of your communities because they are the ‘fresh blood’

that will be targeted by the US government to be transformed into humanoid beasts to fight their wars.

Please listen, if you do not speak to your boys now, they will be indoctrinated by social media and other empty American speeches to fight this war. Pray to the Father in heaven, in the name of Yahshua, and ask Him to give wisdom to shield your boys and young men from the impending brainwashing by US witchcraft and media propaganda.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
