PROCLAMATION

YHWH gave me a vision of Kamala Harris and after receiving His statement for this proclamation, everything fell into place.

I saw a huge round clock that was the size of a house, rotating haphazardly around a closed area, wreaking havoc over the whole place. This clock was so big that it trampled on people as it moved, often killing them.

The crowd scattered in different directions, screaming and running away to save their lives, as the clock spun, shook, and knocked everything in its path down.

Then my view shifted to a corner of this frame, where I saw Kamala Harris. She was sitting on the floor, on the side of the road, exhausted and out of breath.

I understood that she was the one who had just laboured with her whole might to unleash the huge clock into its uncontrollable orbit, causing a wild frenzy to the whole earth. Kamala was breathing heavily with a bright smile, perfectly proud of herself.

After pulling herself together, she stood up, dusted her clothes off and looked around, laughing aloud at the whole ordeal.

This is where the vision ended.

Thus says YHWH:

‘Kamala Harris is your preparation for what will happen starting in 2030. She will be president of the United States and will prepare the ground for her boss, the beast himself: Barack Obama.

What this woman will set into motion for the entire world to suffer later at the hands of the beast will put the world into a nightmare that they will not get out of until the Messiah returns.

She is the one who will start the clock of the end times tribulations for the entire world, not only for America. She will do so in not-so-subtle ways in America, but much more subtly in the rest of the world.

But it is when Barack Obama shows his face in that seat of power of the United States that you must know that life as you knew it is over. I am already warning you right now before that time comes. I told you about what 2030 will bring.

From 2030, whoever is in power in your nation, no matter where you live on earth, will distort your reality completely under the rulership and commands of the beast. You may see your president do it, but it is Barack Obama who will be behind it.

I already spoke about the powerful witchcraft he will be using.

Some nations of the East will be more reluctant to bite, and they will suffer because of it. Russia will also keep its reserves, but eventually, it will bend the knee for the time given to the beast to rule over all the nations.

Putin is a proud man; it will not be easy for him, but what has been written has been written, and it will surely come to pass.

When you see Kamala Harris, know that woe has befallen all of you. When you look at her, know that you are looking at the devil himself preparing the floor for his rise in dominion. Don't allow that contagious laughter to fool you; she is not a fool at all.

She has a back of iron, very difficult to discourage and even more difficult to break once she has chosen her target and is going after it.

She will change all of the world's perception of politics and the law, and she is the direct precursor to the beast. She will lay all the necessary foundations for his rule. By 2030, your world will be irrerecognisable.

I say it again: By 2030, your world will be irrerecognisable.

Some nations will put up a bigger resistance than others, but it doesn't matter because once the beast gets going, only I, YHWH Elohim, will stop Him.

Once you see this woman in power, know that the clock has begun to tick, and the next day you could wake up to a whole new world: the new world order, they call it. That new world can be your reality in a split second from the minute you see this woman as the United States president.

Know that once the clock has started, not even Noah, Daniel, Job, or Moses will be able to save their families or friends. Not even Peter, nor Paul, nor John the Revelator, nor anyone else.

Each man's salvation and preservation will be individual. A husband will not save a wife, nor will a wife save her husband. Sons will betray fathers and daughters, mothers. Man's enemies will be the members of his own household.

He who has ears, let him hear.

I, YHWH, have spoken, and so it shall be.'

'The word of the Lord came to me: Mortal, when a land sins against me by acting faithlessly and I stretch out my hand against it and cut off its supply of bread and send famine upon it and cut off from it humans and animals, even if Noah, Daniel, and Job, these three, were in it, they would save only their own lives by their righteousness, says the LORD God.

If I send wild animals through the land to ravage it so that it is made desolate and no one may pass through because of the animals, even if these three men were in it, as I live, says the LORD God, they would save neither sons nor daughters; they alone would be saved, but the land would be desolate.

Or if I bring a sword upon that land and say, "Let a sword pass through the land," and I cut off humans and animals from it, though these three men were in it, as I live, says the LORD God, they would save neither sons nor daughters, but they alone would be saved.

Or if I send a pestilence into that land and pour out my wrath upon it with blood, to cut off humans and animals from it, even if Noah, Daniel, and Job were in it, as I live, says the LORD God, they would save neither son nor daughter; they would save only their own lives by their righteousness.' —Ezekiel 14: 12-20.

Important remarks

Oftentimes, we make assumptions and put words in YHWH's mouth, then call His words false if they don't happen as we thought; let's not do that.

Please note that YHWH has not given a date when the beast will officially rise as president of the USA himself, but that Kamala Harris is his forerunner; and from 2030, no matter who we think are rulers of our nations, it is the beast who will be the one altering our reality to fit his plans, and how we live on a day-to-day basis will change. The Lord also didn't say when Harris would become president, or if it would be by presidential election or not.

Moreover, I would like to clarify and make it abundantly clear that the beast kingdom and his worldwide rulership of oppression, destruction and death is not just any calamity that will be poured out on the earth, but it is a result of YHWH's hand of judgment upon the world, as it was prophesied in the Bible about the end times.

Scripture tells us why Yah will allow the beast to do the damage he will do, and it's because the inhabitants of the earth have sinned against Him by 'persistent unfaithfulness.' This means that the world is guilty of the kind of sin that does not relent; it is determined, continuous, enduring, constant and does not slow down.

Yahshua told us in Matthew 24 that as 'the love of many will grow cold because of the increase in lawlessness' in these end times, this lawlessness will only get worse, and so will YHWH's wrath. As this persistent unfaithfulness increases, the unleashing of His wrath will also increase.

In these times of judgment, no person will be able to preserve another.

If your loved ones are playing with their salvation, they will be knocked down. If your son lives in sin, he will be knocked down. If your parents are atheists, they will be knocked down.

The lukewarm Christian will be knocked down. Those who have been pretending to love Christ will be knocked down. If they go to church every Sunday and can quote the whole Bible, but are pretenders who do not have an intimate, solid relationship with Christ, they will be knocked down; you will not be able to save them. And if the 'they' in these statements is you, you will be knocked down.

If you are playing with your salvation and bearing no fruit for the kingdom, what is stated in John 15 will happen to you under the beast: you will be cut down, left to wither, then burned in the fire. You will be knocked down with no one to save you.

The Fruit Factory is a call to true Israel and the end times Church. It is time for harvest!

The Lord Jesus Christ is sounding the trumpet: only the fruitful will make it.

By the way...

'**Yahshua**' is simply Jesus' name in Hebrew. Various scholars have argued for spellings and/or pronunciations like Yehoshua or Yeshua, which are variations of *Joshua*, but we prefer to stick with Yahshua as meaning, 'Yah/YHWH saves.'
