The Fruit

The Fruit Factory is a call to True Israel and the End Times Church: It is time for harvest! The Lord Jesus Christ is sounding the trumpet! Only the fruitful will make it.

‘I wait for YHWH, my soul waits, and in His word I do hope. My soul waits for YHWH more than those who watch for the morning—Yes, more than those who watch for the morning.’ —Psalm 130:5-6.

Today's prophecy was delivered to me whilst I was in a time of waiting on YHWH. After a long session of praise and worship, I spread a mat on the floor, sat down with my back against the wall and said a prayer to my King. I buried my face in the palms of my hands and remained still before YHWH; I was soaking in the wonderful comfort of His presence.

After about twenty minutes of silence, I began seeing visions that quickly escalated into an experience that had my body trembling—as if shivering with cold—by the end of it, but my armpits were sweating at the same time because of how the fire of the Holy Spirit was burning inside me.

At the end of everything I saw, **YHWH spoke to me and said**, 'France and Russia are going to be among the most influential forces in the regathering of Israel. Make them read the Scriptures and tell them all that I have shown you and spoken to you.'

Numbers 24:5-9

'How fair are your tents, O Jacob, your encampments, O Israel!

Like palm groves that stretch far away, like gardens beside a river, like aloes that YHWH has planted, like cedar trees beside the waters. Water shall flow from his buckets, and his seed shall have abundant water; his king shall be higher than Agag, and his kingdom shall be exalted.

Elohim, who brings him out of Egypt, is like the horns of a wild ox for him; he shall devour the nations that are his foes and break their bones. He shall strike with his arrows. He crouched; he lay down like a lion and like a lioness; who will rouse him up?

Blessed is everyone who blesses you, and cursed is everyone who curses you.'

The Father instructed me to publish this prophecy titled 'France Will Wrestle The Beast' as a multi-volume chronicle. Each volume touches on a different aspect of France's future, including the various ways in which her fate will directly impact YHWH's Israel and her end times restoration. This is Volume 1: Insurrection: A Global Spectacle.

The visions began with flashes of an open ceiling full of water pipes; the pipes were positioned in no specific order. Some pipes were exploding because the pressure of the water flowing inside them could no longer be contained; others had also broken open and were leaking from the ceiling onto the floor, being drained of all their water content.

My eyes patrolled the entire ceiling covered with these water pipes, wondering what it all meant, when **YHWH spoke up and said**, 'It is leaking.' After a brief pause, 'There are several leaks, and they cannot contain them any longer,' **He added**.

As He spoke, the pressure in the pipes increased, and they started popping off left, right and centre. The ceiling went from having just a few leaking spots to being a fully-fledged shower.

‘There are leaks, it is leaking, and they can’t stop it,’ says YHWH. ‘They can’t stop what is coming.’

The Lord repeated these statements several times, as more pipes popped off all over the ceiling and the amount of water coming out of them changed from a shower into heavy rain. All the while, I was wondering who ‘they’ in the Lord’s statements was referring to.

The scene suddenly cut to an image of French President Emmanuel Macron. He was speaking to the French people, trying to put up a front of charm, confidence and empowerment, but the people were not buying it. Despite his best efforts, his public relations efforts were not having the desired effect.

Next, I saw Mr Macron on the edge of his nerves. He was pacing around a room, hitting objects and throwing things against the wall as his team observed him with concern. He brutishly walked out of that room and onto a balcony to make a public announcement—yes, in that state of uncontrolled rage, and nobody tried to stop him.

YHWH put it in my spirit to understand that Mr Macron was losing control of the carefully curated image he had upheld during his presidency until now, and the French people had become disillusioned with him and his office. This was a no-go for Mr Macron, for his true bosses (hidden in the shadows) were not pleased with his performance, but he was running out of solutions and attempts to win the public over.

Standing on that balcony, I saw E. Macron lash out in uncontrollable fury, looking straight into the cameras. He thoroughly cursed at the population, the press, and even his own government. He was like an unhinged drug addict who had lost control of his mental faculties.

When he finished speaking, he stormed off the balcony, and everyone was dumbfounded by what had just happened. Even reporters—who always have something to say—could not find their words and mumbled amongst themselves for a while, then stopped filming.

What followed was a fast succession of media headlines about his outburst. Then the headlines that were originally focused on him gradually morphed into scandalous reports of grave misconduct by him and other people in the French government. I did not recognise any of their faces because I do not follow French politics at all.

The array of headlines I saw blasted all over the internet mentioned bribery and corruption, adultery, sexual assault, paedophilia, sex trafficking, human trafficking, mismanagement of funds and embezzlement. The whole world was clicking, listening and watching. It was quite extreme, and the French people were abhorred and repulsed by their entire government.

The vision cut to a scene of President Macron in a large room with off-white walls, tall ceilings, luxuriously decorated with valuable art hanging on the walls and expensive furniture. He was lying down with his eyes closed on a large chair whose back was inclined such that it could have been a bed. Behind him was something I could only qualify as an oversized not-so-human thing, but that had human features and resembled an ape. It was something like the image below:

These are those creatures the Bible calls nephilim (or nephal in singular): the descendants of fallen angels who had children with human women (Genesis 6). Our forefathers had to battle them in the conquest of the land that YHWH promised them; they are the 'men of great stature' or the 'mighty men of renown' mentioned in the books of Numbers and Deuteronomy. King David killed one with a sling and a stone, remember? The one who was called Goliath in 1 Samuel 17.

This nephal was standing behind the inclined chair with President Macron's skull opened up in front of him. He was manipulating things in his head, taking some things out whilst putting others in. I watched this go on for a while, when suddenly—

Glitch. Twitch. Distortion...

The frame went into a 'Lost Connection' sort of disturbed interruption. In between these glitches, short clips of people marching outside in protest appeared, interwoven into the scene of Mr Macron getting his brain fixed by the nephil.

YHWH spoke up and said, 'INSURRECTION!' The word appeared on top of the scene in bold capital letters as **YHWH continuously repeated, 'INSURRECTION! INSURRECTION! INSURRECTION! INSURRECTION!'** Over and over again.

My view was taken outside the room, as if I was standing on a balcony and looking out the window. I realised we were at the Palais de L'Élysée (France's version of the White House or Buckingham Palace).

Giant rocks the size of a building were launched at high speed from the heavens towards the room. The first rock SMASHED directly on them like a giant hammer from the sky. Macron was instantly crushed by the collision, but the nephil blocked it with his forearm and stayed on his feet. All the other rocks rapidly came CRASHING down as well, destroying the whole building and everything around it.

YHWH shifted locations to distinctly show me one other place that the rocks were hitting: Le Palais de Justice (one of France's busiest appellate courts and the house of the Supreme Court). The rocks annihilated it. Then the focus was brought back to the Palais de L'Élysée.

The nephil got out of the room onto the front yard of the palace in one big JUMP! As soon as he landed, I saw five other nephilim land in a similar way next to him. They lifted their eyes towards the sky, then looked at each other in agreement as they telepathically (it seemed) planned a counter-attack on the rocks that were continuously being violently hurled at them from the heavens.

One of them launched upwards into the sky to apprehend one of the rocks mid-air, but the rock overpowered it, and it got nailed to the ground. Then four other rocks were aimed directly at the other nephilim, equally nailing them to the ground. They were now all immobile, unable to push the rocks away, destroy them, or lift themselves from the ground.

'The one who falls on this stone will be broken to pieces, and it will crush anyone on whom it falls.' —Matthew 21:44.

Part 1 of the visions for this prophecy series ends here. YHWH gave me the following statement for this proclamation.

YHWH deposes Emmanuel Macron: a worldwide humiliation

Thus says YHWH:

'President Emmanuel Macron will not finish his presidential term. He is "cooked," as they say.

He is overwhelmed and underperforming. His bosses are not happy; his people are not happy; his bosses' bosses—Satan and his children—are not happy.

You will visibly see this man lose his mind in public, on your TV and phone screens. You will see him lose his temper and lash out. You will see him hit rock bottom.

There will be an insurrection, and he will be removed by way of the general population's intervention. I repeat: Emmanuel Macron will not finish his presidential term. I have decided, so it will be done. This will be his recompense for what he did with My Last Supper's blasphemous imagery during the Olympics.

I will not be mocked, says YHWH. I cannot be mocked.'

YHWH's word to Emmanuel Macron:

‘As you have tried to make a spectacle of the blasphemy of My word and holiness in the sight of the world, so will you be made a spectacle of in your downfall—except, now that it is My turn, I will not merely try, but I will do it and surely accomplish it.

I will crush you by the same word you tried to blaspheme, Emmanuel Macron. I will disgrace you. There will be nothing left of you when I am done with you. I have sent forth my word to accomplish this purpose on November 15th, 2024, and it will not return to Me void.’

France's political upheaval, economic crisis and a radical return to traditional values

Thus says YHWH Elohim:

‘The removal of Macron will bring about a permanent division in the French government as I infiltrate My people in their midst: my spies; my hidden agents. They will work in that place like yeast, and before anyone knows it, the government and the population will have been flipped on its head.

I, YHWH, will surely do this.

From the time France enters its permanent state of political tumult until the arrival of Napoleon Bonaparte, the land will see a drastic transformation and revert to what they call "traditional values."

As the people find themselves in uncertainty and instability, they will lean towards returning to the things that work and have been known to work for society and government for centuries: the ancient boundary lines that I have told you all from long ago that you should not trespass.

France will learn this lesson on her knees, but she will learn it, and once she does, all the liberalism you see spreading over there will be eclipsed by a return to a traditional society.

Aside from the political instability and her leaders' outrageous carelessness, she will be hit by the economic crash that I have spoken about before. This crash will strip most of her people naked, exactly as I had portrayed to you in that dream, Elvira. It will shift the people's whole psyche and urge them to return to stability and systems that have been proven to work for them, that is, the observance of traditional values.

France will return to what she was like before she prostituted herself with America to Satan's social and political agendas, but then she will get even more rigid than she was before. By the time she starts clawing her way back up out of her political, social and economic abyss, she will be transformed. She will be ruthlessly traditional in her views and decisions.

After the cries of civil unrest had settled down, she would have turned her society around—only to be met with the beast wanting to put her down. But she will not give in without a very corrosive fight.

I, YHWH, have said it, and it will happen.

My people whom I will infiltrate into her government will do great work in the background to give the beast blows he will remember. It will be a global spectacle that no nation will miss.

As I speak these words, France is going to go into this transition, and when it happens, you will know that I am the one who presides over the affairs of men.

I, YHWH, have spoken, and so it shall be.'

YHWH has mentioned the dream of nakedness because of the financial crash. You can read about this in the proclamation titled 'The Gold Coin & The Black Horse.'

YAHSHUA

'Yahshua' is simply Jesus' name in Hebrew. Scholars have argued for various spellings and pronunciations, but we prefer to stick with 'Yahshua' as meaning, 'Yah/YHWH saves.' He is the Messiah, the Christ. He is our King and the Foundation of this ministry. We call Him 'Lord' and 'Saviour.'
