The Fruit

The Fruit Factory is a call to True Israel and the End Times Church: It is time for harvest! The Lord Jesus Christ is sounding the trumpet! Only the fruitful will make it.

This is the second part of the visions YHWH showed me on Nov. 15, 2024, about the future of France. It is a direct continuation of what was narrated in the first volume.

I saw a close-up scene of a government official sitting at a desk working with a typewriter; it was a woman. I was positioned as if I was watching what she was doing from behind her, looking over her shoulder. She had thick legislation books in front of her; she looked into the existing laws and typed revised versions of them.

As I watched, I could simultaneously see what was happening outside; more rocks were falling from the sky, hitting different government buildings around the room we were in. The woman remained laser-focused on her task, completely oblivious to her surroundings. She was typing at the speed of light, trying to get everything done as quickly as possible.

After this had gone on for some time, the words 'NAPOLEON BONAPARTE' appeared in large bold letters superimposed on this frame.

'NAPOLEON BONAPARTE. NAPOLEON BONAPARTE,' **YHWH said.** 'He is coming back. He is making a return. A new revolution is at hand.'

The vision went black, then a dark and empty space without any walls appeared. The space was vast and seemed to be limitless. It was dark all around; it only had a single spotlight lit in the middle, highlighting a terrifying subject: a gigantic seven-headed beast with ten horns.

The vision cut away to the image of a French flag spread in the sky, floating with an air of national pride and royalty. Then my view went back to the empty dark space with the beast at its centre, but this time, the flag was standing on its feet before this beast. It started agitating itself in defiance against the beast, although not touching it.

YHWH spoke up, saying, 'France will wrestle the beast.'

The flag grew taller until it was the same height as the beast. The beast started moving its head towards the flag, roaring in an attempt at intimidation.

'France will wrestle the beast,' **YHWH repeated.**

The flag—now the size of the beast—increased its shaking movements to match the beast's taunting. It did not fear, although it was only still a piece of fabric standing against a seven-headed giant, demonic and dreadful beast; the French flag did not care at all.

Then the flag grew into the shape of a large four-legged animal that was smaller than the beast. As the flag grew into this animal, the man Napoleon Bonaparte appeared on its back and took command of it.

Notwithstanding its smaller size, the French animal went on to ferociously fight the beast, complete with teeth and claws. She gave the beast a left hook. Right hook. Docked. Suddenly, swiftly rolled on the ground to change positions, then came at the beast from the

back, BAM! Then docked. Rolled on the ground once more and jumped with her teeth, aiming for the beast's neck. The beast blocked the attack. The flag retreated. It attacked again with its back legs and gave a double blow to the beast, leaning on its front legs.

YHWH made me understand, as I watched, that the beast was not expecting that sort of resistance coming from a place it thought it had already pocketed in its plans. France's defiance greatly bruised his ego, and he was determined to punish her for it. The fight was intense, and no one expected France to have it in her to fight this way. She startled the world with her agility and grit.

The visions for the second part of this chronicle end here. On Dec. 06th, 2024, I received this statement from YHWH to publish with this proclamation.

The French Revolution and France's wrestle with the beast

Thus says YHWH:

'France will be one of the greatest resistance forces of the beast. I will put in the French people a renewed valour and courage. They will fight against it.

Some of her past colonies in Western Africa, the Wolof empire, where My people still live today, will fight right along with her. France will not let that system sit easily; it will be a fight. France will develop bravery that has been lost in this modern age, and many of her people will redeem themselves in My sight and will return to the faith, too.

The government will be split and at odds with each other because I will put My people in her government. So within the government, there will be My people infiltrated, working in the background, moving among the people like yeast, spreading the Gospel. When that happens, the part of the righteous government will be at odds with the part that is serving the beast.

But as it has been prophesied, in the end—for a limited period—all will have to submit to the beast, and those who do not will be killed.

Amongst those who do not bow to the beast and worship him, I will supernaturally rescue many, making them walk through the fiery furnace and rescuing them out of lion's dens. You will see these things with your physical eyes in the end times. While others will be able to flee, some will be counted among the martyrs.

France will rise to power in Europe once more. She will be strong, and the world will marvel at her. She will return to her days of Napoleon Bonaparte, for I will make such a ruler return to power for her. I will appoint him, not the beast. He will rewrite laws and alter the face of France as a nation. You will see glory in France that has not been seen in centuries.

He will drastically alter the laws and statutes of the country and undo all that Macron and his demonic satanic government legally instituted in a foreshadowing of the coming beast kingdom. When this happens, you will know that I, YHWH, am the One who performed this and that I cannot be mocked.'

The French president's shame

Thus says YHWH to Emmanuel Macron:

'Tell Emmanuel Macron I cannot be mocked. I will undo all that you have done, Macron. The legacy you were hoping to have in your satanic circles will be voided. I will do it for My name's sake and My people's sake. So have I decided it, and so it shall be. I will do what I please.'

The beast's wrath against France and her role in True Israel's regathering

Thus says the Holy One of Israel:

‘When the beast arises, the nation will not look the way he wants it to; the people would not have been prepped for his reign the way he desires. He will loathe them.

This is also one of the reasons why the persecution of My people will be some of the highest in France in the whole world. The damage they would have done to the beast kingdom and his reign will be unheard of anywhere else.

The United States of America is another country that will give a lot of persecution to My people, although France could not be put at her level because America is Babylon—the seat of the beast, for she rides it—the land in which most of the blood of the holy people and the prophets will be spilt, as it has been prophesied.

She [France] will be one of the major influencers in the return of My people from captivity and their regathering to the land of the promise. I will exalt her so that she can perform that purpose for My people’s sake; she and Russia. She will cover much territory in Europe for a while, and the world will marvel.

Prepare for what is at hand, My people. Prepare for the wrestle; you must be ready for what is at hand. Pray for your leaders in Europe, Africa, and around the world. Pray for your families.

Learn how to fast and do spiritual warfare. Learn how to build yourselves up in the spirit man to develop robustness and sturdiness so your heart will not fail you. Learn My word and My ways, and meditate on it day and night, at least twice a day; this is how you build yourselves up in Me.

Praying alone is not enough; fasting alone is not enough; the true power is in the word.

You have been warned.

I, YHWH, have spoken and so it shall be.’

‘How fair are your tents, O Jacob, your encampments, O Israel! Like palm groves that stretch far away, like gardens beside a river, like aloes that YHWH has planted, like cedar trees beside the waters. Water shall flow from his buckets, and his seed shall have abundant water; his king shall be higher than Agag, and his kingdom shall be exalted. Elohim, who brings him out of Egypt, is like the horns of a wild ox for him; he shall devour the nations that are his foes and break their bones. He shall strike with his arrows. He crouched; he lay down like a lion and like a lioness; who will rouse him up? Blessed is everyone who blesses you, and cursed is everyone who curses you.’ —Numbers 24:5-9.

YAHSHUA

‘Yahshua’ is simply Jesus’ name in Hebrew. Scholars have argued for various spellings and pronunciations, but we prefer to stick with ‘Yahshua’ as meaning, ‘Yah/YHWH saves.’ He is the Messiah, the Christ. He is our King and the Foundation of this ministry. We call Him ‘Lord’ and ‘Saviour.’
