The Fruit

The Fruit Factory is a call to True Israel and the End Times Church: It is time for harvest! The Lord Jesus Christ is sounding the trumpet! Only the fruitful will make it.

I am continuing the narration of the visions YHWH showed me on Nov. 14, 2024, about the future of France, and her role in the end times regathering of True Israel.

Whilst the beast was still battling the French four-legged animal, I saw another animal emerge from the shadows and into the middle of the open dark space. As this animal moved closer into the light, the bronze mane of a lion was revealed, with a man sitting on top of it. It was now a fight of three: the French-flagged animal and the lion against the seven-headed beast with ten horns.

The lion gave his fair share of blows to the beast, and the beast became overwhelmed. It took hit after hit from all sides, but it still managed to keep standing and to hit back.

My view zoomed in on the man on the lion. He was laser-focused on delivering the exact blows that YHWH tasked him with. He knew that every move mattered and YHWH was

going to use these blows in various ways to favour True Israel and the church's fate all around the world. This man was on a mission; he was not fighting to win but was, in fact, not seeking victory at all. He was not so much an ally of the French animal, but they had a common enemy in that fight, and so they focused on that and gave it their all.

As I was watching these three animals go at it in the ring, **YHWH spoke up and said,** 'A lion of Asher,' talking about the man on the lion.

From 'A lion of Asher' I understood that this man on the lion was a descendant of Jacob, clearly from the tribe of Asher, but also from the tribe of Judah, because it is from Judah that 'lions' are spoken of biblically within the twelve tribes of Israel—including Yahshua the Messiah, the King and Lion of the Tribe of Judah. So this man was both a Jew and an Asherite; he was the main character in this moment.

After wrestling with the opposite parties for a while, the beast released a loud shout of exasperated fury and turned red. It was growing angrier, and his anger made him stronger. It suddenly doubled in size, becoming way larger and more dominant than both of the other animals combined. But this did not stop its opponents—France and Yah's anointed servant in Israel—from continuing to hit the beast from different angles and successfully injuring it several times, still.

The man on the lion made a hand gesture paired with a whistling sound, as if giving a signal saying 'come forward.' Out of the back of the room emerged several lions with people riding them—both male and female—revealing themselves one by one, and circling the beast and the two animals who had been fighting in the middle of the ring.

These lions represent leaders from the tribe of Judah whom YHWH has prepared to join themselves to the fight in support of Israel and the worldwide church's interests vis-à-vis the beast of Revelation 13 and Daniel 7 (also known as the Antichrist).

The Jewish-Asherite leader began to give signals to each lion, and they deployed a coordinated attack on the beast. As I watched, the giant beast grew weaker and weaker because it could not handle the avalanche of hits it was getting. The hits may not have been all at once, but they were delivered with military precision. It felt like a S.W.A.T operation under the command of the Jewish-Asherite.

Just when it seemed as though it was going to lose the fight, the beast rejuvenated itself and grew even bigger than the size it already had. In this newly regained strength, it began savagely attacking all the animals that had been successful at keeping the upper hand in the fight so far. The lions gradually retreat after receiving their leader's signal.

YHWH put it in my spirit to understand that the Israelite lions had accomplished their mission. They had fulfilled their purpose and left the ring when the time for their exit arrived.

This retreat will take place during the years of the complete and utter dominion of the Antichrist, when all nations and peoples will bow to him. It will be a time of great suffering and tribulation for True Israel and the church worldwide; a time of reign for the beast.

These harsh circumstances will make for the separation of the wheat and the tares, the sheep and the goats, as Yahshua thrusts His sickle to reap the end times harvest of the earth. It will be a time of sifting amongst True Israel and determination of who will make it into the restored, peaceful and triumphant holy nation of YHWH, and only the fruitful will make it!

The visions for this third part of the chronicle end here.

‘Also today YHWH has proclaimed you to be His special people, just as He promised you, that you should keep all His commandments, and that He will set you high above all nations which He has made, in praise, in name, and in honor, and that you may be a holy people to YHWH your Elohim, just as He has spoken.’ —Deuteronomy 26:18-19.

**The French Revival through pain, trials and tribulation at
YHWH's hand**

Thus says YHWH:

‘From now on, France will be the first one to leave the "European Union.”

France is a sheep nation at heart, and she will return to that. France will renew her heart. I will strengthen My grip upon her, I will fasten My chastisement upon her until the pride of goats will be rodded out of her through suffering.

She will first wrestle the beast, then she will wrestle Russia. Russia will overcome her for a time, but she will come back on top because she will renew her heart. When her heart is completely renewed and all the pride removed from her midst, all the leaven flushed out, I will release her from the control of Russia.

In her beast-wrestling days, she will arise. At the height of the beast's dominion, she will be on top. Then Russia will humble her. But even before then, under the beast, she will begin her journey to humility. Russia will only be the nail in the coffin to make her cry out tears of absolute repentance and ask Me for mercy. I will listen to her and respond to her.

There will be a revival in France in those days; a true revival by nationwide mourning, repentance and a return to holiness. Then I will live in her midst; I will stay with her. A large part of her will be preserved because the people humbled themselves and cleaved to Me, YHWH Elohim.

I will infiltrate My princes of Judah in her government, both in front of and behind the scenes. They will greatly contribute to her ascension and revival, which I will use to spearhead, finance and operate the regathering of My people.’

YHWH elevates France and Russia and make them His tools in the end times

Thus says YHWH, the Creator of the heavens and the earth, your Elohim:

‘At the height of her glory, France will crush the UK and put her leg on Germany’s neck. Germany will concede before it is crushed and negotiate for peace.

France will take over a large part of Europe—for a time—until Russia conquers her, which will be another wrestling match. The new Napoleon Bonaparte will do this; I will put him in power and keep him there.

It is from his seat that the time of the beast will come; he would not have been elected, nor appointed by the beast, but put in power by Me, El Shaddai. Yet, as it has been prophesied, despite his resistance, he will have to bow to the beast in the time of its dominion.

As I said earlier, France and Russia will be key players in Israel’s regathering process. I will set the lion of Asher to act as yeast behind the scenes, and he will be like Daniel in their midst: an invaluable asset of divine wisdom; with an excellent spirit; extraordinary spiritual gifts; with blameless integrity and devoutness to Me.

I have exalted these two nations in these end times primarily for the purpose of My people’s protection and return to the land of their promise. They will be tools in My hands. The hearts of kings and princes are as streams of water in My hands, I stir them in favour of those I call Mine—so shall it be with Russia and France.

Prince Putin and the coming Napoleon Bonaparte will act as King Cyrus to My people in these end times. They will also be My hand of revenge against My sworn enemies: the United States of America—Babylon the Great; and the UK, who birthed Babylon the Mother of Harlots.

These are the two nations that have oppressed and destroyed Israel, the apple of My eye, the most. I will avenge My bride, as I have always said I would. There will be nothing left of America when I am done with her; she will go down in flames and sink under the sea. As for the UK, she will remain a nation, albeit trampled and powerless.

I, El Shaddai, will surely do this.

When you see things being stirred in Israel's favour by these nations [France and Russia] in those days, know that it is the lion of Asher at work in the background, assisted by his brothers and sisters of Judah, being upheld by My right hand and applying My divine instructions.'

The Great Tribulation: a precursor to the restoration of YHWH's people

Thus says YHWH, who rules in heaven and has the earth as His footstool:

'When the dominion of the beast begins, I will bring My true disciples to hiding and preserve their lives in the shadows, although they will all endure much suffering.

You will see executions in lion's dens and fiery furnaces back in full display. You will be witnesses to what Daniel and his three companions lived and survived thousands of years ago.

You will see public beheadings and stoning of My people. You will see people abducted from their homes for execution, and some will receive bullets in their heads directly in their beds with no warning.

For those true disciples who have not been predestined to martyrdom and for those who have important roles to play in the future of Israel's restitution, I will take them out of the grip of the beast and preserve them. They will keep their lives and will start working on the necessities for the journey to Jerusalem in hiding.

The false disciples in the church will fall away and renounce the faith. A majority of those in True Israel will also renounce their heritage as My people and choose to save their lives instead. Yet, he who tries to save his life will lose it, and he who loses his life for My sake will save it.

When it's all been said and done, My people will prevail. I will neither leave them nor forsake them. Even if it is two of them who are faithful to Me in the end, with them I will rebuild My holy nation from scratch. What I can do with two people, Satan will never be able to do with two billion.

I will set them high above all nations which I have made, in praise, in name, and in honour, and they will be a holy people unto Myself.

I, YHWH Elohim, will surely do this. I have spoken, and so it shall be.'

'And you will hear of wars and rumors of wars; see that you are not alarmed, for this must take place, but the end is not yet. For nation will rise against nation and kingdom against kingdom, and there will be famines and earthquakes in various places: all this is but the beginning of the birth pangs.

Then they will hand you over to be tortured and will put you to death, and you will be hated by all nations because of my name. Then many will fall away, and they will betray one another and hate one another. And many false prophets will arise and lead many astray. And because of the increase of lawlessness, the love of many will grow cold. But the one who endures to the end will be saved.' —Matthew 24:6-13.

YAHSHUA

'Yahshua' is simply Jesus' name in Hebrew. Scholars have argued for various spellings and pronunciations, but we prefer to stick with 'Yahshua' as meaning, 'Yah/YHWH saves.' He is the Messiah, the Christ. He is our King and the Foundation of this ministry. We call Him 'Lord' and 'Saviour.'
