The Fruit

The Fruit Factory is a call to True Israel and the End Times Church: It is time for harvest! The Lord Jesus Christ is sounding the trumpet! Only the fruitful will make it.

The last section of the visions YHWH showed me about the future of France on Nov. 15, 2024. It is a direct continuation of the narration in volume 3.

After the lions retreated, the beast and the French animal remained in the ring as they had been before, only that this time, the beast had grown to four times its original size at the beginning of the fight. In this state, the beast easily overpowered the French animal, who submitted in defeat.

The beast trotted around the ring as a conqueror, proudly shouting victory and dominion over his enemy. The greatly wounded French animal mustered all the energy he had left to drag his body to a corner in the open space and powerlessly watched the beast boast and revel in its victory.

This image of the beast's victory went on for some time, and then suddenly, the whole setting where the fight had been going on changed. Until now, all the events of this vision had been unfolding in a broad, empty space without limits or borders. The place was dark with a spotlight shining in the middle; this is the area I have been calling 'the ring.' It is in this lit spot that everything had been happening, whilst everything else remained dark around it.

As I watched, I saw the light in the middle expand and increasingly cover more ground, gradually revealing an ancient Roman-style colosseum all around it.

As I transcribe this prophecy right now, YHWH is vividly bringing the vision back to me, but with a lot more details. Therefore, I will narrate it here in real-time, as I am watching it with my eyes open.

It is broad daylight. I see a large colosseum, and my view is rotating around it, showing its giant size, round shape, and the details of people's faces in the crowd; there are hundreds of thousands of them. They all look half-drunk and are having the time of their lives.

I hear medieval music, and a man speaking in the background in a voice-over (V.O.), as if a sports commentator during a football match.

V.O.: 'Here comes Babylon the Great. The Mother of Harlots!'

Crowd: ROARS! [loud cheers and shouts of praise].

The beast struts around the colosseum, almost like a horse doing a beauty pageant: head held high, chest proud, and feeling itself like it's nobody's business.

On top of it sits a woman, Babylon the Great, the Mother of Harlots. She is wearing a red gown with a crown on her head. She looks around, basking in the crowd's praise.

V.O.: 'There she is! Riding the great beast. Long live the queen!'

Babylon waves at the crowd, smiling from ear to ear.

V.O.: 'The queen of all the earth!'

Babylon bends her head in a bow, then continues to wave and smile, like a majestic woman. She is enjoying the crowd's praise so much that she gets excited—this is where the regal facade is thrown out of the window.

She stands up on her feet, still on the beast's back, and starts dancing. She is sensually winding her waist, biting her lips, and putting on a show.

The crowd: ROARS LOUDER!

People throw their drinks away in excitement, and some men are going as far as putting their hands in their pants to stroke their intimate parts—yes, right there in public.

V.O.: 'Mamamiaaaa! Do it for the gram, Mama. Do it for the crowd, Mama!'

The crowd and the voice-over commentator are trying to outdo each other with excessive adoration, and Babylon the Great is loving every moment of it.

She starts enticing them with more moves, seductive looks and mannerisms to get even louder shouts out of them—and it works.

Now my view cuts away to a corner of the colosseum. I see a tall iron door; something is standing behind it, about to be unleashed into the large ring.

The iron bars are rolled up, and a giant bear emerges from behind them. The bear is stoic. No smile. No showmanship. No care in the world for the crowd and whatever the beast and Babylon have going on. In fact, they are so busy being entertainers that they do not notice that a bear has just been released onto the ring, as is the crowd.

The bear starts walking towards the beast, gradually increasing its speed.

It is now jogging.

Now running.

Now sprinting!

It approaches the beast at high speed and launches a full-collision attack on the beast's left side—BAM! The hit blasts the beast away and sends Babylon the Great flying off its back to crash into the wall.

The crowd goes silent, and everything comes to a pause.

The beast is disconcerted; it is viciously shaking its head to try to get its senses back—it must be seeing stars after that abrasive attack.

Babylon the Great is struggling to get back on her feet.

My view cuts away, again, and this time to the sky. I see something flying in the colosseum's direction. It is red, but I can't distinguish what bird it is—yet. As it approaches, its shape becomes clearer and clearer.

Ah! It is a red dragon.

My view cuts back to the colosseum. The fight is hot!

Whilst I was watching the creature in the sky, Babylon the Great managed to climb back on the beast's back, and the pair began violently fighting the bear. Although it is not much of a fight, for the bear is easily overpowering them.

Here comes the dragon with its throat filled up, prepared to ravage all on its way, and that's exactly what it does—

FRUUUUSH!

Hot fire is poured out onto the beast and Babylon the Great, leaving them immobile and as dark as burned coal. The bear runs and crushes them with a double-fisted blow—

SMASH!

The beast, in pain, CRIES OUT in a loud groan—ouch, this smash has definitely broken a few bones.

So begins a fast succession of attacks upon the beast and Babylon the Great...

Fire—FRUSH!

Blow—SMASH!

Fire—FRUSH!

Blow—SMASH!

Now the beast and Babylon are left inanimate and charred on the ground; there is no coming back from that.

At this point, the male commentator had stopped talking a while ago, and the crowd had gone from being silent to protesting, then to bitterly weeping. The roaring praise from just a few moments ago is a distant memory.

The vision came to an end here.

Revelation 18:1-10

‘After this I saw another angel coming down from heaven, having great authority, and the earth was illumined by his splendor. He called out with a mighty voice:

"Fallen, fallen is Babylon the great! It has become a dwelling place of demons, a haunt of every foul spirit, a haunt of every foul bird, a haunt of every foul and hateful beast. For all the nations have fallen from the wine of the wrath of her prostitution, and the kings of the earth have engaged in sexual immorality with her, and the merchants of the earth have grown rich from the power of her luxury."

Then I heard another voice from heaven saying:

“Come out of her, my people, so that you do not take part in her sins and so that you do not share in her plagues, for her sins are heaped high as heaven, and God has remembered her iniquities.

Render to her as she herself has rendered, and repay her double for her deeds; mix a double dose for her in the cup she mixed.

As she glorified herself and lived luxuriously, so give her a like measure of torment and grief. Since in her heart she says, ‘I rule as a queen; I am no widow, and I will never see grief,’ therefore her plagues will come in a single day—pestilence and mourning and famine— and she will be burned with fire, for mighty is the Lord God who judges her.”

And the kings of the earth, who engaged in sexual immorality and lived in luxury with her, will weep and wail over her when they see the smoke of her burning; they will stand far off, in fear of her torment, and say, “Alas, alas, the great city, Babylon, the mighty city! For in one hour your judgment has come.””

YHWH summons Russia and China to destroy the beast and Babylon the Great

Thus says YHWH:

‘The bear is Russia and the dragon is China.

I will send both of them and their allies to devour Babylon the Great, which is where the seat of the beast kingdom shall be.

Barack Obama is the beast; the Antichrist. He will rule over the entire earth from the seat of the beast kingdom: the United States of America.

I am preparing the devourers, Russia and China, right now to destroy Babylon the Great. She will be destroyed for the cup of her idolatries and atrocities that have surpassed the heavens.

They will defeat her in war, enslave her, and plunder her. I, YHWH Elohim, will surely do this.

I will also avenge My people, Israel, for what America put them through and never once repented of, despite having had abundant time to do so and the soundness of the Gospel

preached all around her nation. But because of her outrageous arrogance, she was never able to humiliate herself in repentance for her sins, to this day.

I will avenge Israel as I did in the days of old during her first exodus, for the suffering they underwent at the hands of Pharaoh. But unlike in ancient Egypt, in this Egypt—which is America—there shall be nothing left of Babylon!

I will not only crush her in war by the hands of the bear and the dragon, but I will rain down fire, brimstones and sulphur from the heavens to burn her to ashes.

America will burn to the ground, then she will sink to the bottom of the sea.

When I spoke it and showed it to John, I meant it, and I am repeating it now: Babylon the Great will be removed from the surface of the earth; completely wiped out. You will see what none in your generation nor your historians can anticipate.

America is a nuisance to humanity; she is a filthy, repugnant smell in My nostrils. I will relieve Myself and the earth of her and purge the world of her egregious fornications. Her abominations are worse than what any civilisation or nation has ever done in the history of mankind, and what you are seeing her do this day, December 26, 2024, is not even half of what she will be doing during the time of the beast; she has not even gotten started yet.

She will burn to the ground. She will be barred, desiccated and removed from the world map.

Where you see America on the world map right now will become an empty spot, showing nothing there, when I am done with her.'

The Antichrist's reign beyond America, a second false regathering and YHWH's call to prepare

Thus says YHWH, the Holy One of Israel:

‘The beast’s story will last a bit longer than Babylon’s. There is still a second beast that will rise, and when he rises, he will deceive and force the whole world to take the mark of the beast or the number of his name.

My people will not be free to come out of hiding. The blood of the martyrs and the prophets will flow heavily in America under Barack Obama. Then the blood of My people Israel will flow even more for those who will choose the beast because, unlike the rest of the world, he has been in conflict with Israel since the beginning, for they are My chosen.

Whilst those who choose the beast thrive under the beast kingdom, Israel will be led into deep suffering in his hands, even after they renounce Me. They will not be afforded the fleeting luxuries of the beast in the end because he has a more acute hatred for them than for anyone else.

The second beast will arise and defeat them some more. He will cause a second hoax of a "regathering," this time it will not be with the Fake Jews but with the true bloodline of Jacob. Those who chose him will be deceived and into their death shall they be led; they will sprint into their own demise with both feet.

Israel and the church must be extremely cautious. I repeat: be extremely cautious.

There will be a false end times regathering under the second beast of Revelation 13 before the true regathering happens. This will happen during the time that those who truly know and have chosen Me will have to live in hiding and ostracised from society because of their refusal to follow the beast and take his mark.

If you do not prepare for that time now, making sure you spend time in My word to learn how to hear My voice; spend time in prayer to learn how to contend for your life and that of your community; learn spiritual warfare and rid yourselves of sin and demonic influences, manipulations and possession; you WILL end up in the false regathering.

You do not understand just how much deception will overtake the earth. You must prepare before that time comes, or else you will bitterly regret it, and the wages of your choices shall be death: eternal damnation.

This is a choice each soul will have to make for themselves. It does not matter how much love I pour out on you, Israel; these choices are each individual's to make, and the works I explained above are each person's responsibility to apply in preparation for the time, so that they might endure till the end and be saved.

Come out from among the wicked, My people! Come out of Babylon so that you will not be ensnared by the filthy cup of her abominations and trapped in eternal damnation.

Come out of darkness and into My light! In My word, in My servants whom I have been telling you to listen to for sound teaching, your elders, and My true prophets that I have called out from your midst to give you the knowledge of what is to come, you have more than enough resources for your preparation—something no one can do for you.

Each man will reap what he sowed.

You have been warned.

I, YHWH Elohim, have spoken. My word shall not return to me void.'

'Then a mighty angel took up a stone like a great millstone and threw it into the sea, saying:

“With such violence Babylon the great city will be thrown down and will be found no more; and the sound of harpists and entertainers and of flutists and trumpeters will be heard in you no more, and an artisan of any trade will be found in you no more, and the sound of the millstone will be heard in you no more, and the light of a lamp will shine in you no more, and the voice of bridegroom and bride will be heard in you no more, for your merchants were the magnates of the earth, and all nations were deceived by your sorcery. And in you was

found the blood of prophets and of saints and of all who have been slaughtered on earth.” —

Revelation 18:21-24.

YAHSHUA

‘Yahshua’ is simply Jesus’ name in Hebrew. Scholars have argued for various spellings and pronunciations, but we prefer to stick with ‘Yahshua’ as meaning, ‘Yah/YHWH saves.’ He is the Messiah, the Christ. He is our King and the Foundation of this ministry. We call Him ‘Lord’ and ‘Saviour.’
